Bryant, Stratton & Co's CHAIN OF INTERNATIONAL Commercial Colleges ESTABLISHED 18 *Connection with*

Located in 46 of the largest cities of the States and Canada, under the management of J. D. ODELL, *Principal.*

A SCHOLARSHIP issued from this College is good for an unlimited time, and entitles the holder to the advantage of instruction and influence in obtaining situations. Each College derives special benefit from all others, in the combined experience of numerous teachers, the collection of manuscripts and the publication of text-books, beyond the ordinary means of any single school. We have the best system of Penmanship known to the public, taught by an experienced, first-class Penman, for which we were awarded First Premiums in all departments at the late Provincial Fair. Regular class instructions in Arithmetic, Commercial Law, Penmanship, Book-keeping, English Grammar, Correspondence, Composition, &c., &c., with ample blank-board explanations, and special lectures to suit individual cases.

Actual business is here introduced by the use of Banks, and other offices, as in business houses. The practical method of giving instruction in this institution is the most important feature. Students count their thousands of dollars, buy and sell merchandise, real estate, stocks, &c., with as much interest and readiness as merchants, thus converting the school-room into a banking house and exchange, by introducing the actualities of business, as well as the abstract theory of Book-keeping. ☞ For further information please call at the Col-
