

57

• happens, of course.

• There is an abundance for our province. We shall have 200,000,000 lbs of wheat. The drought has passed for the present. Our revenue for the first two mos of the fiscal year is \$600,000 up over last year and our expenditures \$500,000 down. We are operating on a cash basis this year so far and expect to close near balancing our budget we can say with effect to our Liberal friends "we have started out of the wilderness of depression. We give you an opportunity of joining us in our efforts to reach the summit. Will you forget party for a time and do this?" They will. If not they will receive the same rebuke as the Tories did in Manitoba.

Sincerely yours,

J. Maudslayi
