Ottawa, 30th April, 1908.

Sir,

With reference to your letter of the 2nd instant, and Voucher No 4075 therewith forwarded amounting to \$900.00 for brood mares supplied to James and George Greyeyes, I have to refer you to official letter of the 31st January last in which you were told that the loans would be made upon the understanding that the Indians would sign an agreement with respect to re-payment, which ~~are~~ agreements should be sent to the Department. These documents have not been received. They should be sent in, as should also the agreement referred to in letter to you of the 26th October. An explanation as to the delay in this latter case should be given.

Your obedient servant.
