LETTER BRINGS FIRST WORD OF IMPRISONMENT

Brief Note From a German Camp Tells of Safety of Missing London Soldier.

OTHER LONDONERS THERE

Officers From This City in the Same Camp as Young Private of 142nd.

Reported as "wounded and missing" on November 12 last, Pte. J. L. V. Arnold, son of Mrs. E. Carney of 129 Clarence street, is a prisoner in German hands.

Since the official word of his wounding had been received from Ottawa, no further information has been forthcoming, in an official way. Three subsequent telegrams from the Canadian director of records have been to the effect that no further trace of the young London soldier has been secured. It remained for a personal letter, mailed from an unknown German prison camp to bring the joyful news to his mother that he was still alive and well.

Pte. J. L. V. Arnold.

Mrs. Carney has been living in hope that the ominous "missing" of the official casualty list would be followed by the report that he was alive even though a prisoner. In spite of the messages from Ottawa, she has clung tenaciously to this report and this morning her hope was rewarded when on the first morning mail delivery she received the censored message from her boy.

In his letter the young Londoner, he is just 20, refers to the fact that in the same camp were officers he knew came from this city.

"This should be cheering news to mothers who have been situated as I have," declared Mrs. Carney to The Advertiser. "I want them all to know it, so that some whose boys have been reported missing, too, will have some assurance of their son's safety."

No Mention of Wounds.

Although the official Canadian report said that Pte. Arnold, who enlisted with the 142nd Battalion here and went to France with a reinforcing draft to the 18th Battalion on September 1 last, had been wounded, he makes no mention of the fact in his letter. He does say that he had been in hospital with "sore feet," but this is all.

Apparently the letter was written shortly after his capture, and subsequent discharge from a German war hospital. He was reported missing on November 12, and the letter is dated nine days later.

Place Blotted Out.

The location of the prison camp is successfully censored by the Germans. It was not only scratched out, but a heavy black paper pasted over. This seems to be the only censor mark on the note, which was written on the regular German form.

The letter itself follows:

Dear Mother,—I am well and being used good, so don't worry. I have met some officers here whom I know come from London, Canada. I expect to be going to the prisoners' Canadian camp in a day or two. I have been in hospital with sore feet, but they are all better now. I wish you would tell all friends and those I know. I would like them to send me a parcel with some tobacco, socks, coffee, etc., as you don't get much here. Mother, please send me a pipe, as I am out of one. Bye-bye.

PTE. J. L. V. ARNOLD,
823204 18th Battalion, Canadians.

CONSTRUCTION MEN SHOW APPRECIATION OF SENIORS' WORK

Make Presentation to Officers and N. C. O.'s.

Before the railway construction men in the draft that went to Hamilton for training Wednesday, departed from their quarters at Carling Heights Camp they presented Major F. J. Mitchell, Capt. F. O. Canfield, Company Sergt.-Major A. W. Hamlin and Sergts. H. G. Erber and W. D. Birch, each with a box of cigars as a small token of the esteem in which they had held the officers and non-commissioned officers during their stay in London.

The following are the men who went from the Forestry and Railway Construction Depot here to the Railway Construction Training Depot at Hamilton: Ptes. Elton Paul Adolph, Harry Freeman Bowen, Morris Grant Brooks, Frank Delbert Carr, John Thomas Cumberworth, Ernest Allen Dougall, Gustav DeDeyn, Daniel Fleming, Chester Arthur Gauld, Michael John Hayes, William Ernest Healey, Louis Andrew Johnson, Charles Henry Ketley, Halmar Edward Lacey, Henry LaRoche, Onil Lohwin, Howard Michael Miller, Jacques Martine, John Modrzynsky, Samuel Modrzynsky, Tilden McKinney, James Crawford McIntosh, Erwin McKinder, Alexander Nadeau, George Martin Prokopp, Earl St. John, Henry Ector Tanguay, David Thomson; Sergt. William Wilson Ward; Ptes. Louis White, Gustaf Adolph Wickstrom, Thos. Whyte, Harry Young.

FORMER LONDON COUPLE HONORED BY FRIENDS

D. J. Dyson Soon oo Celebrate Silver Wedding in Winnipeg.

[Special to The Advertiser.]

Winnipeg, Jan. 16.—A presentation of a cabinet of silver and illuminated address was made to D. J. Dyson by employees of Dyson Company at their annual banquet tonight. The occasion was the approaching silver wedding of Mr. and Mrs. Dyson, January 25. They were married in London, Ont.

REAL BEAUTY SUGGESTS THE USE OF THE NEW "Garden Court" FACE POWDER.

WILL ATTEMPT TO COLLECT FULL SCHOOL TAX, BASED ON CITY ASSESSMENT, IN ANNEX

Move Being Engineered Now To Bring Newly-Added Sections of London Under the Full Tariff Schedule for Educational Purposes.

The annexed district will be asked to pay the school rate, which will be 10 mills, this year, in addition to the 15 mills general rate now paid, according to the terms of agreement with the city.

It is stated at the city hall that plans are on foot to work this out, a demand having been made upon the council to do this. Mayor C. R. Somerville and some of the aldermen are considering the proposition, and something definite will be announced shortly on the question.

According to the agreement with that district, the annexed section was to pay a 15-mill tax rate on the assessment of 1911 made by the townships of London and Westminster. The contention is that this does not include the school rate, which must be paid by all property-owners, not on any assessment fixed by a township or municipality at any time, but on the figures of the assessment commissioner for the year in which the assessment was made.

For instance, some of the manufacturing concerns enjoying a fixed assessment, pay school rates on a valuation fixed by Stephen Grant, the assessment commissioner. This is the law, it is claimed at the city hall, and officials are insisting that this be enforced so far as the annexed district is concerned.

The contention is that the annexed district is enjoying a fixed assessment and a fixed rate. It is agreed that this cannot be altered. However, the annexed district must pay school rates on Assessment Commissioner Grant's valuation, in addition to the fixed rate already enjoyed.

This is quite an intricate question, of course, filled with legal technicalities, and full of possibilities for the lawyers. If the annexed district is compelled to pay school rates on the assessment fixed by Mr. Grant, it will mean a largely increased revenue for the board. It is estimated that one firm there would be compelled to pay close to $2,500 in school rates alone. Possibly $25,000 would be obtained in this way.

The council will not accomplish this without a legal battle. Steps are being taken to have a decision on the case. It seems that both sides are anxious to have it settled, as then the people would know exactly what the true state of affairs is.

RESIGNS POST FOLLOWING ROW WITH HIS CHIEF

Head of Provincial Govt. Employment Bureau Here Quits After Altercation.

MINISTER IS APPOINTED

Toronto Man Is Already in Charge of London Branch and Outlines Plans.

John Farrell, head of the local branch of the Ontario Employment Bureau, has handed in his resignation to the superintendent of Provincial Labor Bureau.

The cause for Mr. Farrell's action arose from an altercation with Dr. W. A. Riddell, superintendent of Provincial Labor Bureau.

For the past eight months Mr. Farrell has been in charge of the local employment office, during which he has materially assisted employers and employees alike in the solving of their labor difficulties. For the past fifteen years he has been employed by labor associations, having been in charge of offices in England, United States and Canada. Mr. Farrell is a well known agriculturist of this district, being the owner of a large farm at Forest, where he will in future reside.

Toronto Minister Named.

Rev. W. Miller of Toronto has been appointed to succeed Mr. Farrell as head of the employment office. He is in the city today, and will take over his new duties immediately.

When interviewed by The Advertiser, Mr. Miller outlined his policy. Before the war Mr. Miller was immigration chaplain of the Presbyterian Church at Toronto. He became interested in labor, and its difficulties and was appointed to take charge of one of the Government employment bureaus in Toronto two years ago.

Referring to the work of the local office for the coming months, Mr. Miller said he wished particularly to emphasize the need for farmers of the district to acquaint him with their labor troubles as soon as possible. He expects to contribute to the solving of the labor problem chiefly with the aid of high school boys.

Relies on Boys.

"The results of sending high school boys to work on farms last year was most encouraging," Mr. Miller stated. "In nine cases out of ten the boys made good, and farmers are practically unanimous that their work is every bit as good as that of a hired man. We expect to solve the labor difficulty by sending boys to the farms next spring and summer."

Continuing, Mr. Miller said that arrangements would be made in cooperation with the high schools and Y. M. C. A. to send as many high school boys to farms as possible.

Against Chinese Labor.

The new head of the local employment department is averse to the employment of Chinese labor. He recommends that young girls assist in the work on fruit farms, as the experience in that line last year with girls was most satisfactory.

HURON AND BRUCE IS OPEN AFTER BEING BLOCKED FOUR DAYS

Passenger Trains Are Making Grade Again.

The Huron and Bruce branch of the Grand Trunk, the last of the snow-bound lines to be cleared, was opened through to Wingham at 5 o'clock yesterday afternoon.

The first passenger train over the Bruce since Saturday morning left at 6 o'clock last evening or one hour after the word was received from Wingham that the snowplows that left here Wednesday morning had arrived.

The train reached Wingham at 10:20 o'clock.

The heaviest mail, baggage and express ever taken over this branch was carried on this train.

The snowplows managed to clear the line with some difficulty drifts from 15 to 18 feet being encountered in some places.

The southbound train left Wingham at 7 o'clock this morning and arrived here at noon today.

Trainmen who made the trip to Wingham and return report today that never have they witnessed such huge snowdrifts as those which bank miles of the right-of-way on this popular branch of the Grand Trunk. In some places the drifts run as high as the top of the coaches, and the appearance, to passengers, is practically like passing through a tunnel. An exceptionally heavy mail and express was brought to the city today on the southbound trip.

DEATH OF MRS. MacKENZIE.

The death occurred in this city on Wednesday of Mary Jane Hoare, relict of the late D. G. MacKenzie, ex-county clerk, formerly of Dalmagarry cottage, Hyde Park, Ont. Mrs. MacKenzie was the daughter of the late John Stroud Hoare, Esq., of Adelaide, Ont., and is survived by two daughters, Annie E. graduate nurse, and Agnes of the Bank of British North America staff, this city, and one son, George D.; also by five brothers, Dr. W. W. Hoare, Walkerville, Ont.; William J., Ravine Bank, Sask.; George S., Neodesha, Kan.; Philip E., St. Tamany Parish, La., and J. Stroud, Grants Pass, Oregon.

REV. FATHER FINN—Conductor Paulist Choristers at Winter Garden tonight.

The famous Paulist Choristers of Chicago are now in London, and will present one of their superb concerts at the Princess Winter Garden tonight. The choir, numbering 100 men and boys, will appear in French costumes of grey blue with red trimmings, and will offer our citizens a magnificent program. Go and hear them sing the national hymns of the Allied nations, as they alone can sing them, and listen to the wonderful boy soprano soloists, whose singing has enthralled the vast audiences that have assembled at the choir's concerts in other cities. Please be early.

The Princess Winter Garden will be comfortably heated for this occasion, the fuel consumed being unsuitable for domestic purposes. It is hoped that all intending auditors will secure war tax in advance, thereby relieving congestion in entrance hall. There will be 200 rush seats at 50 cents on sale at 7:30, an announcement that should gladden the hearts of music students. Reserve seat plan at Heintzman's until 5:30 p.m.

SUB-COMMITTEES OF CITY COUNCIL BEING EFFECTUALLY BANNED

Movement to Reinaugurate Them Fails This Year.

There will be no sub-committees of the city council this year, as has been the habit in other years.

It is the intention to have only two committees, No. 1 and No. 2. It is possible that certain questions may be referred to members to report on, but all work must be done by the two committees, which will report to the board of control, and from the latter body to the council.

A movement was on foot to have a number of different committees, in addition to the two main committees, but this will not be carried on.

LONDON NATIVE ON TRIP FOR HIS HEALTH DIES

Ex-Ald. Wyatt of Winnipeg, Is Stricken.

Winnipeg, Jan. 16.—The death at Minneapolis last night of ex-Ald. Wyatt, for four years a resident of Winnipeg, while en route to California for his health is shock to citizens. He dropped dead in elevator in Great Northern depot.

Mr. Wyatt was born in London, Ont., on January 16, 1851. He received his education in the public schools of London and after finishing his studies started to learn the tinsmithing trade with the McClary Manufacturing Company, with whom he remained ten years.

He came to Winnipeg as representative of the McClary Company in 1878, but went into business for himself three years later. He leaves his widow, four daughters; also two sons, one being Robert C. Wyatt, who is serving in France.

FAT REDUCTION IS NOT SINFUL

The purpose of Beauty is to refine the native uncouthness of human nature. We all bow to its power. It is the only autocracy that has no nihilist shadow. Alas! this means the fat woman must serve instead of rule, for beauty in woman is a composite of both line and feature.

Thousands of fat women are beautiful of face. But they lag behind in the race for preference—because a too ponderous outline dashes the favor their face has gained them.

Now, pretty fat women can reduce that fat (not the good pure-lined flesh) in a very simple way. No exercise—no dieting is necessary. Let them take one Marmola Prescription Tablet after each meal and at bedtime for a month. The fat will simply fade. No wrinkles or pouches of skin will form, but the loss will be uniform. The fat will go as stealthily as it came; fade away. The health will improve, the eye grow more brilliant, the wit sprightlier. Marmola Tablets are a boon—and harmless (being made from the famous fashionable prescription: ½ oz. Marmola, ¾ oz. Fl. Ex. Cascara Aromatic, 4¾ oz. Peppermint Water), and are likewise cheap, a large case of the druggist, or the Marmola Company, 864 Woodward avenue, Detroit, Mich., costing only seventy-five cents.

USE GARBAGE AS HOG FEED, SAVING COLLECTING COST

Scheme Being Worked Out by Asylum Superintendent and Provincial Secretary.

BIG REDUCTION IF DONE

City, by Following Institution's Example, Could Effect War Economy.

A plan to feed city garbage to hogs is being formulated, and a definite scheme will be announced in a short time.

Dr. W. J. Robinson, superintendent of the Hospital for the Insane, is taking the case up with Hon. W. D. McPherson, provincial secretary, to see if it is feasible.

Ex-Controller R. W. Shaw, who suggested this proposition last year, declares that he had been informed that the problem was being taken up by the gentlemen in question.

"There is no doubt in my mind, nor has there been for some time, that many hogs could be fed on the garbage from the city, and thousands of dollars saved," said Dr. Shaw. "I know of one or two institutions here which have been feeding garbage to hogs for years, and they have made money out of it. The Tecumseh House has been doing it with good results. It is as plain as a pikestaff to me that the city can do the same.

"At the same time, we would be furnishing food for hogs, sorely needed to feed the troops, and we could reduce the cost of collecting it a great deal, a direct saving to the citizens of London. I estimate that it can be collected for about $10,000 a year. I understand that this is being taken up, and I hope that this is so. It would be a good thing for London."

At the city hall, it was stated that the case had been gone into, and that a definite plan would be forthcoming soon.

DRUGLESS DOCTORS HOLD CONVENTION IN LONDON TODAY

Leaders Are Here From All Over the Dominion.

The drugless physicians of Canada are meeting this afternoon in convention at the Tecumseh House, when it is expected delegates will be in attendance from a number of points in Ontario. General business will be transacted and questions of a technical nature taken up. Dr. R. C. Best of Ingersoll is president, and Dr. A. W. Macfie of this city secretary. Among other prominent members are Doctors Dunn, Woodstock; Williams, Toronto; Ward, Toronto; Henderson, Hamilton; R. C. Barkile, London; Catora, London, and Dempster, Exeter.

The election of officers for the coming year will take place.

One-Quarter Million Dollars

BUSINESS IN 1918

Two weeks ago Standard Drug Stores announced this amount of business as our aim for 1918, stating that if 1918 shows the same increase as 1917, our object would be attained. We realize that in view of the present conditions it may be difficult to equal these records in 1918, but with bigger bargains, along with your continued co-operation, we see no reason for doubting our success. These amazing figures mean turning our stocks over many times a year, always assuring you of fresh merchandise. No shop-worn goods. They also mean a saving of thousands of dollars to our customers, and that is what most interests you during these times of the rising cost of living. OUR SLOGAN—

"STANDARD DRUG STORES SAVE YOU MONEY"
