GLEASON'S PICTORIAL.

On the first of January next, "GLEASON'S PICTORIAL" will commence its *sixth volume*, and will appear vastly improved in all respects, with a superb new heading, new type and dress throughout, and will be printed upon the finest paper. As the proprietor of the "Pictorial" has purchased the entire good-will of Barnum's New York "Illustrated News," and has merged that journal in the "Pictorial," the public will reap the advantage of this concentration of the strength of the two papers upon one, both in the artistic and the literary departments. The same brilliant host of contributors and artists will be engaged on "Gleason's Pictorial" as heretofore, and a large addition is also made to the corps, both in talent and number. The most liberal arrangements have been completed, and such as will enable the proprietor to produce by far the finest illustrated journal yet published, and much superior to the present issue of the paper. The columns of the "Pictorial" will constantly be beautified by all that can please and instruct in art and nature, and its literary department will fully sustain the high reputation it has so long enjoyed.

The pages of "Gleason's Pictorial" will contain views of every populous city in the known world, of all buildings of note in the eastern or western hemisphere, of all the principal ships and steamers of the navy and merchant service, with fine and accurate portraits of every noted character in the world, both male and female. Sketches of beautiful scenery, taken from life, will also be given, with numerous specimens from the animal kingdom, the birds of the air, and the fish of the sea, and will present in its mechanical execution an elegant specimen of art. It will contain fifteen hundred and sixty-four square inches, giving a great amount of reading matter and illustrations—and forming a mammoth weekly paper of sixteen octavo pages.

TERMS:—Three dollars per annum.

TAYLOR'S COLUMN.

Celebrated Toilet Preparations.

We would call the attention of the Ladies and Gentlemen of New Brunswick to the following choice Toilet articles:—

ISAAC BABBITT'S
Superior Toilet Soaps,
CATHEDRAL CREAM OF SOAP. PANARISTON SHAVING CREAM. PANARISTON SHAVING SOAP IN SOLID ROLLS. PANARISTON SOAP FOR SENSITIVE SKINS, AND SHAVING POWDER.

These superior Soaps and Creams are now the highest fashionable luxuries in superior toilet articles. Their extraordinary and unrivalled excellence, combined with economy, has rendered them the most popular Soaps and Creams in use. Their exceedingly agreeable and lasting perfume, their extraordinary lathering properties, and their effect upon the skin, are universally admired by all who use them.

Panariston Shaving Cream is now displaced at all Shaving establishments in the City, and those who once will never use any other.

Panariston Rolls are put up in a neat portable form, and are admired by travellers and traveling men.

The following are a few of the many testimonials received:—

Rev. John Lord says of the Shaving Soap, "It is a superior article, and a preparation for the razor by any thing that I have tested." Dr. A. A. Hayes, State Assayer, says of the Cathedral Cream of Soap, "I have never met with any Soap or compound, which, in effecting the most delicate shave, possesses so many advantages. It is unsurpassed for the purpose by any other article." Dr. Lettsom, Boston, says, "I have no memory of so good an article." Dr. Lettsom, Bridgeport, says, "It is superior to any other compound I have used." Hon. Horace Greeley, of the N. Y. Tribune, says, "We have tried it, and found it superior to all other soaps. Worthy of being introduced into every family." Dr. Dewey, editor of the Native of Rochester, says, "In all respects the very best soap we have used." Mrs. Sarah Josepha Hale, of the Ladies' Book, says, "We have found it to be much superior to any soap we have ever used." Mr. Parmenter, of Lynn, says, "I find it a most excellent article." The Cathedral Cream of Soap is probably the most perfect preparation of the purity of fat of which has ever been produced. The New York Evening World says, "Mr. Babbitt is the Sayer of soap, the great reformer."
