THE HERD WAS SO EASY TORONTO TRIMMED BISONS

Punk Play by Would-Be Pennant Winners—Montreal, Baltimore and Jersey City Won.

Toronto had no trouble in trouncing the Excuse Makers from Buffalo, and the difference between them now is only four in games won. Montreal beat Newark, Baltimore was one ahead of Rochester and Jersey City outpointed Providence, leaving the record this morning as follows:

	Won.	Lost.	P.C.
Jersey City	77	30	.720
Buffalo	68	32	.680
Toronto	64	42	.604
Newark	64	48	.571
Baltimore	59	45	.567
Montreal	32	74	.302
Providence	32	77	.294
Rochester	31	79	.282

Games to-day: Buffalo at Toronto, Rochester at Baltimore, Montreal at Newark, Providence at Jersey City.

Toronto 8, Buffalo 4.

Stallings' lungling bluffers from Buffalo gave a most amusing entertainment to the baseball public yesterday afternoon at Diamond Park, when the Torontos easily turned them down, to the tune of 8 to 4. A woful change has been wrought in the formerly heavy-hitting chesty Bisons, and they served up a sorry exhibition of their national game. The loss of Gettman, Grimshaw, Laporte and Shaw thru injuries has turned a comparatively strong team into an extraordinarily weak one, and dumb playing was so conspicuous that the Torontos did not have to exert themselves to win. The once mighty Milligan proved an easy mark for the home players, who secured 12 clean hits, two of them triples, scoring regularly thruout the game. The support given him was very ragged, and several runs were tallied after the side should have been retired. Mills was on the rubber for Toronto, and, after starting out very strongly, eased up after the third innings. However, spectacular work in the field by the locals spoiled Buffalo's chances of running up the score, and at no stage of the game was the issue in doubt. It was a great game for the fans, who lost no opportunity of serving out roasts to the Stallings outfit at every turn.

Toronto started out to score in the first innings. With one out, Wiedensaul singled, and Kuhns walked; White struck out, but Hartman did not wake up quickly enough to catch Luskey's throw to third, to intercept Downey, who made the first tally. In the second, hits came fast. Massey, Mills and Miller singled, and Fuller banged out one for two bases, and two runs came in. Wiedensaul attempted to bunt, and sent up a pop fly to Milligan, who threw Mills out at second. A charity and Miller's third base hit added one in the fourth, and Hartman's bad throw to first and Massey's single scored Bruce in the fifth. In the seventh, White singled, but was forced by Bruce. Massey's corking triple brought in a run; then, after Fuller got a base on balls, the two runners attempted to steal, and Luskey threw to third, Massey crossing the plate before the ball could be returned. Buffalo scored two in the fourth, on two singles, a base on balls and a sacrifice, and tallied another in the following innings, on two singles and an outfield fly. They scored the last one on a charity and McIntyre's double. Massey, Miller and McIntyre were best at bat, while Bruce, Wiedensaul and Miller all did phenomenal work in the field. Score:

Timely Batting by Leaders

Jersey City, Sept. 3.—Jersey City's timely batting, combined with Providence's errors, enabled them to win over the visitors. Providence, Sept. 3.—The Roger Williams $10,000 stake for 2.14 trotters was the feature of the third day's racing in the Grand Circuit meeting at Narragansett Park th's afternoon. Billy Buck carried off the big purse, winning in three straight heats. There was an attendance of 12,000 persons. In the field of 11 starters, Jay McGregor had the pole. The horses went to the three-quarter pole with McGregor in the lead, and the nbegan a battle royal down the stretch. Billy Buck drew steadily out of the bunch, headed the leader when within 200 yards of the finish and captured the heat by a narrow margin, in 2.08¾. He took the lead in the second heat, and found it comparatively easy to maintain that position thru the mile, winning by a length handily. For more than half a mile in the final heat, the field held together so closely that the horses could hardly be distinguished. On the turn into the stretch, Jay McGregor rushed out of the bunch, but Billy Buck won by a nose. Trilby Direct won the 2.15 pace easily, after losing the first heat. Sensational finishes marked the 2.08 pace, which had 12 starters, with Albock favorite. Locanda fought gallantly from wire to wire in the first heat with Louis G., and won, but in the next he was given tenth place for running. Albert G. finishing in the lead. London Rugby Club.

London, Sept. 3.—The first turn of the wheel for senior football in London was given to-night, when an enthusiastic meeting of players and men interested in the game was held at the Tecumseh House. It was agreed upon to enter a senior in the O.R.F.U., and it is altogether likely that a junior team will also be brought to the front. There is plenty of material, and a successful season seems assured. The following efficient staff of officers was elected: President, George B. Gerrard; vice-president, William Meredith; treasurer, Dr. George Clark; secretary, Bert Beal; Executive Committee, Messrs. D. McLaren, Jack Hobbs, Walter Little, Dr. Crawford; representative to the O.R.F.U., Walter Little. Ed. Struthers, who was president last year, was elected manager, but has not finally accepted.

Broadview Football Club.

A rousing reorganization meeting of the Broadview intermediate football team was held last night in the club house. The prospects for the intermediate team this season are of the brightest, as all the old players are in line and also an abundance of new material.

The team will hold its initial practice Saturday afternoon at 5 o'clock. Practice nights each week are Mondays, Tuesdays and Thursdays.

Arrangements are being made to have electric lights installed for night practices, commencing Tuesday of next week.

The team chose as its officers J. B. Gould manager, and F. L. Summerhayes as secretary. The office of captain was left over till the next meeting. As the grounds this year are in splendid condition, first-class facilities will be afforded for practice. Any players wishing to connect themselves with the Broadviews this fall will be made welcome at Saturday's practice.

Orton Harriers Have a Run.

The Orton Harrier Club met at the "Pines" for the first run of the season yesterday. There was a fairly numerous turnout and the work was very satisfactory for a first effort. About 4½ miles was covered at a good round pace and, notwithstanding the early date, all the runners arrived from their spin in good condition. Altogether the prospects of the club are excellent, several new members displaying considerable promise. Many club fixtures are being arranged and the season is likely to be a busy one. On their return, after the usual restorative ceremonies, the whole company sat down to an excellent supper and disserted after an hour of social intercourse, in which some members displayed a wit as nimble as their heels.

Hurrah! Yacht Race Over Reliance Won in Bad Fog

After Four Futile Attempts Final Race is Decided and the Yachting World is Relieved—Shamrock, Miles Behind, Did Not Finish.

New York, Sept. 3.—The Reliance, the American cup defender, to-day won the third and final race and the series for the America's Cup, in a dense fog, which prevented vision beyond 200 yards. She finished the race at 5.30.02. Shamrock III., after running for more than an hour in the fog, missed the finish line, passed by it and then returned to it from the opposite direction. As the Reliance was then being towed thru the fleet, the Shamrock did not cross the finish line.

This successful result was achieved only after four futile attempts to sail off the final race, and after the outcome had been admitted by even Sir Thomas Lipton to be a foregone conclusion. To-day's race was the eighth attempt to sail a race. After one fluke the Reliance won the two following contests, one by seven minutes and three seconds, and the other by one minute and nineteen seconds. A week ago to-day the first attempt to sail the third race failed, and attempts have been made every day this week. On two occasions the Reliance led the Shamrock to the finish line by about two miles, but failed to reach it before the expiration of the time limit of five and a half hours.

Rarely, if ever, has there been a more spectacular finish than the Reliance's to-day.

After sailing for more than an hour at terrific speed thru a blinding fog, the Reliance burst thru the wall of mist upon the view of the spectators on the fleet assembled at the finish line, and heeling under a great bellying balloon jib topsail under which her lee rail was awash, fled across the finish line almost before the spectators could determine for a certainty that it was she. Once more the Scotch skipper had added to the long string of victories in contests for the honored old silver trophy that carries with it the blue ribbon of the sea.

A fleet of less than 30 vessels went down to the familiar waters of the international course to witness this fifth effort of the Reliance to cover the course of thirty miles within the time limit. It had become a race of the American boat against time, instead of a contest of two well-matched craft. When they reached the lightship a gentle southeast wind of five knots, that barely wrinkled the surface of the sea, gave but faint promise that this was to be the final day, but a shift of the wind to the south shortly after noon revived the despairing hopes of the yachtsmen, for it blew away the mist haze which had been hanging over the course since the easterly storm of last week.
