PUBLIC ARCHIVES OF NOVA SCOTIA

THE MORNING

"NEWS"

FOR

1865.

THE publishers of the MORNING NEWS, determined to largely extend the circulation of their paper, and to make it as acceptable to the public in price, as it has hitherto been in interest, have decided to supply the

WEEKLY EDITION

FOR

One Dollar a Year,

to single subscribers, as well as to clubs. To those also of compensating the getters-up of clubs in some degree for their trouble, they have determined to offer premiums in accordance with the following terms—

To any person sending us a Club of TEN subscribers, with $10, we shall give an extra copy of the paper to himself

To any person sending us a Club of FIFTEEN subscribers with $15, we shall supply a copy of the Tri-Weekly News for one year.

To any person sending us a Club of TWENTY subscribers, with $20, we shall send the Tri-Weekly News and the "Colonial Farmer," a first class agricultural paper, for one year commencing first January

To any person sending us a Club of THIRTY subscribers, with $30, we shall send Godey's Lady's Book, and the "Canadian Farmer," or "Harper's Magazine" and the "Canadian Farmer," or four copies of the "Canadian Farmer" for one year from first January.

To any person sending us a Club of FIFTY subscribers, with $50, we shall send the "Illustrated London News" for one year, or a copy of Webster's large Dictionary, splendidly bound

To the person sending us the LARGEST Club, (not less than 100 subscribers with $100) we shall give a premium of $15.

[Persons who prefer the "Colonial Farmer" newspaper of this Province to the "Canadian Farmer" can have it instead.]

To any person sending us ONE DOLLAR we shall send the WEEKLY NEWS for ONE YEAR.

The publishers of the NEWS, in offering these inducements, desire to say that were it not for their very large and still increasing advertising patronage (being unsurpassed by that of any journal in the maritime Provinces), and for their large subscription list, they could not possibly place the price of their weekly paper at so low a figure. They would also have it understood that the WEEKLY NEWS is now excelled either in cheapness, or in the quantity of matter which it contains by any journal in the maritime Provinces.

During the year 1865 the NEWS will be kept fully up to the mark in point of excellence. It will contain articles on the leading topics of the day; papers on different subjects from leading writers in the Province, correspondence from various sections of colonies, a carefully prepared digest of news from all parts of the world, choice original and selected matter, a correct list of the St John prices current, and intelligence of every kind that can be regarded as useful interesting or instructive.

The Tri-Weekly News

is furnished at the low price of $2.50 per annum payable in advance.

The publishers respectfully solicit for the NEWS the assistance of every one desirous of circulating a newspaper whose views are progressive, whose aim is to preserve the rights of the people intact and their liberties inviolate and whose desire is to furnish correct and reliable information on all questions

☞ Communications on all subjects to be addressed to the editor of the News

☞ Specimen copies of either TRI WEEKLY or WEEKLY EDITION sent on application
