"THE BLOOD IS THE LIFE,"
AND THE LAROUSSE OF SUMMER.

DR. HALSEY'S FOREST WINE.

FROM the long number and great merits of this Wine in the hands of people the most distinguished among every class of society, it has become the most efficient remedy for general Debility, Consumption, Fevers, Coughs, Colds, Dyspepsia, Constipation of the Kidneys, Heart, Lungs, Liver, and, above all, for diseases arising from impure Blood and habit of the System, extensively introduced and adopted the use of it.

Dr. I. A. STANLY, a distinguished Physician, in a letter from Princeton, New Jersey, dated November 16, 1849, declares that he has experienced in his hand never seen anything to equal it in connection with the Forest Wine and Pills, at the same time relating several cases of constitutional Debility and Scrofulous affections which it cured in an incredible short time.

Among the members of the Medical Faculty of New York, who have witnessed the great results of the Forest Wine, and recommended it to numerous of their patients, will be found the names of the celebrated Dr. M. Y. Gouinon, Dr. S. I. Mott, Dr. J. Cheesemen, Dr. Colles, Dr. Mason, Dr. Williams, Dr. Marvin, Dr. J. M. Mason, and others.

TESTIMONY of Johnson Burke, a highly respectable citizen of Waverly Place, New York:—

Dr. G. W. HALSEY:—DEAR SIR,—I esteem the Forest Wine as the King of Medicines. It has done for me in five weeks what (being a Physician) I failed to do in as many years. In 1845, I became a victim of the Heart Disease and Nervous Affections, which have been growing on me ever since, until I produced your Forest Wine and Pills, although I had expended several hundred dollars for medical attendance. During the last two years I was obliged to keep my house nearly all the time, and gave up business in consequence of my ill health. I had nearly lost all hope of recovery, my complaint was of that close nature which "admits of no cure." Seeing your advertisement of the Forest Wine advertised I concluded to give it a trial, and before finishing the third bottle I felt like a different person, and was able to resume business again, entirely cured, by taking five bottles. For the benefit of those afflicted with similar complaints you are at liberty to publish this. Yours, &c.,

JOHNSON BURKE, Waverly Place, N. Y.

HEMPSTEAD, Dec. 1, 1847.

DR. HALSEY:—A bottle of your Forest Wine and a box of Pills, which I procured of Mr. James Carr, (your Agent for this place,) has done wonders for me. I had been in a state of decline for more than a year, afflicted with a dreadful cough, pain in the breast, general debility, and loss of appetite. I became almost a skeleton, weak and had been unable to leave my room for more than two months; my friends told me I had the Consumption, and despaired of my recovery. I could not obtain any permanent relief from any medicine I had taken, or any physician, until your Wine and Pills were procured. The first dose of the Pills brought up from my stomach much phlegm and greenish matter, and my stools were perfectly black. I continued to use them, and in less than two weeks I was almost well. I now enjoy better health than I ever did before, having increased twenty lbs pounds in seven weeks. Your Forest Wine and Pills are highly valued in this vicinity, and I owe my recovery entirely to their virtues. Yours, respectfully,

MARTIN CALDWELL.

The following Certificate, voluntarily given by Mr. H. G. Mussey, a respectable and well-known citizen of Cohoes, New York, is an evidence which must remove all doubts of the great efficacy of the Forest Wine in GENERAL DEBILITY, NEURALGIA, AFFECTIONS OF THE SPINE AND KIDNEYS:—

This is to certify, that I have used Dr. Halsey's Forest Wine in my family with the most entire success. My wife was badly afflicted with Rheumatism, affections of the Spine and Kidneys, and general Debility. She found speedy relief, and regained her health, by the use of the Forest Wine.

From my own knowledge of this excellent medicine, I confidently recommend it for the good of others who may be suffering with similar complaints. It is the best medicine with which I am acquainted, and those who are afflicted with the above, or any similar disease, may safely rely on its virtues.

Cohoes, March 6, 1850. E. G. MUSSEY.

More Testimony from Cohoes.

Dr. G. W. HALSEY:—DEAR SIR,—My wife last autumn was reduced to a low state of Debility. My family Physician advised her to take your Forest Wine. Accordingly I went to Mr. Terry's, your Agent for this town, and procured a bottle of it, which restored her in a very short time to perfect health.

HENRY DONALDSON.

Cohoes, April 13, 1850.

The testimony of upwards of three hundred individuals, some of whom were afflicted with dreadful disorders, and considered incurable, may be seen at Dr. Halsey's principal Office. The following are some of them residing in this city:—

Mr. ASA S. SMITH, 177 Prince Street, Office in Wall Street, was long severely afflicted with a disease of the kidneys and bladder. The best medical skill answered no purpose. He tried the Forest Wine, and it met his case, and he was completely cured by the use of four bottles and a box of the Forest Pills.

Mr. JACOB BALL, Merchant, in Pearl Street, was for four years a martyr to severe Rheumatic Pains, and could find no relief until he used the Forest Wine and Pills, and recovered by taking six bottles and less than a box of the Pills.

The remarkable efficacy of the Forest Wine is very striking in the case of the Hon. S. I. Brown, of Virginia, who was cured in a few hours' time of a severe attack of Bilious Diarrhœa and general prostration of bodily energy. On the arrival of this gentleman in New York in March, he was so weak and nervous, from the effects of his illness, that he could not write, and required assistance to enable him to walk to his apartment. The Wine was sent for, and he was served by the use of less than a bottle of the Wine and a single dose of the Pills.

The Forest Wine and Pills are recommended as an efficient and certain cure to all the following complaints:—

Dyspepsia, Habitual Costiveness, Liver Complaint, Asthma, Piles, Obstinate Headache, Bilious Disorders, Pimples, Blotches and unhealthy Color of the Skin, Jaundice, Ague and Fever, Salt Rheum, Erysipelas, Complaints incident only to Females, Languishing Weakness, Night Sweats, Nervous Disorders, General ill Health and impaired state of the Constitution.

Plantagenet Water.

When first supplied to by Mr. Lemoine, for my opinion of the "Plantagenet Water" I could only state that I had found it to be a very good aperient; it proved extensive efficacious, in chronic and acute obstipation, and in many other complaints, which I have found frequently where the Water will be found extremely useful, and for the management of the stomach and bowels, which necessitate a gentle aperient, I have found it preferable to all other remedies.

Having expressed my opinion until some years ago, in favour of this Water had satisfied me of its value, I have the free hesitation in strongly recommending it to the profession and the public in the above affections, for which I have found it superior to all the other Mineral Waters of Canada; and as a beverage in hot weather, I can recommend it as preferable to the drinks usually taken for that purpose.

I may state, in conclusion, that I recommend this Water to the members of my own family, and my own use it since it became perfectly acquainted with its valuable qualities.

THE MAYOR'S CERTIFICATE,
PLANTAGENET WATER.

In accordance with the opinions expressed by the most distinguished Medical Practitioners of Montreal, Quebec, and other portions of the Province, and from my own experience of its culinary effects, I cheerfully afford my testimony to the excellent qualities and properties of the Plantagenet Water. For a summer beverage it is universally recommended by Physicians as a healthful and pleasant aperient; and its valuable medicinal properties have been tested by a most faithful and accurate analysation.

PLANTAGENET WATER.

Among the objects of attraction at the late Industrial Fair, the celebrated Plantagenet Water held a conspicuous position, and its exhibition was attended, we learn, with the most favorable results. The demand at the Depot for this health-inspiring draught was so urgent that it was with great difficulty strangers and visitors to the city could be supplied. The celebrity of these Mineral Springs has been so thoroughly and satisfactorily established that testimony of the most valuable character seems daily accumulating. The highly respectable certificates given in our paper of to-day will, if possible, increase their reputation, and add to their value throughout the Province. The testimony of the medical gentlemen is certainly highly favorable to the character and quality of these Springs.—Drs. Nelson and Gibb placing them above all other Mineral waters on this Continent:—

"I believe I was one of the first Practitioners of this city who recommended the use of the Plantagenet Spring Water, and since that time I have prescribed it to a very large number of my patients with incredible advantage.

"Two members of my family of feeble and delicate constitution, have derived marked benefit from the use of the Water. One had nearly lost all power in the right arm, the result of a severe and protracted attack of Rheumatism; the other was excessively debilitated from derangement of the digestive and alimentary organs.

"The administration of the Water is attended with the happiest result in constipation, arising from sedentary habits, and in aged persons.

"In hysterics, morning sickness, and the other complaints to which women are subject under certain circumstances, it acts most agreeably and effectually, but in those diseases of the kidneys, as well as where there is over secretion of the kidneys and bowels, it should be taken in smaller quantities at a time, but more frequently.

"From an extensive experience, I am well satisfied with the operation of the Water; to weak persons it is quite palatable, and I deem it preferable to any other of the Mineral Waters I am acquainted with. I look upon it as a great boon conferred by a kind and bounteous Providence on mankind.

"WM. NELSON, M. D., V. R. Col.,
"Phy. & Sur., Canada East."

"Many months experience in the use of the Plantagenet Water in my practice have fully convinced me of their value as a remedial agent, and I have not had reason on any single occasion to regret their use. I find that they seldom disagree with the stomach, and always act as a gentle aperient and alterative, and, from their composition, they possess, in addition, decidedly tonic properties.

"Certainly, too much has not been said in their favor, for they are, probably, the most valuable Waters on this Continent.

"GEORGE D. GIBB, M. D.,
"Licentiate Royal College of Surgeons, Ireland,
"Physician to the Montreal Dispensary.

"Montreal, 5th August, 1850."

The following certificate is from the Hon. Peter McGill, a Member of the Legislative Council of the Province, and President of the Bank of Montreal:—

"CHARLES LA ROCQUE, Esq.

"SIR,—Having during the year past used the Plantagenet Water, so well known and so highly commended to public favor by many of our most eminent Medical Practitioners, I can bear testimony to its salutary effects on my own immediate health, and doubt not its efficacy in contributing to restore and invigorate the constitution of those who may freely use it. The value of this water has been generally acknowledged in this community, and my own experience of its excellent qualities, fully warrants me in giving my testimony to its beneficial effects.

R. R. R.
THE PROPHECY FULFILLED.

IN the month of August, 1849, we published a work on the world from which we quote the following:—"We proposed in Hospitals, and all other institutions for the relief of the sick; to Physicians, Surgeons, and all Medical Institutions and Bodies, to illustrate to Royal Relief for their investigation, the effects of our powerful remedies upon the patients.

We claimed that it would allay, in a few minutes, the most severe Cramps and Spasms; that it would arrest the progress of that dread plague, the Cholera—that in a few minutes it would change the hard, knotty, cold, and lifeless body, to warmth, vitality, and vigor.

That in a few minutes it would relieve the most severe pains in the bowels, that in fifteen minutes it would stop all painful and diarrhœa discharges, and impart a genial warmth to every organ and secretion of the body; that it would positively relieve the most severe and disagreeable pains of sick and nervous headache in fifteen minutes, and effectually cure this distressing complaint.

That it would in an instant mitigate the cruel pangs of Neuralgic pains, and permanently cure this excruciating affection. That it would stop the most torturing toothache in a few seconds.

That it would relieve all Rheumatic pains in fifteen minutes, and cure many Chronic cases of Rheumatism in a few hours.

That it possessed a miraculous soothing and relieving influence over all pains originating from Rheumatic, Neuralgic, Nervous, and Bilious complaints, and that the patient suffering the most excruciating tortures, would feel its soothing influence in a few minutes.

The world was startled at the publication of our discovery. The cries assem of Medical Science shook their bonds in doubt. The sick and afflicted hoped yet, feared that, like other remedies, it would cure quicker on paper than by practical experiments; thousands who were suffering with the most excruciating pains, at once determined to try it; the consequence was, that from almost every village, town, city, within 500 miles of New York, we were the daily recipients of orders for our ex-ordinary remedy. The people tried it and found it tremendously powerful. The sick and afflicted hoped; the good; the most torturing pains were mitigated; weak and feeble victims of Rheumatism, who had been bedridden for years, were suddenly relieved from pain and restored to health. So with the sufferers of Neuralgia, Sick and Nervous Head-Ache, Chill Fever, Diarrhœa, Cramps, Spasms, Cholera Morbus, and, in fact, all painful and distressing Acute complaints, were suddenly relieved from their tortures, and restored to health. Its fame spread from city to city, the people sounded its wonderful virtues far and wide, and ere the earth had run its yearly course,

FIVE MILLION BOTTLES WERE SOLD!

In every town in Maine, New Hampshire, Vermont, Rhode Island, Massachusetts, Connecticut, New York, and Ohio; in Michigan, Wisconsin, Illinois, Indiana, and Missouri; the people have tested its merits, and pronounced it a safeguard against disease, and a quick antidote for all pains. In New Jersey, Pennsylvania, Virginia, Maryland, Delaware, the Carolinas, Georgia, Alabama, and Louisiana—in every town in each State it has made friends, and proved its efficacy.

TO THOSE WHO KNOW NOTHING OF IT.

If you are unacquainted with the merits of Radway's Ready Relief, and if you reside in either of the States mentioned above, we refer you to the Druggists, to Physicians, and the People. Take a bottle of it to any skilful Physician, let him test it, we will risk its reputation on his opinion.

TO THOSE WHO KNOW THE VALUE OF IT.

If you are unacquainted with the merits of Radway's Ready Relief, and if you reside in either of the States mentioned above, we refer you to the Druggists, to Physicians, and the People. Take a bottle of it to any skilful Physician, let him test it, we will risk its reputation on his opinion.

One drop has frequently cured the most tantalizing Tooth-Ache.

Forty drops, taken three times per day, will cure Sour Stomach.

Sixty drops, taken four times per day, will cure Weakness and Debility.

Ten drops, taken every ten minutes, will cure Diarrhœa.

Thirty drops has, in fifteen minutes, stopped the Sick Head-Ache.

Sixty drops, taken every twenty minutes, has cured Cramps, Spasms, &c.

Thirty drops has, in fifteen minutes, cured The Dotheneu.

With skin as pure and fair as any marble—

With flowing ringlets and glossy locks,
Luxuriant tresses dancing gracefully o'er the swan-like neck,
No dark repulsive spots, to mar the pleasing picture,
Or to cast a shadow on your beauty's master piece.
