

| <u>Month</u> | <u>Into Canada</u> | <u>Into U.S.</u> |
|--------------|---------------------|-----------------------|
| 1922 | | |
| Sept. - | 2,064,000 yds. | 1,025,000 yds. |
| Oct. | 1,624,000 " | 1,003,000 yds. |
| Nov. | 2,425,000 " | 932,000 yds. |
| Dec. | 2,925,000 " | 1,217,000 yds. |
| Jan. | 3,626,000 " | 1,684,000 Yds. |
| Feb. | <u>3,178,000 "</u> | <u>1,339,000 yds.</u> |
| Total | <u>15,842,000 "</u> | <u>7,220,000 yds.</u> |

These figures are compiled from the Bradford Board Board of Trade returns.

Canada with a population of about 8,500,000 has in the past six months imported over twice as many yards of cloth from Great Britain than were imported by the United States from Great Britain in the same period, and the population of the United States is 144,000,000.
