LOCAL NEWS.

CITY COUNCIL.—The city council meets next Tuesday evening.

MEETING.—A meeting of the local government is summoned for Wednesday next.

ABOUT FINISHING.—Asphalting operations, except putting down some crossings, is about finished for the season.

CELEBRATING.—William Segee, for many years a well known hotel keeper in Fredericton and Springhill, celebrated his 85th birthday to-day.

WILL REMAIN.—Rev. Dr. Saunders, on the invitation of the Baptist congregation of this city, will remain in charge of that church until next June.

HE IS WILLING.—It is said that mayor Beckwith is willing to accept a third term in the mayoralty, but opposition to that will probably develop before many weeks.

SWELLING THE FUNDS.—Two young men about town and a university student contributed $5 each Wednesday morning for alleged mischievous conduct on Hallow'en.

NEW PAPER.—The first number of the Record, St. John's new daily paper, will be issued on the 14th inst. The manager and chief proprietor will be E. S. Carter, of Progress.

ACCIDENT.—While engaged in unloading coal from a schooner one day this week, Wm. Smith received an ugly scalp wound from a bucket. His injuries were dressed by Dr. Vanwart.

CALLED AWAY.—Rev. Mr. Mullan, presbyterian minister at Stanley, has been called to Ontario by the illness of a relative, and his duties tomorrow will be discharged by rev. Mr. Payson of this city.

HIS INAUGURAL.—At the university on Monday evening Prof. Downing will deliver his inaugural address. The subject is: The Education of an Electrical Engineer. The public are invited, admission free.

APPOINTMENT.—Miss Ida Lugrin of this city has been appointed teacher of the junior English deparment in the Morley ladies college at St. John, where her sister, Miss Annie Lugrin is already engaged.

WELL REMEMBERED.—On Friday evening of last week, at Chipman, Queens county, rev. W. E. McIntyre's congregation presented him with a purse of $77.65 and goods to the value of $50. The occasion was a very enjoyable one.

GUY FAWKES.—The orangemen of Fredericton and vicinity will celebrate Guy Fawkes day by marching to the Free Baptist church Sunday morning headed by the 71st batt. band, and listening to a sermon from their brother, the rev. F. C. Hartley.

COMMITTED TO TRIAL.—The Wheary examination was completed Monday and the prisoner was committed to stand trial before Chief Justice Allen in the January circuit court. Analyst Best's evidence went to show that the blood found on the axe and on Wheary's clothes, was human blood.

LOOK IT OVER.—See our offer in an advertisement to new subscribers. The Family Herald and Weekly Star, and The Herald, with the choice of two great premiums, for the low sum of $1.50 cents. Send in your names now, as this offer only holds good for a few weeks when it will be withdrawn.

VERY PROUD.—Col. Marsh, the police magistrate, is very proud of the fact that for the civic year ended Oct. 31st he eclipsed all former records in the amount of fines collected by his court. The total reached $3.007.40, and this sum was more more than sufficient to run the police department.

NOT ENOUGH.—A party of university students put a charge of gunpowder in the post office square fountain Hallow e'en, but it only blew a few holes in the structure. It is a pity that the unsightly thing could not be removed. A representation to the dominion department of public works would probably effect its dismantling.

A RASCAL AT LARGE.—Some miscreant not yet detected, cut the ropes holding 2,000,000 logs at Morrison's mill, one night this week, but they did not get away, being held by a jam of others. The lumber was for next season's cutting. John A. Morrison, manager of the mill, offers a reward of $100 for the apprehension and conviction of the party who committed the dastardly act.

RETURNED.—Says the Moncton Transcript: R. S. Chestnut, who went to his home in Fredericton some seven weeks ago owing to a severe attack of the fever, has returned and will resume his position as clerk in the Buctouche & Moncton railway station in Moncton, and Edward Hall, who has filled the position in Mr. Chestnut's absence, has returned to his home at Fredericton.

FEELS IT KEENLY.—Ever since the assignment of Geo. Hatt & Sons, George Hatt, jr., has been confined to his home quite prostrated physically by the financial troubles through which he has been passing. Mr. Hatt feels his position the more keenly because so many of his relatives and friends are involved in the wreck. An effort is being made to secure his appointment to the office of the late E. C. Freeze.

A NEW FIRM.—The Pioneer says the Restigouche lumber operators have had a mine sprung on them by an Ontario firm calling themselves the Muskoka mill and lumber company, who have applied for 225 miles of the Kedgwick, all the available lands not already occupied. This will be a serious business for the smaller operators who will be completely shut in on all sides. The sale will take place the 8th of November.

GOT LEFT.—The Chatham World says a raid was made on Mrs. James Conway's place by the inspector and two policemen. The flatiron was not used this time to stop their entrance. There was a sound of glass breaking within as the officers went from door to door demanding admittance, and when they broke in they found three brandy casks but no whole bottles. The casks were taken away, and proved to be full of fonl water.

WANT HIS SERVICES.—Rev. Mr. Payson has received a pressing invitation from Robert Connors and other leading lumbermen on the upper St. John, to visit the men in the lumber camps this winter and he hopes to accept. Mr. Payson is a great favorite among the hardy woodsmen who received him cordially last winter, and the rev. gentleman quite reciprocates. He is found wherever good is to be done, regardless of creed or station.

Business Failures.

General regret is expressed at the misfortune that has overtaken two well known business houses of this city. The firm of George Hatt & Sons, retail grocers, suspended, Wednesday, assigning to J. J. Weddall and J. A. VanWart, and brought down with them, Elijah Clark, dealer in boots and shoes, who has assigned to Charles S. Ingraham. It was known "on the street" for some weeks that the Messrs. Hatt were having difficulty in keeping their business going, collections being slow, and margins very slim. No definite estimate of their liabilities is yet public, but they are stated as being something over $30,000, with assets probably half that amount. Mr. Weddall, W. B. Coulthard and J. A. VanWart are said to be preferred creditors. A number of Fredericton people will lose by the failure, but none will be affected seriously by it, except Mr. Clark. The latter's name is said to be on Hatt & Sons' paper for something over $2,000. It is hoped that both of the unfortunate firms will be able to get on their feet again.

Ready for the Winter's Campaign.

The Fredericton curlers are anticipating keen sport during the coming winter, and are making ready for an enthusiastic support of the fine old game. Thursday evening they held their annual meeting and elected officers as follows:

Jas. S. Neill, president
J. B. Grieves, J. H. Hawthorn, } vice presidents.
Rev. W. Macdonald, chaplain.
R. S. Barker, secretary.
T. G. Loggie, treasurer.
J. B. Grieves, E. H. Allen, L. C. Macnutt, H. C. Rutter, } com. of management.

The club propose holding a ball, and a committee consisting of R. S. Barker, T. G. Loggie, L. C. Macnutt, J. H. Hawthorn and J. S. Campbell, was appointed to procure a building suitable for the purpose.

The club anticipate matches with both St. John clubs, and St. Stephen, and no doubt will be able to sustain their well known prestige.

Sunbury Circuit Court.

Sir John Allen, C. J., opened the Sunbury circuit court Tuesday, in the absence of Judge Tuck who was detained at Andover, and there being no criminal cases, he discharged the grand jury and adjourned till Wednesday. Judge Tuck, in the meantime had arrived, and on Wednesday the only cause entered—a civil one—Rob't McSheffrey vs. Archibald Connolly, was brought on for trial. It was the result of a dispute about a line between their properties, Connolly claiming twelve rods above the line which McSheffrey claimed, for a distance of one mile. The action arose out of Connolly cutting Wood, the defence being that the land was Connolly's. The jury found for the plaintiff, declaring the land to be McSheffrey's, and assessed the damages at $5. C. E. Duffy for plaintiff; D. Jordan for defendant.

Want The Vacancy.

As usual when a public office becomes vacant, there is a lively stir for the inspectorship of weights and measures made vacant by the death of E. C. Freeze. The names of Wm. Kinghorn of Douglas, Wm. McKay, roadmaster, James Farrell, and James McManus of this city are mentioned as applicants for the position. The appointment does not necessarily come to Fredericton, as the office covers the counties of Carleton, Victoria, Madawaska and Sunbury as well as York. The salary is $1000 with travelling expenses, and the duties are not very onerous. Somebody says the new inspector must be a Baptist to claim hon. G. E. Foster's support, but hon. John Costigan will probably have something to say in the appointment. Meantime the dispensors of patronage in this city will have a lively time considering the various claims of the applicants.

A Good Offer.

THE HERALD is in a position to offer the Family Herald and Weekly Star and the Fredericton Herald for one dollar and fifty cents. This will entitle the subscriber to a choice of two great premiums—the Star almanac for 1894, a superb book of 450 pages, or if preferred a copy of the great Family Herald Souvenir Picture. Remember this offer only holds good for a few weeks when it will be withdrawn.

Thursday's Wedding.

Only immediate friends witnessed the marriage of Miss Louise Thompson and Mr. Harry Johnston at the bride's home on Charlotte street, Thursday at 10 a. m. Miss Thompson is a sister of hon. F. P. Thompson. Mr. Johnston belongs to Nashwaaksis, and is the son of W.E. Johnston, and is now a civil engineer resident in British Columbia. The ceremony was performed by rev. R. W. Weddall, and the happy couple left immediately for St. John and other points on their wedding tour. Miss Thompson is a most estimable and popular young lady and her many friends join in congratulating Mr. Johnston on his happy choice of a wife. THE HERALD extends its felicitations to Mr. and Mrs. Johnston.

Lost and Found.

A correspondent writes, that at Canterbury a little boy and girl, aged respectively ten and twelve, went on Tuesday morning of last week, to hunt for the cows. They have been gone all day Tuesday in the rain, Tuesday night, all day Wednesday and and Wednesday night, and this Thursday morning are still lost. Large searching parties have hunted the woods night and day, and have found where they ate birch bark and hazel nuts They are the children of John William Johnson, of Dow Settlement, Canterbury, who only a few weeks ago lost all his buildings by fire.

[The children have since been found, not much the worse of their experience.—Ed.]

Amateur Theatricals.

"The Coming Woman or the Spirit of 1900," is the name of an amusing comedy to be put on the boards of the city hall on Thursday evening, Nov. 23rd, by a company of young ladies and gentlemen of this city for the benefit of the church of England. The cast of characters will be as follows:

Judge.....Miss Nicholson
Mrs. Badger.....Miss Powys
Wolverine Griffin.....Miss Allen
Victoria Wigfall.....Miss Florrie Powys
Mr. Carberry.....Fred P Robinson
Mr. Wigfall.....Capt. Wadmore

The pretty girls who performed the tamborine drill last winter, will also repeat that very attractive exhibition, and Hanlon's orthestra will furnish music.

Preparing for Work.

The Fredericton electric light company are getting ready to put in their plant for the introduction of the city street lights. The poles have arrived and are being peeled preparatory to erection, and squire McGinn has located the points where they are to be put up. About two hundred poles will be required. Mr. McGinn expects to visit Halifax, probably next week, to inspect two dynamos and other apparatus that are offered for sale there. It is expected the system will be in complete working order before the close of the year.

MR. HUME'S CONDITION.—George Hume who has been ill for a long time, had a bad turn yesterday and the worst was feared, but to-day there is a change for the better, and he is resting quite comfortably.

FOUND DEAD.—The widow of the late John Grant was found dead in her bed, at the residence of her son Gordon Grant, Southampton, Saturday morning last.

In the Silent Tomb.

Chas. E. Black, formerly a well known school teacher, but for the past few years a member of the St. John post office staff, died at St. John Thursday evening. Deceased was a brother of Mr. Black, salesman with F. B. Edgecombe.

Hundreds of people turned out Sunday afternoon to attend the funeral of Mrs. Jas. Dever, whose terribly sad death was mentioned in THE HERALD last week. The services were held by Rev. J. C. McDevitt at St. Dunstan's church and the remains were interred in the Roman Catholic cemetry.

Blanch Dunphy son of T. B. Dunphy, died at his home in this city Tuesday morning after a brief illness. Deceased was thirty-eight years old, unmarried, and had a large circle of acquaintances who regretted to hear of his comparatively sudden death. The funeral took place Thursday afternoon and was largely attended. The services were conducted by the Rev. Mr. Payson, and interment was made at Douglas.

Margaret, daughter of the late Hugh Burns, died on the 22d ult., at the residence of her brother, Thomas Burns, Belyea's Cove, Queens county, in the sixty-fifth year of her age. Death has also claimed another victim at West Scotch settlement in the person of Gracie, daughter of the late William McGregor. Miss McGregor was a young lady much esteemed by all who knew her. She entered into rest on the 20th ult. Much sympathy is felt for the widowed mother.

Although the rain fell heavily last Saturday afternoon, people in large numbers gathered to pay the last tribute of respect to the late George Hatt, sr. The procession formed at the residence of J. J. Weddall and marched to the Methodist church, where an impressive service was held, participated in by Rev. Mr. Lodge, of Marysville, Rev. Dr Brecken, and Rev. R. W. Weddall. Mr. Weddall delivered a brief but touching eulogy on the deceased who was a leading and valuable member of the Methodist church in this city for fifty-seven years. The remains were interred in the Methodist cemetery.

E. C. Freeze, inspector of weights and measures, dropped dead at Woodstock Tuesday morning, while engaged in his work of inspection at Wm. Glew's store. His remains were interred at Forest Hill cemetery Thursday afternoon, the Royal Templars turning out to honor the memory of their late fellow member. The deceased was a native of Kings county, and for some years was inspector of schools. In 1875 he was appointed inspector of weights and measures for the river counties, with an office in Fredericton, holding that position until his death. He was in his 69th year, and leaves a wife, one son—Arthur Freeze, barrister of Sussex—and one daughter married in Carleton county.

David Dunlap, the well known ice man died Sunday afternoon after a long and painful illness, and the funeral took place at 4 p. m. Tuesday, Rev. Willard Macdonald, of St. Paul's church, conducting the services at the house and grave. The deceased was fifty-two years of age and unmarried. On Thursday morning last a curious circumstance occurred with him. His physician, Dr. Bridges, was alone with him in the room, sitting by his side upon the bed. He could not lie down, but sat bolstered up with his head resting forward upon his breast. Suddenly he raised his head and pointing to a chair said "Look, look, Uncle George." The doctor asked him what he meant. He repeated, "Uncle George," and in a moment his head dropped again. A minute later he again woke up, and, pointing as before, repeated the words again; and to the doctor's enquiry replied, "Uncle Hatt," and again relapsed into unconsciousness. When Dr. Bridges came down stairs he told the sick man's sister what had taken place, and it was only a few minutes until they learned that their Uncle Hatt was dying at the very time this scene occurred in their brother's room.

Daring Robberies.

A daring highway robbery took place about four miles from Newburg Junction, Carleton county, last night. About six o'clock Northrup & Lyman's representative of Montreal, was driving to Hartland, when he was held up by two suspicious looking men, who asked what time it was. On being told, they demanded his watch and money, which he had to surrender, he being unarmed. They relieved him of one hundred and seventy-five dollars and then slunk away through the bushes. A posse are in pursuit, but the robbers are still at liberty.

A robbery under mysterious circumstances is reported from South Richmond, Carleton county. A Miss Mary McKee lives on a farm there with her brother. She had a considerable sum of money stored in a drawer in her bureau. A few days ago on going to the drawer she found $1.010 in bank notes missing, also $8 in change, a savings bank book containing a record of $300, and $3,500 in notes of hand. Strange to say $400 in gold brought from California by her brother in 1840 was not taken. No clew to the robbery has been found.

A TOUCHING EULOGY

Pronounced by Rev. Mr. Weddall at the Funeral of Geo. Hatt, Sr.

Those who were present at the funeral services of the late George Hatt, sr., at the Methodist church last Saturday afternoon, were much impressed with the appropriateness of the brief but deserved eulogy pronounced on the life and character of the deceased by Rev. R. W. Weddall, pastor of the church. The rev. gentleman spoke as follows:

"Sixty-one years ago, a young man of nineteen arrived in this city from the old land, and began his career in the employ of the late Thomas Pickard, until in course of time he entered upon business on his own account. Recognizing the claims of God upon him, at the age of twenty-three, while in the full strength and vigor of his youthful manhood, he sought and found the pardoning mercy of the most high, and was washed in the Blood of the Lamb. No uncertainty marked his religious experience, for down to his closing hours, both time and place, when and where, the loving voice divine spake peace to his troubled heart, were never forgotten. In the year 1836 the name of George Hatt first appeared upon our list of membership in this church; it has been there for fifty-seven years, until it is now transferred to the triumphant ones who stand crowned before the throne of God. During those years, to the number of nearly three score, the most responsible positions in the gift of the church were his, in every one of which he faithfully fulfilled the duties of the office, as a member of the trust board of the quarterly meeting, as a fellow laborer in the Sabbath school, and in the choir. So that today we mourn the death of our oldest member, save one, faithful to the church, truthful to his God.

It is but a few weeks since his place in this house became vacant; they were weeks of suffering sometimes most severe, but of quiet submission to the will divine, and firm trust in the finished work of his Redeemer, until at the Master's call he gladly went home. We are not here to pronounce a eulogy upon the dead. For more than sixty years Mr. Hatt lived among you. What he was as a citizen, a business man, a christian, you know better than I can tell. Of him it is enough to say, 'A good name is rather to be chosen than great riches, and loving favor rather than silver and gold,' and 'A good man leaveth an inheritance to his children.'"

Victoria Circuit Court.

The Theriault trial at Andover which came up for trial on Thursday of last week, was given to the jury on Monday, who in a short time returned a verdict of manslaughter, with a recommendation of mercy. The prisoner was sentenced to five years in the penitentiary.

On motion of Mr. Gregory the execution of sentence was stayed till December 1st, to allow him to apply to the attorney general for a writ, so that the matter may be argued before the bench.

In August last Alfred Theriault, a son of the accused, was married, and during the wedding celebration at the groom's home, a party of six or seven men who had not been invited, entered, and toward midnight, as a result of intrusion, a fight ensued. Theriault was knocked down and he and his friends driven from the house by the English-speaking belligerents, and shortly after, someone fired a shot from a rifle through the kitchen door, killing Thomas Mockler, the only Englishman who appeared to have taken no part in the scuffle, and brother to the man who started the fatal row. It is alleged that Baptiste Theriault fired the fatal shot.

The court adjourned sine die.

Football.

The St. John football team did the university boys up at football on Saturday at St. John; score 4 to 0. The match was played in a rain storm, and the ground was very bad.

The Sackville college team played the university students here yesterday afternoon, and after a stubbornly fought game, a draw was declared, neither side scoring a single point. The Sackville boys, who staid at the Queen during their visit here, left for St. John this morning and play the team of that city this afternoon.

ILL.—The many friends of Mr. and Mrs. Charles Tupper, formerly of Mactnaquac, will hear with regret that their daughters, Lalla and Ada are ill with typhoid fever at their residence on George street.

THE CANADIAN FLAG.—What is the national flag of Canada? Who can describe it accurately? How many of our readers know what flag our ships can fly upon the seas, and why if they hoisted a blue or a white flag with the Union Jack in the corner they could be overhauled by a man-of-war and the flag pulled down! These and many other interesting questions are answered in an article which will appear in the Canadian Almanac for 1894, to be published next month. The Canadian Almanac is a standard publication and goes everywhere. More than one million copies have been sold since it was first published.

PROBATED.—The last will of the late Charity Moore has been admitted to probate. Edward Moore, of this city, is the sole executor. The personal estate is valued at $43,000. The real estate is not valued. It is all in Belfast, Ireland, and is said to be worth $1,250,000. The estate is divided into fifteen shares, two of which go to each of the five sons, one share to each of the four daughters, and one to her grandson. Under the will the executor may realize upon the real estate whenever he wishes, and divide the proceeds as stated.

WILL BE ROYALLY RECEIVED.—Mr. Ellis' sentence expires next Saturday night at 12 o'clock, and he will probably return to his home at St. John on the following Monday. THE HERALD hears that his friends in that city are preparing to give him an enthusiastic welcome. A torchlight procession with brass bands, four in hands, and an open air meeting on the square, are among the incidents mentioned as likely to be included in the demonstration of welcome to the martyr-editor.
