TECUMSEHS NEED POLICE PROTECTION

A Squad of Berlin Roughs Mauled Our Hopes Most Dreadfully.

RICH, SILCOX AND WILTSE

Use Best Spellbinders Without Effect, While Chaput Goes Easily—Score 16 to 2.

Berlin 16, London 2.

And in the presence of our Port Huron guests. Eleven of our hirelings, captained by a real honest to goodness citizen, Joseph J. Keenan, and led into ambush by one Unhappy Pich, who later yielded his position to Silcox, brought the great old fighting name of Tecumseh lower than a snake's vest buttons at the ball yard yesterday afternoon, and before the tragic occurrences were concluded the league leaders had so completely demonstrated their superiority over those who receive substantial remuneration for bearing our name in the Canadian League conflicts that there were few fans in the cushions or bleachers who would not have traded the whole outfit for a restaurant egg, and strangled it.

The exhibition which, it may be stated opened in a very satisfactory manner, was wholly devoid of interest after the second session in which the visitors piled up six counts, distancing their pursuers and rapping the pill until the smacking resembled the sound of a lath in a cart wheel.

Rich's Arm Bad.

Rich, however, may have some excuse, as it is claimed by his friends, that he has had his salary arm examined by a person of a medical turn who gave it as his opinion that the necessary lubrication was lacking at the heaving joint. If this is the case he should take a prolonged rest, as he is doing the double damage of injuring his reputation and spoiling our chances in the pennant race. He was wild and ineffective yesterday afternoon, and when he had demonstrated that he could not get them across, Silcox was sent to the rescue. There were then seven hits and nine runs on the score sheet, so the task of redeeming the battle was not one to which any well-regulated person would take a notion.

Wiltse's First Efforts.

While not as bad as his predecessor Silcox showed that he was not the man to stop the smashing of Deneau's Dubs, and when the matter was absolutely beyond control Keenan responded to the call of the bugs and sent Wiltse, the latest addition to the twirling staff, to the mound for a try-out. The first couple of balls he heaved across the pan were rapped for further orders, but through a little bucking in the outfield his record shows but two safe hits in the pair of sessions in which he figured.

He used practically no curves and devoted his attention to slow stuff. He had ridden a train practically all night, and was in no position to show his best, but upon his next appearance when he will start with a clean sheet he may be able to prove his worth.

No, Not Yesterday.

The fans were anxious for the blood of Chaput, Deneau's star heaver, but as one suggested, a scrub nine should have been sent out to draw the claret. While an exposition of the stuff offered will be offensive to most nasal organs, a sample of the punk should be given for the benefit of lovers of Limburger.

Cameron opened the second with a double, Miller followed with a single, and Dunn, who sacrificed, jumped into Bill Lane's vest as the big fellow reached for Rich's bad heave. Chaput fouled out to Lane, who made a beautiful running one-hand catch, one of the few features of the local efforts. Ernie Dinsmore, a London boy singled, counting Cameron and Miller, and Burns repeated for Dunn and Dinsmore. Templin dumped one down in front of Rich, but Happy let it fall behind him as he threw back his arm for the assist to first. Burns started home from third a moment later, and was boxed on the line between Reske and Keenan. He appeared to be all in when the catcher hurled the pill at the score board, and Dunn and Templin went across. This was the result of but four hits, and the kindly assistance of three errors.

Cancella Punk, Indeed.

While the work of the arbiter did not rob London of the game by any means, almost any person could have made as good a showing as Mr. Cancella. His most flagrant deviation from the rules was in the fourth, when Silcox lifted the sphere into deep right field for a three-sack run. The ball, as it bounced, raised a cloud of dust off the chalk mark, but he was called back to try again.

This afternoon they will try their luck against the Dutchmen again, and promise to show the fans a reversal of form such as was displayed at Hamilton on Tuesday.

LEFTY SMITH FANS 18 SETTING LEAGUE RECORD

Brantford Twirler Wins From Hamilton by 10 to 1 Score.

Brantford, Aug. 23.—Lefty Smith struck out eighteen Hamilton batters here today and established a Canadian League record. Smith had seventeen to his credit at the end of the eighth inning, and although Killilea endeavored to stop the record-making stunt in the ninth by bunting, Smith finished him. The fans cheered the performance lustily. Brantford batted two Hamilton pitchers very freely, and won easily by ten to one. Kane and Orcutt featured the game by home run drives. AL. STANLEY IS WINNER

Cops 2:12 Trot in Straight Heats—Two-Year-Old Trot to Buck Leyburn.

Goshen, N.Y., Aug. 23.—The 2:15 pace proved the most interesting feature of the programme for the second day of the Grand Circuit meeting here today. Excellent weather brought out a large crowd. The 2:12 trot went to Al Stanley in three straight heats, while Buck Leyburn captured the two-year-old trot, best two in three, in successive heats.

In the 2:15 pace, which had eleven starters, great interest developed from the first, a sharp contest being set up between Foote Prince, Charley Miller and Babe. Foote Prince and Babe alone started in the sixth and final heat, which was taken by Foote Prince, giving him first, third and fourth money.

During the afternoon, Willie, the champion half-mile trotting stallion, went an exhibition mile in 2:08. Summaries:

COLT KILLED WHEN RACE HORSES MEET

Spellbound Collided With Two-Year-Old at Windsor Track.

Detroit, Aug. 23.—Spellbound, 4-year-old, owned by M. C. Pritchard, while working out at the Windsor racecourse this morning, collided with a two year-old colt that was being schooled to the barrier, and killed it instantly. Spellbound was badly bruised.

The Pritchard thoroughbred was being worked a full mile by a stable boy, in preparation for the Belle Isle Windsor Ferry Company handicap event, the feature of the opening day card of the final summer meeting at Windsor, which starts on Monday.

As Spellbound came rushing down the homestretch the colt left the barrier and ran directly into Spellbound's path. Spellbound and the colt collided. The colt's neck was broken and destroyed instantly. Both riders were thrown, but neither injured. Spellbound walked back to its stable, but the extent of the injuries received will not be known until some time today or tomorrow.

Buy it now. Now is the time to buy a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. It is almost certain to be needed before the summer is over. This remedy has no superior. For sale by all dealers. 6

PHILLIES BEAT PIRATES

Errors in Ninth by Boston Give Reds Game—Superbas Trounce the Cardinals.

New York, Aug. 23.—By defeating New York in the final game of the series here today, Chicago resumed first place in the National League. Richie, who occupied the box when his club lost by a close score on Monday, was sent back against the Giants. He pitchd a strong game and was well supported. Chicago took the lead by finding Wiltse for four singles in the first inning, which, with a base on balls and a wild pitch, netted them three runs. Wiltse steadied down then, but was rapped for four more hits and three more runs in the ninth. Score:

BIG CARS OUT ON ELGIN COURSE IN TRIAL SPINS

De Palma, Mulford, Aitken, Grant, and Other Prominent Drivers Appear.

Elgin, Ill., Aug. 23. — Today's practice on the Elgin course for Friday and Saturday's races brought out all the contestants, and large crowds witnessed the thrilling brushes down the broad homestretch, and at the different turns. Chairman Butler, of the contest board, Starter Fred Wagner and all the local officers, were on the ground looking after various details of the coming contest.

Ralph DePalma had his Simplex in shape again and made 75 miles at an average speed of 62 miles per hour. Ralph Mulford and the big White Lozier, one of the favorites with the practice crowd, was, contrary to his custom, out early, and made 65 miles at an average of 61½ miles per hour, doing one fast turn in 7:18.

Johnny Aitken, in the National, also made one circuit at the same speed, the two fastest laps of the day. Wishart's Simplex met with an accident at the close of a 40-mile try-out, in which he was averaging 68 miles an hour. The flywheel broke into fragments, doing considerable damage to the motor, but it was thought that the car might be ready for the start Saturday.

The Alcos Are Out.

All three Alcos were out and ran in good form, Grant making the fastest team lap at a speed of 64¼ miles per hour. Zengel, the section National driver, did two turns in 7:19 and 7:20, making the fastest time next to Mulford and his teammate, Aitken. Buck, in a Pope-Hartford, made only one round and has done little in practice so far.

The Mercer, Cole, Staver, Abbott-Detroit, Colby, Velie and National cars entered for Friday's light car races, were all out in practice with the big cars. One of the Cole drivers ran into a mail box on the Udina turn and was taken to the field hospital. He was only slightly injured and will be out for practice tomorrow.

Fred Wagner, after seeing today's work-out, predicted the speed of the winner of the high race would exceed 66 miles an hour.

THE TODD FAMILY FIGHT

Electric Beats Gordon in 2:14 Trot—Longworth Is Victor.

Columbus, O., Aug. 23.—There was no stake race carded here this afternoon at the local driving park, the 2:08 trot being the feature race, and this furnished a big upset, although as a race it was nothing to enthuse over. In the other two events on the card, the favorites made good; one of them easily, the other having some trouble, but finally landing. Rain fell during the latter part of the afternoon, but not hard enough to put an end to the racing, although it kept the small crowd of spectators under cover.

MISSING PICTURE STILL IN LOUVRE

Officials Decide Masterpiece Is Hidden in Recesses.

Paris, Aug. 24.—The mystery of the disappearance from the Louvre of Leonardo Da Vinci's great painting, "Mona Lisa," popularly called by the French "La Giaconda," appears more impenetrable than ever tonight. The only thing definitely established by today's investigations is that the picture disappeared between the hours of 7 and 8:30 o'clock Monday morning. Whether it is still in the Louvre or has been taken away it is impossible at present to determine.

The concensus of opinion, however, is that the picture has not left the building, but is hidden in one of the innumerable recesses. All the gatekeepers are positive that no such package as the picture would have made, was taken out of the museum.

Not the faintest clue has been discovered in spite of the united efforts of sixty of the most expert detectives in Paris and all the museum staff. Whether the picture was abstracted by one of several persons also remains in doubt, and M. Lepine, the prefect of police, admits that he is completely baffled. It is one of the hardest cases in the annals of criminal investigation, and the search is being continued with unremitted zeal. To facilitate this the museum will be closed for three days. No one will be admitted on any pretext whatever, except the police and officials.

A council was held in the Louvre this afternoon, those in attendance including M. Steeg, minister of public instruction, M. Dujardin-Beaumetz, under secretary of public instruction and fine arts, M. Lepine, M. Homolle, director of the Louvre Examining Magistrate Drioux, who is charged with the judicial investigation, and the different chiefs of the museum.

Various theories were advanced, weighed and finally rejected for lack of evidence.

LONDON'S GOOD SUPPORT.

Toronto Globe: London is said to be the biggest winner financially in the Canadian League. Hamilton has also done well. Brantford and Guelph have been disappointing, but all of the cities have done exceedingly well for the first year.

The Saginaw team of the South Michigan League has recalled three players from Berlin, of the Canadian League. The check for the players was sent to Berlin yesterday, and if the men are wanted at once the Dutchmen may not have the anticipated cinch in winning the pennant in the new league.

NEW ROAD MARK.

Chicago, Aug. 23.—The record of the Elgin national race course is now 7:10 today, as a result of the marvelous driving of Ralph Mulford in a Lozier in a practice spin. Mulford is one of the army of drivers who is taking preliminary training for the races Friday and Saturday. He lowered the record by two seconds.

SKEETERS TWICE BEATEN BY LEAFS

Jersey City Given a Double Trouncing by Kellyites.

4 TO 1 THE LUCKY SCORE

Providence Easy Picking For the Hustlers—Baltimore Drops a Peg.

Toronto, Aug. 24.—The Kelleyites stung the Skeeters twice in the same place yesterday, and passed Baltimore in the league race. Four to one was the verdict in each case, with Lush and Bachman the winning heavers, and this pair had a little on their opponents in each encounter.

Frill and Lush worked the initial game, but, as usual, the former was gifted with "charities" at different stages, and some of these came home to roost. On the other hand, Lush was invincible after the first inning, and had the visitors eating out of his hand.

Jack Thoney, the former Toronto favorite, received a great ovation from the spectators on his first appearance at the bat, and "The Bullet" showed that he has still a good eye, even if possessing a lame wing, by pounding out a single. Breen dropped a Texas Leaguer over second, and Roach sacrificed. Deininger bounced a bad one down to Bradley, and was thrown out at first, Thoney scoring. This was the Skeeters' only run in the first game.
