F. S. KELLY IN RECORD TIME WON THE DIAMOND SCULLS

Leanders Beat Belgians for Grand Challenge Cup—Henley Records.

London, July 6.—F. S. Kelly of Oxford easily beat H. T. Blackstaffe of the Vesta for the Diamond Sculls in 8 minutes 10 seconds, which establishes a new record for the course.

The Leanders, who yesterday defeated the Vespers of Philadelphia, won the final heat to-day in the contest for the Grand Challenge Cup by defeating the Belgian crew 2½ lengths in the splendid time of 6 minutes 56 seconds. This is five seconds better than yesterday and is only five seconds outside the record.

Eton again carried off the ladies' plate, defeating Christ's College, Cambridge, by a length. Time 7 minutes 12 seconds.

Riflemen at Bisley.

Bisley Camp, Eng., July 6.—The match between the 7th Regiment, M.G.S.N.Y., and the Queen's Westminster Volunteers, for the Sir Howard Vincent Shield, began today. The weather conditions were unfavorable, owing to the glare of the sun and a strong gusty wind. The teams, eight men on each side, to-day fired 15 shots each at 500 and 600 yards.

Riflemen from all parts of the world, who are here for the regular Bisley meeting, are showing keen interest in this match.

The Parliament Lacrosse Club requests all players to be at the Union Station at 1.30 o'clock for Oshawa. Game with the Shamrocks of that tawn on Saturday.

Miss Sutton Won Final.

London, July 6.—Miss May Sutton of Pasadena, Cal., won the final in the all-comers ladies' championship at Wimbledon to-day, defeating Miss Wilson, the champion of Kent, 6—3, 8—6. Miss Sutton will now meet Miss Douglas for the championship.

To-day's match proved to be the hardest Miss Sutton had yet struck. There were four deuce games in both sets. The American was tired at the commencement of the second set and the Kentish champion seemed to be winning when Miss Sutton rallied and ultimately won. Her victory was very popular. An enormous gallery witnessed the match and stood up on the stands and roundly cheered the winner.

In the ladies' open doubles, Misses Thomson and Longhurst beat Misses Sutton and Morton, 6—3, 6—3.

Michael McBreny, 155 Bellwoods-avenue, went home last night very intoxicated and proceeded to make "rough house." He first smashed all the available crockery and then turned his attention to his wife and family. The police were called in.

HAMILTON YACHTMEN CONFIDENT.

That Keno Will Win Trial Races From Temeraire and Zoraya.

Naniwa, so J. H. Fearnside has decided, will not be entered in any races with the Toronto cup candidates until July 22, when the regular trial races will be sailed at Toronto. The Naniwa has received a few finishing touches since her initial race with the Keno a few weeks ago, and Hamilton yachtsmen are more confident than ever that she will win the trial races at Toronto.

A Hamilton expert, speaking to The Herald the other night, said that the Toronto boats were somewhat of a mystery to him.

"The Zoraya wins one day," he said, "and the next day, with the condition of the lake and weather very much the same, the Temeraire will win. This goes to show that if Naniwa beats one of the Toronto boats she will beat both, as there seems to be very little difference between them. I believe that Naniwa is the fastest boat on this side of the lake, and altho I did not altogether like the style of the local boat when it was being built, her trial trip convinced me that she is a good one."

It is only a little over a month from now until race day for the Canada's cup. The races will be commenced on Aug. 12 and sailed off Charlotte.

The trophy was won from the Royal Canadian Yacht Club in 1903 by the Rochester organization, the Irondequoit defeating the Strathcona. The boats this year are of smaller type, and they have been built by each side.

The first contest for the cup was an invitation match race given by the Lincoln Park Yacht Club of Chicago, Ill. The boat Canada of the Royal Canadian Yacht Club was victorious, and as holder, the club made the trophy a perpetual one for international competition, naming it after the first winner. The defending yacht in the first struggle was Vencedor. In 1899 the Chicago Yacht Club challenged, trial races being held to select the boat to go after the cup.

The Rochester Yacht Club creation, Genesee, was the lucky one, and succeeded in wresting the trophy from Beaver of the Toronto club. In 1901 Invader, as challenger, succeeded in defeating Cadillac, the American defender, and the trophy took another journey across the lake. In 1903 the Rochester Yacht Club won with the boat Irondequoit from the defending Strathcona, after a most sensational series, in which three straight victories following two defeats saved the day.

Both the defending and challenging clubs are putting in every effort to bring victory in this year's contest. Each side has built three boats from which single representatives must be selected. Trials for the purpose of determining the craft best suited for the work are to be held by the defending organization off Charlotte and by the challengers, beginning July 22, off Toronto.

Of the three boats on the defending side, Rochester, designed by William Gardner of Manhattan, and built by William Miller of Charlotte, is picked by the most conservative Rochester yachtsmen to win the trial series. The Gardner creation is owned by a syndicate of members of the defending club, headed by Thomas P. Pritchard, and has been in the water only a few days.

Iroquois, designed by Charles F. Hetreshoff and built at Lawley's South Boston shops, is the second club craft. She is owned by a syndicate, of which Frank T. Christie is the head, and was shipped to the lakes from Boston on a flat car. Recent reports from Rochester say that there is something wrong with Iroquois. She does not float within many inches of her designed waterline forward, and it is feared additional ballast will affect her promised speed.

Making Things Hum at Gough's.

In another place in this morning's World you get the news of Gough Bros.' big "People's Benefit" sale, and certainly such an announcement is of greater importance and interest to the people of the city—men, women and children—than the fact that Toronto's best Montreal 8—0 yesterday, or that the mutineering warships in the Black Sea are still scouting for provisions and coal—for, after all, what affects people's pockets is what interests them most, and this sale of clothing, furnishings, hats and boots and shoes gets very close to the purse strings. Look up the advertisement and figure yourself or your boy into a new suit of clothes, new shirts, new underwear, new boots, new hats, at prices that, in hardly an instance, represent half the real worth of the goods offered. The sale starts this morning. Everything listed for clearing is serviceable and good, and it's for you to make the most for yourself on such a "People's Benefit" sale as "Gough's" have inaugurated.

3 HITS OFF FALKENBURG BANNONITES GOT NO RUNS

Jersey City Trounced Providence—Bisons Overcame Rochester in 12th.

McCarthy, who won th 18-innings game from Buffalo, seemed easy for the Toronto nine on Thursday, and the Royals were shut out, mainly owing to opportune hitting and Falkenburg's steady twirling. Providence fell down before Jersey City, but rain prevented the Newark-Baltimore game. At Rochester the Bisons put up another good argument, and at the end of a round dozen innings the score stood 5 to 3 for the Bisons. Record:

Jersey City	34	24	.586
Baltimore	34	24	.586
Providence	35	26	.574
Buffalo	31	26	.544
Toronto	29	29	.500
Newark	26	32	.448
Rochester	24	34	.414
Montreal	21	36	.368

Games to-day: Buffalo at Rochester, Newark at Baltimore.

Shut Out Montreal 8 to 0.

The Torontos started off well and counted three in the first, after one was down. Harley singled and Hartman failed to handle Murray's grounder. Soffel's long three-bagger between Meaney and Bannon sent in two. Carr fanned. Magoon was passed and stole second, Soffel scoring on the throw down to Weidensaul. In the fifth four more were added, Falkenburg singled and White sacrificed him to second and was his self safe on first, as big chief Lachance dropped McCarthy's throw. Harley worked four balls and Murray's fast single to left tallied Falkenburg and White. Soffel neatly sacrificed Harley to third and Murray to second. Carr again fanned, but Magoon supplied the needed hit, which tallied two runs, as Meaney in right held let the grounder get thru his legs. In the seventh the last run was counted, Murray again singled, as did Soffel. A double steal was worked and on Buss' throw to second to catch Soffel Murray came home.

Montreal at no stage of the game had a chance to score. Falkenburg was invincible and a hit per inning was the best the easterners could do. Falkenburg had good control and issued but one pass, and that in the ninth. The Toronto willow experts seemed to find McCarthy rather easily. McCarthy, after the first innings, gave up hope and steamed thru straight over as if it made no difference who won.

For Toronto Soffel did the best work with the stick, getting a triple and a single out of three times up. Falkenburg was a good second, securing two singles out of three times at bat. Murray hit well, having two singles in four times at bat. Miller, Joyce and McCarthy divided equally the Royal's three hits.

For Toronto Soffel did the best fielding, accepting eight chances. He also ran bases well. Weidensaul fielded some hard ones over to first. Falkenburg did good execution with his low ball. Hartman especially was unable to get onto it. The score:

Ball Players May Jump.

Harrisburg, July 6.—Judge Weiss to-day dissolved the temporary injunction which had been granted by the Dauphin County Court restraining Pitcher Wiltsee and Outfielder Hayden from playing with the York tri-state baseball team. The two players jumped their Baltimore contracts and the management of the latter organization sought to prevent them from playing with the York team.

The injunction was secured a week ago by the Baltimore Eastern League Club, from which the two players jumped on June 21.

Judge Weiss in his opinion says that "The termination of the relationship with the defendants, unbecoming and unjustifiable as it was, does not beget a situation which would warrant the continuance of the injunction. It would not compel the defendants to return to the service of the complainant. All it would accomplish is their restraint from playing with the York Athletic Association."
