GREAT ENGLISH REMEDY!!!—THE MOST VALUABLE SPRING AND SUMMER MEDICINE IN THE WORLD!

HALSEY'S FOREST WINE!
Patronized by the Nobility and Medical Faculty of England, and esteemed the most extraordinary Medicine of the Age.

MEDICINES containing Molasses or Liquorice, like the boasted Sarsaparillas, require many large bottles to produce the slightest change in health. The Forest Wine is altogether a different particular, being entirely free from Syrups to give it consistency, but requires the excellent flavor and powerful medicinal qualities from the vegetable plants of which it is composed. The *Forest Wine* combines the virtues of the

WILD CHERRY, DANDELION, YELLOW DOCK, and SARSAPARILLA.

With other valuable Plants whose properties are still more powerful.

Its high recommendation renders it one of the most efficacious Medicines now in use. Less than a single bottle restores the lingering invalid from weakness, debility, and sickness, to strong and vigorous health. Every dose shows its good effects on the constitution, and improves the state of the health. The *Forest Wine* is recommended, in the strongest terms, for all complaints of the

STOMACH, LIVER, KIDNEYS, NERVOUS DISORDERS, BILIOUS AFFECTIONS, DROPSY, DYSPEPSIA, LOSS OF APPETITE, JAUNDICE, FEMALE COMPLAINTS, SCROFULA, AND ALL DISORDERS ARISING FROM BAD BLOOD AND IMPURE HABIT OF THE SYSTEM.

SAVED FROM DEATH!!!

The testimony of Mr. NATHAN MATHEWS, a highly respectable and wealthy citizen of Newark, N. J.

Dr. G. W. HALSEY:—I believe your Forest Wine and Pills have been the means of saving my life. When I commenced taking them, I had at the point of death with Dropsy, Piles, and Asthma. My Physicians had given me over as past cure, and my family had lost all hope of my recovery. While in this distressed situation, your Forest Wine and Pills were procured for me, and before I had finished the first bottle of the Wine, and box of Pills, I experienced great relief; my body and limbs, which were greatly swollen, become sensibly reduced. Hopes of my recovery began new to revive, and after continuing the use of your medicines for about a month, the Piles and Asthma were completely cured.

The Dropsy, with which my life was placed in such great danger, was also nearly gone. I have continued the use of your Medicines until the present time, and I now enjoy as perfect health as ever I did in my life, although I am more than sixty years of age.

I ascribe my recovery entirely to the use of your excellent Medicines. Several of my neighbors have also used them with similar success in obstinate complaints, and I can cheerfully recommend them to the public.

Yours, respectfully, N. MATHEWS.

Newark, Dec. 19, 1847.

GREAT CURE OF LIVER COMPLAINT OF TEN YEARS STANDING!

NEW YORK, Jan. 9, 1848.

Dr. HALSEY—DEAR SIR,—Having taken your Forest Wine and Pills to remove a disease of the Liver, from which I have suffered severely for upwards of ten years; and, having adhered closely to the directions which accompany the Medicine, I have recovered my health, notwithstanding all who knew me thought my case incurable. Previous to taking the Wine and Pills, I had recourse to the best medical treatment, but continued to grow worse to an alarming degree. Some of my friends spoke despairingly of my case, and tried to persuade me from making use of any advertised remedies; and, I doubt not, but what there are hundreds who are deluded from taking your excellent Medicines, in consequence of the deception and inefficiency of many advertised remedies put forth by unprincipled men, in flaming advertisements. But, what a pity it is that the deception used by others should be the means of disuading many suffering under disease, from making trial and being cured by your excellent remedies. Humanity alone, they have saved my life; when I commenced making use of them, I was in a wretched condition, but began to experience their good effects in less than three days; and, in six weeks from the time I purchased the Medicines, to the great surprise of all my friends, I was entirely cured, and had increased fifteen pounds in weight, having taken one box of the Pills and two bottles of the Wine. Would to God that every poor sufferer would avail himself of the same remedies!

Yours, &c., JAMES WILSON.

Dr. David Marvin, celebrated Practitioner of New York, declared publicly, that one bottle of Halsey's Forest Wine contained in its virtues than twenty of the large bottles of Sarsaparilla. Messrs. J. S. Lampman & Co., the largest and most respectable Druggists in Syracuse, in a letter, says:—"From what they have heard and seen of Halsey's Forest Wine, it is an excellent and good Medicine, and will, undoubtedly, become the leading Medicine of the day." Dr. Mott, of New York, also subscribes to the virtues of Halsey's Forest Wine, by recommending it to many of his Patients.

Fifteen hundred Certificates from Physicians, Clergymen, and individuals of known respectability, have been given, testifying to the great cures made by *Dr. Halsey's Forest Wine and Pills.*" Among them is the cure of Mr. John Symes, of 55th Pearl Street, New York, cured of Affection of the Liver and bad Cough, after having been given over by his Physicians, who pronounced his case incurable Consumption. While Mr. William Bates, Rochester, New York, who had been suffering with Scrofula, or four years standing, cured in less than six weeks time. Mary J. Bates, daughter of the Rev. James R. Brown, of Disease of the Heart and Incipient Consumption. Others of Junction, others of Piles, others of General Debility, others of Gravel, Female Complaints, &c., &c.

ELEGANT AND INVALUABLE ARTICLES FOR THE TOILET.

BOGLE'S HYPERION FLUID,
FOR RESTORING PRESERVING, AND EMBELLISHING THE HAIR.

The following Certificate from Dr. Winslow Lewis, one of the most eminent Physicians of Boston, will show the estimation in which it is held by the scientific and learned, being one only of many similar ones.

BOSTON, Feb. 15, 1847.

Mr. WM. BOGLE,—Sir,—The preparation invented by you for the hair, has been extensively used in my family, and they give it the decided preference over all other compositions of the kind. It invigorates and beautifies the hair, and clears the skin of all impurities, without producing any ultimate deleterious effects, which are so frequently the result of many well-known patented compounds.

WINSLOW LEWIS.

It is an indispensable article for the Ladies, as it keeps the hair in place and curl, and the skin or parting of the hair free from dandruff and scurf. For children, it lays the foundation of a good head of hair.

BOGLE'S AMOLE,
A COMPOUND FOR SHAVING.

This delightful article is totally different and far superior to anything yet invented for shaving. The base of it is derived from the *Amole*, or "soap plant," of California, an article used by the natives of that country for washing; and thus the use of strong alkali, so hurtful to the skin, is avoided. Its vegetable and detergent properties have the purest and most nourishing effects on the skin,—it soothes irritation, and has a fine, thick, creamy lather, which does not dry on the face. It is a decided luxury to be shaved with this incomparable soap. It is done up in elegant style, calculated either for the dressing case of the "rough and ready" traveller, or the toilet of the most fastidious connoisseur.

BALDNESS CURED.

The following is from Sumner F. Barrett, Saratoga Street, East Boston.

EAST BOSTON, Feb. 9, 1847.

Mr. William Bogle,—Dear Sir: For several years past, my wife has been troubled with baldness on the Crown of the head, about six or seven inches in circumference.—After repeated failures of other so-called remedies, and by the advice of friends, she was induced to use your Hyperion as a wash, for the purpose of restoring her lost hair, and I am happy to say that its effect has been to stay the hair to grow all over the part affected. She has used only two bottles, and that very irregularly; had she used it oftener and more regular, I am convinced that the growth of the hair would have been accelerated. I am, Sir, yours respectfully, SUMNER F. BARRETT.

BOGLE'S HEBEAJONA,
FOR REFRESHING AND BEAUTIFYING THE COMPLEXION.

Eradicating Tans, Pimples, and other eruptions of the skin, and rendering it fair, delicate, and blooming. It is equally efficacious in protecting the skin from the hot suns of summer, and freezing blasts of winter, and is the most fragrant, and delicious article to be found at the toilet of fashion.

All the above articles have stood the test of the strictest investigation, and are WARRANTED to CLEAR to anything yet invented.

URQUHART'S
CONCENTRATED COMPOUND DECOCTION,
OR FLUID EXTRACT OF
JAMAICA SARSAPARILLA,
As ordered by the
Pharmacopœa of London College of Physicians.
PREPARED BY
ALEXANDER URQUHART,
AT THE
Medical Hall, 7, Great St. James' Street.

THIS Valuable Preparation has been before the public for many years, during which time it has been extensively used, and has proved eminently successful in all those diseases in which this medicine is prescribed. It is recommended by Physicians of the present day the very best Medicine for re-establishing the constitution after it has undergone the effects of Mercury. In Chronic Rheumatism, the most marked effects have been produced by the use of Sarsaparilla; and its continued use is often attended with improvement of appetite and digestion, increase of strength, the production of a more healthy standard of health, and the alleviation, in some cases, complete disappearance of various morbid symptoms, as Eruptions, Ulcerations, Pains of a Rheumatic character, &c., &c.

Drs. McCulloch, Campbell, McDonald, and Fraser, who have extensively used it in their practice, have kindly favored the Proprietor with the following Certificates:—

ALEX. URQUHART, Esq.,—DEAR SIR,—I have much pleasure in bearing testimony in the faithful manner in which you prepare your Fluid Extract of the Compound Decoction of Sarsaparilla. This I am enabled to do, on account of several of my patients having derived the greatest benefit from its use.

For Constitutional Syphilis and Chronic Rheumatism, I have prescribed it with the most marked effects; I can, therefore, without the least hesitation, recommend this preparation as not possessing all the Medicinal qualities of the Compound Decoction of Sarsaparilla, while it is at the same time more palatable, and less apt to derange the stomach. Your most obedient servant,

W. FRASER, M.D.,
Lecturer on Medical Jurisprudence, McGill College.

Montreal, 4th February, 1847.

MONTREAL, February 10th, 1847.

I hereby certify, that I have employed very extensively the "Fluid Extract of the Compound Decoction of Sarsaparilla," in all those diseases in which that Medicine is usually prescribed, and that I have found it a most valuable preparation. I can, moreover, state, from personal investigation, that the Proprietor uses not only the purest drugs, and bestows the greatest care and attention in the mode of preparing this remedy.

HENRY McCULLOCH, M.D.,
Lecturer Institutes of Medicine, McGill College,
Physician to the Montreal General Hospital.

Mr. URQUHART's Sarsaparilla is the only preparation of this valuable Medicine that I can, with entire confidence, recommend to my patients. H. McCULLOCH, M.D.

Montreal, 10th February, 1847.

DEAR SIR,—I have extensively prescribed your Fluid Extract of Sarsaparilla, and I now no hesitation in recommending it as a valuable preparation for the purpose for which it is intended. Yours, &c., T. CAMPBELL.

RIVIERE DES PRAIRIES, March 1, 1850.

SIR,—Since you are desirous to ascertain the effect which the Waters of the Point du Jour Springs have produced on myself, I must inform you, that I have used them irregularly at their Source, and have found them highly salubrious. I was at the time so affected by the consequences of a severe disease of the Digestive Organs that my Physician judged it right to suspend for a time all active remedies, even for the repression of Dyspepsia and an absolute Retention of the Bowels, under both of which I was suffering severely. He prescribed for my relief the Mineral Waters, and I made use of those of the Point du Jour, as being the nearest. I was at the time so weak, that it was with difficulty I kept myself upright; however, at the expiration of three weeks, I was restored by using the Waters. These Waters are of a gaseous nature, containing a large quantity of saline particles, but very palatable in the taste—taken in a large dose they are strongly laxative, but their purgative properties are counteracted with gripings,—those even who have been using them have not been weakened or enervated in their constitution in consequence; upon the contrary, by using them they find their appetite increased, and their digestion regulated more regular. After a dose of 3 or 4 four glasses, I found that they had the effect of increasing the urinary secretions at first, and that these decreased in the same proportion that the alvine secretions increased. The sensation of the nervous and sanguinary systems were barely moderately stimulated, and, instead of finding myself nervous and sad as I had been during some days before them, I perceived myself involuntarily disposed to pleasure and gaiety. Many who, in the same circumstances, made use of the Waters by the recommendation of Dr. T. S. Hunt, Esq., that Physicians might employ it successfully in the same diseases for which the Plantagenet Waters are so justingly recommended.

Yours, respectfully,
AMABLE SIMARD, M. D.

ST. JOSEPH'S CONVENT, May 14, 1850.

SIR,—I observe with pleasure that the Mineral Waters, at the source at Point du Jour, Parish of the Assomption, L'Assomption) are acquiring the celebrity they deserve. I, for myself, who am, perhaps, one of the first that alluded to them in the newspapers, in the year 1845, can testify, that since then I have had occasion to try various Mineral Waters, nevertheless I have never doubted that the preference must be given to those of Point du Jour—having myself had much experience.

J. M. BELLANGER, Priest.

Agents for Montreal:—Dr. Picault, 36, Notre Dame Street, corner of Bonaccours Street; Benjamin Workman, Apothecary, corner of St. Paul Street, Custom House Square; O. Lafaiberte, corner of St. Catherine and Visitation Streets.

The Proprietors have their Depot established at No. 6, Jacques Cartier Place, next door to the Hotel of Serafino Giraldi, Esq. The distance for conveying the Waters to the Depot is so trifling that we are enabled to have a constant supply fresh, and are consequently in possession of a better market than any other person. Price 7½d. per gallon, and 2s. the dozen (in bottles.) Sick persons, unable to pay for it, can have some *gratuitously* producing a certificate from their Physician, since we are unwilling that any should be deprived of these healing and wonderful Waters, prepared by Providence for his creatures, which are apparently designed for the alleviation and cure of many protracted and dangerous diseases.

IMPORTANT TESTIMONIALS.

Copy of a letter from "COLONEL HAWKER," (the well known Author on "GUNS & SHOOTING,") Longparish House, near Whitchurch, Hants October 21st, 1846.

SIR,—I cannot resist informing you of the extraordinary effect that I have experienced by taking only a few of your LOZENGES. I had a cough for several weeks, that denied all that had been prescribed for me; and yet I got completely rid of it by taking about half a small box of your Lozenges, which I find are the only ones that relieve the cough without deranging the stomach or digestive organs.

I am, Sir, your humble servant,
P. HAWKER.

ANOTHER INSTANCE OF THE GOOD EFFECTS OF KEATING'S COUGH LOZENGES, UPWARDS OF TWENTY-ONE YEARS' STANDING.

LIVERPOOL, 6, Bold Place, Jan. 26, 1843.

MY DEAR SIR,—I have great pleasure in informing you that my wife has received great benefit from the use of Keating's Cough Lozenges, you recommended her a short time since. Previous to this she had been troubled with a severe cough, and was under some of our first medical men here without experiencing any relief; however, Keating's Lozenges have done wonders.

With respects, believe me, your's faithfully,
THOS. MAYOR.

RESTORATION OF VOICE BY KEATING'S COUGH LOZENGES.

GLASGOW, 12th January, 1847.

SIR,—I have great pleasure in informing you of the great good your excellent COUGH LOZENGES have done me. In December, 1845, I caught a severe cold from riding two or three miles, one very wet night, which settled in my lungs, and quite took away my voice, so that I could not speak above a whisper from that time until December last. I tried all kinds of medicines, but they were of no avail. I was then advised to try your Lozenges, which I did only to please my friends; but before I had finished a 2s. 9d. tin, my voice, to my great joy, came back as strong as ever.

I am, Sir, your's respectfully,
JAMES MARTIN.

COFFEE, which makes the politician wise,
And see thro' all things with his half shut eyes.

THE VALUABLE PROPERTIES OF COFFEE.—*Lord Bacon* says, "It comforteth the brain, and helpeth the digestion." Many other writers, both French and English, describe its valuable properties. They say it relieves headache; and Doctor *Tissotin*, in his Lectures on Botany, says, "These persons who regularly drink Coffee, can never be subject to putrid fever; in fact, a cup of good COFFEE exhilirates the mental and bodily faculties, and nothing can be more refreshing to the man who studies, or the laborious mechanic."

Admitting that the important qualities described in the above quotations are contained in *Good Coffee*, it is then of paramount importance to the public of Canada to know where they can obtain the article in the most pure and best prepared state, and as there can be no doubt that to secure the ESSENCE of COFFEE in the highest state of perfection, the Berry must be carefully roasted and Roasting and Grinding of Coffee.

S. C. ROASTS his Coffee by STEAM, by which is acquired a desideratum which before was much needed by the COFFEE DRINKER. No smut from smoke; a perfect evenness of roast is peculiar cleanliness in the operation; and, in fact, the complete success of this process, the what constitutes the complete success of the process, the entire preservation of the AROMA, in which the strength, fragrance, and flavor of the Berry are concentrated.—Prices: 1s., 1s. 3d., and 1s. 6d., per lb.
