Dear Senator Meighen:

I am sending you herewith a copy of the proposed Federal Industrial Relations Act which has been prepared by a committee of which I am a member.

This draft was introduced into the United States Senate last week, and has created quite a rumpus throughout the country. As might be expected, it is being opposed by labor leaders who have a vested interest in maintaining the status quo.

Much of the proposed Act would not be applicable to the Canadian labor situation, but there may be a few features of it which will interest you.

With kindest regards, I am

Faithfully yours

P.S. We are delighted that you can have dinner with us on July 10th.
