Trevelyan, secretary for Scotland, inspect the Saltcoats crofter settlement in the North-west, whence complaints have arisen. Sir Chas. Tupper makes the statement that apart from this duty, his visit to Canada is of a holiday nature. The high commissioner states that he has many friends and relatives in Canada, and he intends to visit them.

— A party of Harvard students who are now enjoying an outing in the vicinity of Temiscouata Lake, Madawaska, recently killed a large bear—one of the largest seen in that region for many years. A Fredericton gentleman, who returned from a fishing trip on the Upper St. John a few days ago, said he was much amused at the attempt of the students to smoke the bear's hams, so as to carry them back to Harvard as substantial proof of their prowess as hunters. The Fredericton man has also a dead bear to his credit.—*Sun.*

— Some boys went into a large shed on North George street, Halifax, Tuesday afternoon, in which was stored fifty tons of straw, and lit their pipes. This shed was surrounded by piles of lumber and shingles. A few minutes later the shed was in a blaze. The fire spread with great rapidity and in less than half an hour one hundred thousand feet of lumber, five hundred thousand shingles, eight dwellings and two barns on Charles and John streets were destroyed. The loss is $20,000 and the insurance $10,000. John Davis loses $3,000 on the lumber and his stores. The insurance on two of the destroyed houses owned by the Misses Landells was allowed to lapse a few days ago. They thus lose all the property they have in the world.

— Judge Johnston, of Halifax, has recently decided against the right of the Canadian Parliament to pass laws for confiscating fishing nets and authorizing their officials to enter private lands. CANAVAN.—At Windsor, N. S., on 23rd ult., James Canavan, aged 72 years, leaving a wife and eight children. He was for many years a faithful member of the church at Rawdon, where he was highly esteemed; as he was also in Windsor, where his later years were spent.

YOUNG.—At Lake Parel, Kings Co., N. S., July 10, after a lingering illness, Clara Young, in the 18th year of her age. During her sickness she was enabled to yield her heart to her Saviour, and sustained by His grace she passed peacefully away, having the assurance that she was going to be with Christ.

SMITH.—At St. Martins, May 22, after a long illness, G. Nelson Smith, aged 81 years. This brother united with the St. Martins Baptist church some thirty years ago. God's hand was laid so heavily upon him during his years of sickness that his dear ones could not mourn that he was called to the land where pain and weakness are unknown.

SANGSTER.—At New Harbor, June 27, Miss Submit Sangster, in the 81st year of her age. Our sister was a consistent member of the New Harbor Baptist church. She was baptized by Rev. A. H. Porter, March 24, 1862. Her life was spent for the good of others, and God gave to her a beautiful home and kind friends in her old age. "O, fear the Lord, ye His saints: for there is no want to them that fear Him."

ARCHIBALD.—At Earnscliffe Gardens, Wolfville, July 18, of scarlet fever, Pansy, aged 4 years and 4 months, affectionate child of Mr. and Mrs. W. C. Archibald. Eleven years have passed since death entered this home and took two sisters. Many sympathizing letters have been sent in where friends feared to come. To all these for the present we tender the gratitude of sorrowing hearts.

SMITH.—At Lawrence, Mass., Ralph M. Smith, eldest son of Edmund and Sophia Smith, of Nictaux, aged 21 years. Our deceased brother was brought home, and on Sunday, July 16, his relatives and friends met to pay the last tribute of respect. The funeral services were conducted by Pastor Pineo, assisted by the Rev. Mr. Whitman, president of Colby University. Our young brother was baptized by the Rev. John C. Clark, and died in sure and certain hope of a glorious resurrection. May God bless the bereaved parents.

LUNT.—At Lunt's Ferry, York Co., on June 1st, Mabel, eldest daughter of Enoch and Augusta Lunt, aged 15 years and 9 months. Our young sister was a very pious girl, and it had been her desire for more than a year to be baptized and united to the First Kingsclear church, but her friends, fearing she was too young to take such an important step, persuaded her to wait until she was older. In the meantime consumption was doing its deadly work, and her young life was cut off before her wishes could be granted. The stricken and bereaved family deeply regret they kept her back from following her Saviour in His blessed ordinance, although they did it with the best of motives. Her last days on earth were spent in making arrangements for her funeral, inviting her friends to come to Jesus and talking about the heavenly home. The writer attended her funeral, which was held in the Baptist chapel, Lower Kingsclear, and was one of the largest ever witnessed in that place. "Blessed are the dead that die in the Lord."

JACKSON.—On Sunday, July 23, at Sackville, N. S., Mr. William Jackson. Mr. Jackson was a resident of Liverpool, N. S., and for many years a faithful and highly esteemed member of the Baptist church in that town. The last months of his life were spent at the home of his son-in-law, Mr. Webber, of Sackville. The tedious illness which resulted in his death was borne with great patience and resignation to the Divine will. His thoughts appeared to be much upon the Divine mercy, and he spoke of the goodness of God to himself. Mr. Jackson was the possessor of an active mind, and he employed such opportunities as could be snatched from a life of constant toil to gather information on useful subjects. He was a man of industry and integrity, deeply interested in the welfare of his church, and a faithful friend of his pastor. He was also an earnest advocate of temperance reform. Somewhat reserved and silent in disposition, only those best acquainted with him knew the kindliness of his nature. He was beloved by his family and friends. A wife, five daughters and two sons mourn their loss. Though our brother felt and testified that God is good, yet the pilgrim path for him had many shadows. But now the toilsome journey is over. The shadows are left behind. The weary pilgrim has, we trust, entered into rest and light.

THIS WONDERFUL STORY

Was Told Mr. Frank H. Colley,

Local Editor of Age, Belfast, Me.

"For 15 years I have been a sufferer from Salt Rheum of head, with its attendant itching and burning. Crusts 1-8 inch thick would form over my whole scalp, crack and bleed. I also had a general Salt Rheum on my body from which I suffered torture. My food distressed me badly and a severe palpitation of the heart added to my suffering, and unfitted me for labor.

LUCIUS H. DUNCAN,
Chairman of the Board of Selectmen of the town of Northport, Me.; member of Maine Legislature for 1885-86.

Physicians said I had CHRONIC ECZEMA, a BAD HEART TROUBLE, and DYSPEPSIA in a severe form. I used many remedies, but received no permanent relief. After taking 6 bottles of SKODA'S DISCOVERY, with LITTLE TABLETS, and using SKODA'S SOAP and OINTMENT, I find myself perfectly cured. Skilled physicians have examined my heart and pronounce it normal in all its functions."

COMPANY

Was organized in 1870 its entire funds amounted to $6,316, contributed by the policy-holders, who alone constitute the Company.

Since that time it has paid to policy-holders, their heirs and assigns, $1,535,112 07; and now has $2,253,060.00 securely invested as a provision for future payments.

The Entire Profits being divided amongst the policy holders clearly gives them advantages over those offered by other companies. Hence if you want a Life or Endowment policy, examine the "Ontario's" rates and plans.
