Nursery Rhymes--No. 20.

A CHRISTMAS ROMAUNT!

The wassail bowl, well filled, bring out to-night,
The joyous days upon the earth are near,
The blazing Yule-log on the embers bright,
And shield the heart from chilling anguish drear;
If times are tight, and needy bankrupts stalk,
And brokers groan, and shavers mourn their loss,
Let Bank Directors pause, and in their walk
Just halt awhile, and contemplate the cross
Which falls from flitting notes, meandering like the hawk.

Sad moans the wind, but sadder 'tis to raise
The wind with which to meet an unpaid bill,
Or from Stewart, Chemist, buy a dose that pays,
A draught to take, relief for every ill:
Asthma, and inflammation of the lung,
The hectic flush and cough, consumption dread!
The *Pulmonary Balsam* ranks among
Its list of living cures, while with the dead
Repose the gladsome strains from grateful lips unsung.

Hang up dull care upon the Alder bush,
And "sailor crimps" and "rolling stocks" forget,
And, in oblivion, the sad tale push
Of purchased sailor, whom the crimps beset.
Trim up the room and hang the mistletoe,
Wide spread the boughs of spruce and cedar sweet,
The genial carollers wait below
And sing their lays for festive seasons meet,
And chant a hymn for those whose notes lie overdue.

BYRON.

THE PULMONARY BALSAM is the best Cough Cure known. It affords almost instant relief, and is very grateful to the bronchial tubes. A bottle of the *Balsam* would make a nice Christmas present. It is cheap, efficacious and enveloped in a handsome wrapper. For sale by

Ayer's Cathartic Pills,

For the relief and cure of all derangements in the stomach, liver, and bowels. They are a mild aperient, and an excellent purgative. Being purely vegetable, they contain no mercury or mineral whatever. Much serious sickness and suffering is prevented by their timely use; and every family should have them on hand for their protection and relief, when required. Long experience has proved them to be the surest, surest, and best of all the *Pills* with which the market abounds. By their occasional use, the blood is purified, the corruptions of the system expelled, obstructions removed, and the whole machinery of life restored to its healthy activity. Internal organs which become clogged and sluggish are cleansed by *Ayer's Pills*, and stimulated into action. Thus incipient disease is changed into health, the value of which change, when reckoned on the vast multitudes who enjoy it, can hardly be computed. Their sugar coating makes them pleasant to take, and preserves their virtues unimpaired for any length of time, so that they are ever fresh, and perfectly reliable. Although searching, they are mild, and operate without disturbance to the constitution, or diet, or occupation.

Full directions are given on the wrapper to each box, how to use them as a Family Physic, and for the following complaints, which these *Pills* rapidly cure:—

For Dyspepsia or Indigestion, Listlessness, Languor, and Loss of Appetite, they should be taken moderately to stimulate the stomach, and restore its healthy tone and action.

For Liver Complaint and its various symptoms, Bilious Headache, Sick Headache, Jaundice or Green Sickness, Bilious Colic and Bilious Fevers, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For Dysentery or Diarrhœa, but one mild dose is generally required.

For Rheumatism, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back, and Loins, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

For Dropsy and Dropsical Swellings, they should be taken in large and frequent doses to produce the effect of a drastic purge.

For Suppression, a large dose should be taken, as it produces the desired effect by sympathy.

As a *Dinner Pill*, take one or two *Pills* to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these *Pills* makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

Eaton's Commercial College,

RITCHIE'S BUILDING, St. John, N.B.

OUR course of study is comprehensive, and adapted not only to such as have enjoyed the best educational advantages, but also to those whose education is deficient, from want or neglect of early opportunities or other causes. Those who desire to engage in Mercantile pursuits will receive that which is invaluable to them in the safety and despatch with which they will be able to conduct their own business or that of others. It gives the Mechanic an opportunity to take a front rank, by reason of superior ability to transact with correctness the business of his calling. To those engaging in Agricultural life it gives a practical knowledge and experience in business, which will enable them to meet the shrewd business man with confidence. And to that large class who are uncertain what course to pursue, it is not only the best stepping stone to lucrative and permanent business of their own, but also a ready means of commanding regular employment.
