Specially Important to Clergymen

NO MINISTER, ESPECIALLY those with a family, should be without an insurance against accident. They are out in all weather, and at all times of the day and night, and an accident befalling them would involve both themselves and their families in great distress. By the payment of the insignificant sum of $5.00 A YEAR to the ACCIDENT INSURANCE COMPANY of Canada, a clergyman can insure his family $1,000 in the event of fatal injury, or $5 A WEEK to himself during any temporary disability arising from Accident. The insurance can be increased in proportion of charge. No prudent clergyman should disregard this. If they cannot afford it, their congregation should make the provision for them.

THE ACCIDENT

INSURANCE COMPANY of Canada, has agents in every city and town in Canada. The Head Office is 269 St. James St., Montreal, and any communication directed to the Manager there will meet with immediate attention.
