In compliance with instructions received from you at the January Quarterly Meeting, an invitation was sent to Mrs Tilton, President of the Provincial Auxiliary, to honour us by holding the Annual Meeting of the Provincial Board of Management in Quebec, in October next. Mrs Tilton has kindly consented to do so, and arrangements are being made to meet on the 11th and 12th.

In June last, at the request of the St. Sylvester W. A., your Secretary visited that Branch and did what she could to increase the interest in Missionary work. She was very kindly received and entertained by Mrs S. Neill, President, who is a most active and zealous member.

The correspondence relating to the present and future of the educational work of the Diocesan Branch will be read to you to-day.

To the old officers warm thanks are given for their willing co-operation: to the new ones an earnest hope is expressed that they will never hesitate to write for information whenever in doubt; and to each and all would your Secretary wish to be the loving friend and ever willing correspondent.

L. H. MONTIZAMBERT.
