ASKS TO LIMIT POWERS OF CROWN

Lord Lansdowne Proposes Plan For Reforming Lords.

PEERS TO PICK SOME

Others He Would Make Elective by Some Specially-Contrived Outside Machinery.

London, March 30. — Lord Lansdowne, leader of the opposition in the second chamber, submitted in the House of Lords this evening the motion of which he gave notice on Tuesday that an address be presented to the King asking him to consent to a bill being introduced "limiting the prerogative and powers of the crown insofar as they relate to the creation of peerages and to the issue of writs of summons to lords spiritual and temporal to attend, sit and vote in the House of Lords.

In submitting his motion Lord Lansdowne briefly outlined the Unionist bill for the reform of the House of Lords. The reconstructed upper house under this bill, he said, would consist partly of peers possessing certain qualifications, who would be chosen by the lords from among themselves. There would also be a nominated element and an element elected outside the second chamber through machinery which would be in direct relation to public opinion.

Lord Morley, the Government leader, in the absence of Earl Crewe, announced that the Government regarded the course taken by Lord Lansdowne as entirely justifiable, and would offer no opposition to the address to his majesty. But, he added, it must be understood that in assenting to the proposal the Government did not pledge itself in any way in regard to any future advice which they might feel it necessary to offer to the sovereign when the time comes.

Lord Lansdowne's motion was then agreed to.

The monthly weather report issued from the local observatory today shows clearly the remarkable difference between March of 1910 and the period closing today.

The rainfall of March, 1911, was 1.75 and snowfall 30.5 inches, as compared with .76 and 1.5, respectively, in 1910.

The mercury in the thermometer never rose above 52.5 during the month just ended, this high mark having been attained on the 16th. Two days later, however, the lowest of the month was reached when the temperature dropped to 5 above. A year ago the maximum was 78.5 and the minimum 11.5.

BUILDING PERMITS

Quite a Number Have Been Issued the Past Few Days.

Building has been fairly brisk during the month of March, although there have not been many large contracts awarded.

Nearly fifty permits were issued during the month, the total value of which was $62,789. This is a considerable falling off from last year, when there were permits issued to the value of $139,700 during March.

Among the permits issued during the past few days were those of Mr. T. H. Peters for a one story brick veneer on Hamilton road, to cost $1,700; W. M.

GRAND MASTER WAS WELCOMED

Brilliant Affair Carried Out by the Masonic Bodies of This City.

JUDGE MACWATT REPLIES

An Excellent Musical Programme Was Carried Out Last Night—Some of the Distinguished Guests.

The reception tendered by M. W. Bro. Judge Macwatt, grand master of the grand lodge of Canada, in the Masonic Temple and city hall, last night, by the Masonic bodies of the city, was a most brilliant success.

All the lodges of the city sent large representations of their members, while visitors, prominent in the craft, were present from Toronto, Sarnia, St. Thomas, Hamilton, Belleville, Brantford, Woodstock, Ingersoll and other places.

The grand master was escorted to the blue room, and was received there. A procession was then formed and the grand master was conducted to the city hall. Here he was introduced to the worshipful masters of the various lodges. Later he was given grand honors. R. Wor. Bro. J. W. Metherall, master of ceremonies, leading. This interesting ceremonial proved most interesting to the many ladies present.

Address of Welcome.

On the completion of this exercise Wor. Bro. J. B. McKillop made an address of welcome. He expressed the great pleasure London Masons felt in entertaining the head of the order in Ontario. They had long known him, and highly regarded him. Bro. McKillop then presented the grand master with a handsome silver tea service and tray, suitably engraved, as a token of regard from the London Masons.

Judge Macwatt made a happy reply, in which he expressed his great pleasure at being present on this occasion, and also thanked the brethren most heartily for their very kind gift to him. He had many friends
