More Dogs than We Wanted.

[By Max Adeler.]

An editor in Reading advertised the other day that he "would take a good dog in payment of one year's subscription" for his paper. The next day after when the news had spread out in the country, 400 farmers had sent two dogs apiece by express, with eight baskets full of puppies, all marked C. O. D. In the meantime, the offer found its way into neighboring States, and before the end of the week there were 3,000 dogs tied up with ropes in the editor's front and back yards. The assortment included all the kinds, from blood hounds down to poodles.

A few hundred broke loose and swarmed on the stairways and in the entries, and stood outside the sanctum and howled, and had fights, and sniffed under the crack of the door as if they were hungry for some editor. And the editor climbed out the window, up the waterspout, and out on the comb of the roof and wept. There was no issue of the paper for six days, and the only way the friends of the eminent journalist could feed him was by sending lunch up to him in balloons. At last somebody bought a barrel of arsenic and three tons of beef, and poisoned the dogs; and the editor came down only to find on his desk a bill from the Mayor for $8,000, being the musical tax on dogs at $1 per head. He is not offering the same inducements to subscribers now, and he doesn't want a dog.

BY-LAW NO. 6 FOR 1876,

OF THE TOWN OF GODERICH, TO RAISE BY WAY OF LOAN UPON DEBENTURES THE SUM OF $6,000, FOR THE PURPOSE OF ACQUIRING CERTAIN LANDS HEREINAFTER PARTICULARLY DESCRIBED FOR THE PURPOSE OF A PUBLIC PARK.

Whereas it is desirable, and the corporation of the Town of Goderich has resolved to acquire by purchase certain lands situate in the said Town of Goderich, for the purpose of a Public Park, which said lands are more particularly described in a survey made by Thomas Westbrook, Esq., P.L.S., as follows:

Commencing at a post on the North Boundary of said street, said post being due west on Buchanan street and 33 feet and 3 inches (33 feet 3 in.) from the intersection of lot two (2) Range Westbrook, along the Northern limit of Harbor street seven hundred and sixteen and a half (716½) feet more or less to the Southeast angle of Harbor Lot 1042; thence due north twelve degrees and a half east along the easterly limit of said lot 1042, ten hundred feet; thence northeasterly following the southerly side of railway property four hundred and seventy-two (472) feet (thence northeasterly (parallel to the westerly boundary of the Widder property) one hundred and seventy-six (176) feet more or less to the centre of a locust tree on the top of bank; thence due north four and a half degrees west one hundred and thirty-six (136) feet; thence due north thirty-seven degrees east two hundred and sixty (260) feet to the place of beginning.

The whole containing an area of three acres, two roods and twenty-eight perches (3a. 2r. 28p.) more or less.

And whereas to carry into effect the above recited object, it is necessary for the said corporation of the Town of Goderich to raise the sum of six thousand dollars in the manner hereinafter mentioned;

And whereas the amount of the whole rateable property of the said Town of Goderich, irrespective of any future increase in the same, and irrespective of any income to be derived from the temporary investment of the Sinking Fund hereinafter mentioned or any part thereof according to the last revised assessment roll is for the year One Thousand Eight Hundred and Seventy-Six, was one million one hundred and five thousand four hundred and sixty dollars (1,105,460).

And whereas the amount of the existing debt of the said Town of Goderich is the sum of sixty-three thousand and five hundred dollars for principal and no principal or interest in arrear.

And whereas it will require the sum of three hundred and sixty dollars to be raised annually for the payment of the interest on the said sum of six thousand dollars at the rate of six per cent. per annum, and also the sum of three hundred dollars to be raised annually for the purpose of a sinking fund as also hereinafter mentioned, making a total amount of six hundred and sixty dollars to be raised annually in each year for the purpose of paying the said debt and interest.

And whereas for paying the interest and creating an equal annual sinking fund for paying the said sum of six thousand dollars and interest as hereinafter mentioned, it will require an equal annual special rate of six-tenths of a mill in the dollar in addition to all other rates and taxes to be levied in each year.

Be it therefore enacted by the Corporation of the Town of Goderich, in the County of Huron as follows:

1st. That it shall and may be lawful for the said Corporation of the said Town of Goderich to acquire by purchase the lands herein before particularly described for the purpose of a public park pursuant to the statute in such case made and provided, for the sum of six thousand dollars.

2d. That it shall and may be lawful for the Mayor of the said Corporation to enter into all necessary contracts in the name of the said Corporation for the purchase of the said lands for the purposes aforesaid, and to affix the corporate seal of the said Corporation thereon, and to accept and receive delivery of all necessary deeds of conveyance of the said lands for and on behalf of the said Corporation.

3d. That it shall be lawful for the Mayor of the said Corporation to raise by way of loan, from any person or persons, body or bodies corporate, who may be willing to advance the sum upon the credit of the debentures hereinafter mentioned, a sum not exceeding in the whole of six thousand dollars, and upon the said sum being raised he shall cause the same to be paid into the hands of the Treasurer of the said Corporation for the purpose and with the object above recited.

4th. That it shall be lawful for the said Mayor to cause any number of debentures, to be made for such sums of money as may be required, not less than one hundred dollars each and not exceeding in the whole, six thousand dollars; and that the said debentures shall be sealed with the seal of the said Corporation and be signed by the said Mayor and countersigned by the Treasurer of the said Corporation.

5th. That the said debentures shall be made payable in twenty years from the day hereinafter mentioned for this By-law to take effect at the office of the Treasurer of the said Corporation, and shall have attached to them coupons for the payment of the interest, annually signed by the said Mayor and Treasurer.

6th. That the debentures and coupons shall be made out in the currency of this Dominion, so that the whole amount shall not exceed the before mentioned sum of six thousand dollars, and they shall bear interest at the rate of six per cent. per annum, which interest shall be payable on the first day of February, in each and every year during the continuance of the said debentures, at the office of the Treasurer or the said Corporation.

7th. That for the purpose of forming a sinking fund and for the payment of the said debentures and the interest at the rate aforesaid to become due thereon an equal special rate per annum of six-tenths of a mill in the dollar shall in addition to all other rates and taxes be raised, levied and collected in each year upon all the rateable property within the said Town of Goderich, during the continuance of the said debentures or any of them.

8th. That this By-law shall take effect and come into force upon the Thirtieth day of December, One Thousand Eight Hundred and Seventy-Six.

And be it further enacted that on the Ninth day of December, 1876, at ten o'clock in the forenoon, at the office of the Clerk of the said Corporation, the Mayor of the said Corporation will appoint persons to attend at the various polling places hereinafter mentioned, and at the final summing up of the votes by the Clerk respectively on behalf of the persons interested in and promoting or opposing the passage of the by-law respectively and that the votes of the ratepayers entitled to vote on said By-law shall be taken on the said proposed By-law at the places at which the last Municipal Elections were held as follows: in subdivision number one, in a shop on lot 124, Kingston street, James Addison Returning Officer; in subdivision number two, in John Stewart's Auction room, on Kingston street, John Stewart Returning Officer; in subdivision number three, in the Firemans' Hall, East street, Stephen Yates Returning Officer; in subdivision number four in John Pasmore's waggon shop, Thos. B. VanEvery Returning Officer; in subdivision number five, in Daniel Gordon's cabinet shop, West street, Daniel Gordon Return ng Officer; in subdivision number six in Eric McKay's cabinet shop, West street, Eric McKay Returning Officer; in subdivision number seven, in Luke Ellard's paint shop, Brittania Road, Edward Robertson Returning Officer, on Friday the Fifteenth day of December next, commencing at the hour of nine of the clock in the forenoon and closing at five of the clock in the afternoon of the same day, and that on the 18th day of December, 1876, at ten o'clock in the forenoon the Clerk of the said Corporation will, at his office in the Town of Goderich aforesaid, sum up the number of votes given for and against this By-law.

TAKE NOTICE.

CATARRH.

Five Years' Sickness Cured by Four Bottles of Constitutional Catarrh Remedy.

Pain in Shoulders, Back and Lungs, an Droppings in Throat Disappear.

ST. ARMAND, P. Q. Sept. 12, 1876.

MR. T. A. SLOCUM.

Dear Sir—Feeling desirous that others may know something of the merits of your CONSTITUTIONAL CATARRH REMEDY, I wish to inform you what it has done for me. I am twenty-nine years old, had been out of health for about five years. I had employed three or four different doctors, and tried various patent medicines without receiving any permanent benefit, but continued rather to grow worse, until last fall, when I had become so bad as to be unable to do an hour's work at a time. Had severe soreness and pain under the shoulder blades and through the shoulders, with very lame back, and a feeling in my right lung as though there was a weight bearing it down, with continual dropping in the throat and down upon the lungs. Such was my condition when I commenced to take your Catarrh Remedy, one bottle of which eased my pains and gave me an improved appetite, and after taking four bottles I was restored to health so as to be able to endure hard and continued labor, such as chopping and clearing land, at which I have been engaged the past season. My recovery I attribute solely, with God's blessing, to the use of your Catarrh Remedy.

Yours truly HENRY SNIDER,

Price $1 per bottle. For sale by all Druggists.

Ayer's Sarsaparilla

For Scrofula, and all manifestations of disease, Erysipelas, Rose, or St. Anthony's Fire, Eruptions and Pimples, diseases of the skin, Ulcerations of the Liver, Stomach, Kidneys, Lungs, Pimples, Pustules, Boils, Blotches, Tumors, Tetter, Salt Rheum, Scald Head, Ringworm, Ulcers, Sores, Rheumatism, Neuralgia, Pain in the Bones, Side and Head, Female Weakness, Sterility, Leucorrhœa, arising from latent scrofulous, and Uterine disease, Syphilitic and Mercurial diseases, Dropsy, Dyspepsia, Emaciation, General Debility, and for Purifying the Blood.

This Sarsaparilla is a combination of vegetable alteratives—Stillingia, Mandrake, Yellow Dock—with the Iodides of Potassium and Iron, and is the most efficacious medicine yet known for the diseases it is intended to cure.

Its ingredients are so skilfully combined, that the full alterative effect of each is secured, and while it is so mild as to be harmless even to children, it is still so effectual as to purge out from the system those impurities and corruptions which develop into loathsome disease.

The reputation it enjoys is derived from its cures, and the confidence which prominent physicians all over the country repose in it, prove their experience of its usefulness.

Certificates attesting its virtues have accumulated, and are constantly being received, and as many of these cases are publicly known, they furnish convincing evidence of the superiority of this Sarsaparilla over every other alterative medicine. So generally is its superiority to any other medicine known, that we need do no more than to assure the public that the best qualities it has ever possessed are strictly maintained.
