### A MAMMOTH ESTABLISHMENT.

**What the Premises of the Pure Gold Manufacturing Company are Like.**

Since the days of the reign of the epicures of Pompeii all nations and peoples have looked to the inventions of manufacturers and the natural gifts of mother earth for those adjuncts of good living and digestion, spices. It is left entirely to the manufacturer to intelligently prepare for family use goods in the line of roasted and ground coffees, spices, cream-tartar, baking powders, flavoring extracts, etc., and it of these goods that this article will treat. A reporter was despatched to the establishment of the "Pure Gold Manufacturing Company," No. 31 Front-street east, owned and operated by Messrs. Alex. Jardine & Co. A trip through the building, under the guidance of Mr. Jardine, displayed to the reporter one of the most perfectly appointed factories in every respect to be found in the Dominion, if not in the world. The motive power is furnished by a 35 horse-power Wheelock engine, located in the rear of the finished basement. The Burns coffee roaster, with a capacity of 3000 lbs. per diem, is also located here, together with the two large spice grinding mills and the mills grinding the cream of tartar used in the famous "Pure Gold Baking Powder." The latter mills are entirely separate from the other machinery, which ensures perfect cleanliness and freedom from any foreign substance. Stepping into the elevator the reporter ascended to the upper flat, where the machine for mixing the baking powder (which is so perfect in its operation that a complete uniformity of the ingredients is obtained) was noticed in full operation. On this flat is also located their packing room for putting up their spices, etc., that make such elegant shelf goods in their handsome lithographed wrappers. Descending to the third flat, the reporter entered the whole spice department. The stock of this firm is so extensive in this class of goods that they can and do offer to dealers who desire to purchase in this form exceptionally low figures. The second, or ground flat front, is occupied by the general and private offices, and the rear as a laboratory for preparing fluid fruit flavoring extracts, which are put up in packages for family use, also in from one to five gallon cans for confectioners, etc. Some of the specialties manufactured by this company, roasted and ground coffees, are appended: Baking powders, cream of tartar, Pure Gold bi-carbonate soda, paste blacking, liquid blacking, borax, bay rum, liquid blue, Bologna sausage seasoning, curry powder, chicory, celery salt, fruit flavoring extracts, powdered sage, powdered summer savory, powdered thyme, powdered marjoram, poultry dressing seasoning, combining both spices and herbs, pure ground spices, mixed pickling spice, mustard, liquid rennet, rice, flour and black lead stove polish. This polish being in a semi liquid state, can be applied without creating any dust, and not interfering in any manner with the use of the stove during the application. The Carbon shoe blacking, put up under their brand of "Pure Gold," is superior to any ever placed upon the market, and is warranted to produce the most brilliant polish, also to soften and preserve the leather. As Pure Gold is the most valuable of all metals, Messrs. Alex. Jardine & Co. have adopted this trade mark for all their productions, guaranteeing all goods put upon the market under this brand to be perfectly pure. Dealers are authorized to refund the purchase money for any article which is not found exactly as represented. Private brands are manufactured to order. Their transactions not only cover the entire Dominion, but orders have recently been received from Australia and other English colonies. Messrs. Jardine & Co. have received a gold medal for general display at the Provincial Exhibition held at Guelph; a silver medal for the superiority of their baking powder, also a gold medal this year for general exhibit at London, Ont.

Poultry nearly every day. Soups better than ever, and they always were up to the mark. Table board in 104, $2.50 per week. We guarantee to all a better table than any house in the city. x

**"Familiar Quotations"—Being an attempt to trace to their sources passages and phrases in common use—by John Bartlett. Eighth edition; cloth $3.50. Williamson & Co., Toronto.**

**Aint He a Dude?**

No! tho' he's dressed so fashionable you'd think he was. It's the collar, tie, etc., he bought at Rogers' gents' furnishing store, cor. Yonge and Elm-streets, makes him so smart. Stylish and cheap goods throughout. x

**Bargains.**

Ladies looking for bargains should go direct to the Waterloo House, 278 Yonge-street, south cor. Alice; there they will see an array of bargains in dry goods simply astonishing. Those ladies also who want a reliable stylish mantle made to order at a very low price should inspect McKendry's stock. The new show rooms are now open and in full blast. Give the Waterloo House a call. 246

**Make a Note of It.**

—Never smoke a bad cigar. It weakens your nerves; it poisons your system; it unfits you for business. A pure cigar is a wholesome luxury, a bad one one is poison. The "General Middleton" and "Brave Boys" brands, manufactured by W. E. Dobson, are from pure tobaccos and cannot be beat. 246

**The Best Combination.**

—The best combination of blood cleansing, regulating, health giving herbs, root and barks enter into Burdock Blood Bitters—a purely vegetable remedy that cures diseases of the blood, liver and kidneys. 246

—The Star leads in price and quality: $30 for a sewing machine, $50 for an organ and $250 for a piano. Surely it is worth inquiring into if you want such goods. The Peoples' Co. 60 Adelaide west. 246

—I thought my wife would "darn the socks" when we got married, said he, but instead, she lets the socks alone and "darns me;" if she would only buy her groceries from Wiggins & Lewis, cor. Queen-street and Dovercourt-road, she would have no need to grumble with anyone, and require no darning. x246

**Watches and Watchmakers.**

To own a first-class watch is great satisfaction to every business man, but when it gets out of repair the question arises, where can it be skilfully and properly adjusted, as so few watchmakers understand putting a watch in first-class order, especially after it has been improperly done, or accidentally broken, or for want of cleaning. Woltz Bros. & Co., 5 Leader-lane, stand at the head of this department, as many will attest. x

**Old Rye Whisky.**

—For medicinal purposes Gooderham & Worts' 2, 5 and 7 years old; Taylor's celebrated Kentucky rye, 15 years old; shipped to any part of the Dominion. Send for price list. Mara & Co., family grocers and wine merchants, 280 Queen-street west. ed

**Gigantic Auction Sale.**

Charles M. Henderson & Co. will sell, on Thursday, Friday and Saturday next, at their rooms, 185 Yonge-street, the large and valuable assorted stock of Mr. James Venn, the Yonge-street jeweler. The consignment is direct from Paris, and consists of elegant marble clocks, bronzes, statuary, musical boxes, etc., etc. Also a large number of fine gold watches, diamonds, both set and unset. The goods are all first-class. x

**Who's Your Tailor?**

J. Hickey, 61 Queen-street east, where you can get a nobby suit or a fashionable overcoat at lowest prices. Mr. Hickey has just removed from his old stand, 229 Church-street, and will be glad to see his old patrons. x

**"A Modern Telemachus," the new novel by Miss C. M. Yonge, author of "The Heir of Redclyffe," etc., etc. Cloth $1.75. Williamson & Co., Toronto.**

**A Strong Combination.**

Medland & Jones, 37 Adelaide-street east, and Equity Chambers, 20 Adelaide-street east, represent the Norwich Union Fire Insurance Society of England, the Scottish Union and National Insurance Company of Edinburgh, and the Accident Insurance Company of North America. The assets represented by this firm aggregate over $40,000,000. Telephone number 1067. x246

**There is Nothing Like It.**

—There is no one remedy offered to suffering humanity whose use is so universally and frequently required as Hagyard's Yellow Oil, for rheumatism, neuralgia, colds, sore throat, deafness, croup, lumbago, and aches, pains, lameness and soreness of all kinds, when internally and externally used. 246

To parties visiting Toronto don't fail to call and see the finest bar and lunch rooms in Canada and the greatest oyster house in the Dominion at the St. Charles, 70 Yonge-street. Fred Mossop prop. 462

# WALKER
## Catches All
AND
# NO WONDER

Oh, mother have you heard the news,
Said Miss Augusta Treat,
Walker draws the crowd this week,
He is packing Queen-street.
Long has he led in household stuff,
You know he furnished us,
And now his instalment store is sure
To stir and make a fuss.

You know his taste in furniture,
His carpets are the best,
The lowest price for everything,
His store leads all the rest.
But better later news than all
We've heard to meet our wishes,
Walker sells on time the same
His lovely stock of dishes.

Such dainty sets for dinner—tea,
Rosebuds and leaves or bands,
I rather think it won't be hard
To work them off his hands.
We know of old and easy terms
Of this most genial man,
I think we'll get some pretty things
On the old instalment plan.

He made our homes a fairy spot
I'm proud for folks to see,
And now my birthday comes so soon,
Get dishes, dear, for me.
A parlor heater, too, we need,
A new rug in the hall,
But new and stylish dishes ma
We need the most of all.

The young lady is right. Canadians are a hospitable race, always giving dinners. What looks better than a comfortable furnished dining-room and pretty dishes. Everything you want and oh so low by the week at
