PILES, HAEMORRHOIDS!

NO CURE NO PAY!!

HAYS LINIMENT.

NO FICTION.—This extraordinary chemical composition, the result of science and the invention of a celebrated medical man, the introduction of which to the public was invented with the solemnity of a death-bed bequest, has since gained a reputation unparalleled, fully sustaining the correctness of the lamented Dr. Gridley's last confession, that "he dared not die without giving to posterity the benefit of his knowledge on this subject," and he therefore bequeathed to his friend and attendant, Solomon Hays, the secret of his discovery.

It is now used in the principal hospitals, and the private practice in our country, first and most certainly for the cure of the *Piles*, and also so extensively and effectually as to baffle credulity, unless where its effects are witnessed. *Externally* in the following complaints:

For Dropsy—Creating extraordinary absorption at once.

All Swellings—Reducing them in a few hours.

Rheumatism—Acute or Chronic, giving quick ease.

Sore Throat—By cancers, ulcers or colds.

Croup, and Whooping Cough—Externally, and over the chest.

All Bruises, Sprains and Burns—Curing in a few hours.

Sores and Ulcers—Whether fresh or long standing, and fever sores.

Its operations upon adults and children in reducing rheumatic swellings, and loosening coughs and tightness of the chest by relaxation of the parts, has been surprising beyond conception.—The common remark of those who have used it in the *Piles*, is "I acts like a charm."

THE PILES.—The price is refunded to any person who will use a bottle of Hay's Liniment for the Piles, and return the empty bottle without being cured.—These are the positive orders of the proprietor to the Agents, and out of many thousands sold, not one has been unsuccessful.

We might insert certificates to any length, but prefer that those who sell the article, should exhibit the original to purchasers.

CAUTION.—None can be genuine without a splendid engraved wrapper, on which is my name, and also *that of the Agents*.

SOLOMON HAYS.

Headache, Sick or Nervous.

The extraordinary reputation that Dr. Spohn's remedy for this distressing complaint is every day gaining is certainly a matter of much astonishment. That so much suffering should have existed for ages without any discovery of an effectual preventive or cure, is truly a subject of much regret, but Dr. S. now assures the public that such a remedy has been invented as will convince the most credulous.—The principles upon which it acts are simple and plain. It is an admitted fact that this complaint, whether called Sick Headache, or Nervous Headache, arises primarily from the stomach—those who think they have the Nervous Headache may rest assured that this organ, the stomach, is the first cause, that the system has become vitiated or debilitated, through the stomach, and that only through the same channel must they expect a restoration of the nature and healthy functions of the system. This object Dr. Spohn's remedy is eminently calculated to attain. The truth of this position cannot be controverted, and the sooner sufferers with the headache become convinced of it, the sooner will their sufferings end in restoration of health.—Dr. Spohn pledges his professional reputation on this fact.

BALDNESS.

A BEAUTIFUL HEAD OF HAIR, Is the grandest ornament belonging to the human frame. How strangely the loss of it changes the countenance, and prematurely brings on the appearance of old age, which causes many to recoil at being uncovered, and sometimes even shun society to avoid the jests and sneers of their acquaintance; the remainder of their lives is consequently spent in retirement. In short, not even the loss of property fills the generous thinking youth with that heavy sinking gloom as does the loss of his hair. To avert all these unpleasant circumstances, OLDRIDGE'S BALM OF COLUMBIA stops the hair from falling off on the first application, and a few bottles restores it again. It likewise produces eyebrows and whiskers; prevents the hair from turning gray, makes it curl beautifully, and frees it from scurf. Numerous certificates of the first respectability in support of the virtues of Oldridge's Balm are shown by the proprietors.

DR. SCUDDER'S

GENUINE ACOUSTIC OIL,

For Deafness.

THIS never-failing remedy has been used many years with distinguished success, at the Eye and Ear Infirmary of Dr. Scudder, and confidently recommended as an extraordinary and wonderful remedy for either partial or complete deafness in all its stages.

By the timely use of this pungent Oil, many who have been completely deaf have been restored to perfect hearing after using from three to ten flasks. This may appear strange, but it is nevertheless true. The Acoustic Oil is not presented to the public as a nostrum, but as the prescription of one who has turned his attention exclusively to the Eye and Ear, and who pledges his professional reputation upon the success of this remedy.

Dr. Scudder has numerous certificates, but hesitates to publish them, as he considers them unnecessary to so truly valuable an article as the Acoustic Oil. Its immense sale is the fairest proof of the estimation in which it is held. It is presented as a public blessing, enabling the aged parent to mingle in conversation with his children, and to reply to their numerous questions with a facility from which he had previously been debarred by a distressing partial or complete deafness.

German Vegetable Horse Powder,

Composed of herbs and roots principally, and has been found by long experience to be highly useful for the cure of the various diseases to which horses and cattle are subject, viz. distemper, lockjaw, drowsiness, loss of appetite, inward strains, yellow water, inflamation of the eyes, fatigue from hard exercise, &c. It carries off all gross humours, prevents horses from becoming stiff or foundering, purifies and cools the blood, &c.

Rev. Dr. Bartholomew's Pink Expectorant Syrup.

An agreeable cordial, and effective Remedy for Coughs, Hoarseness, Colds, Pains in the Breast, Influenza, Hard Breathing, and Difficult Expectoration.

Dr. Shubael Bewes'

Celebrated Rheumatic, Nerve, And Bone Liniment,

Applied morning and night, has cured hundreds. It gives relief in the swelling or the glands of the throat, and relieves the numbness and contractions of the limbs and will take swellings down, and inflammations out of the flesh, rheumatism, bruises and sprains—It gives immediate relief; it strengthens weak limbs, and extends the cords when contracted.—A few drops on sheep's wool applied to the ear of deaf persons, will, by constant application, cause them to hear in two month's time.

West's Patent Chinese Cosmetic and Pills, for the cure of the most inveterate Ring Worms, Salt Rheum, and all eruptions and disorders of the skin.

Eustace and Temple's invaluable Gonorrhœa Mixture, for the cure of the most obstinate chronic and common cases of Gonorrhœa in five days.

A PART of that desirable Property in Prince William, 24 miles above Fredericton, the family residence of the late Lieut. G. West, R. N. The premises are beautifully situated, and possess most of the conveniences which a Country Gentleman could desire. Had an applicant wished the premises for a term of years, the proprietor would not object to allow the Dwelling House, &c. being used as a Public one, for which it is eminently well situated, fronting as it does on the new Road to Woodstock, and adjoining that to the rear settlements on Lake George, Pokiok, Magundy and Magundy-creek.

The property being well known, a more particular description is deemed unnecessary.
