HAASE DUPLICITY REVEALED IN BERLIN

Weimar, Friday, March 28.—(By the Associated Press)—Apropos of Hugo Haase's speech in the National Assembly, urging a restoration of cordial relations between Germany and Russia, the Kruse Zeitung, of Berlin, claims that Haase secretly visited Riga late in 1918 and got into touch with the Bolshevik there. When the Russia Soviet troops were repulsed, and Haase found agents of the Lettish Government on his trail, the newspaper says, Haase disappeared.

The Bolshevik movement was then decided against the Germans, and Haase is alleged to have been helping the Russians, though himself, was a member of the German Government at that time.

CAPT. D. C. MALCOLM ARRIVED SATURDAY

Capt. D. C. Malcolm, M.C., arrived in St. John Saturday morning. Dr. Malcolm enlisted with the 140th Battalion, resigning his position as superintendent at the General Public Hospital to do so. After a short service at Shorncliffe camp he was sent to France to the 3rd McGill Hospital at Boulogne.

He next transferred to the 10th Field Ambulance, and spent fifteen months at the front line with the 2nd C. M. R. Later he was with the 8th Field Ambulance and at headquarters.

Last spring he asked to be transferred from headquarters to the front line and was with the troops that entered Mons last November.

EMPRESS OF BRITAIN DOCKED LAST NIGHT

Had Almost Three Thousand Soldiers on Board Who Will Land This Morning—List Shows 124 Men for This District.

Two days ahead of her expected arrival, the Admiralty ship, Empress of Britain entered the harbor last evening and docked at Berth 6, Sand Point. She has on board around three thousand troops and no dependents. Debarkation will start about eight o'clock this morning and everything is in readiness for a quick clearance. A number of persons visited the docks all through the afternoon and evening, expecting the boat to dock earlier.

As soon as the men for this district disembark, they will proceed direct to the Armories for discharge. There are one hundred and twenty-four men for this district and many in the party are St. John boys.

SAINT MATTHEW'S MEMORIAL SERVICE

Beautiful Memorial Window Unveiled in Douglas Avenue Chruch Yesterday Afternoon in Honor of Young Members Who Paid Supreme Sacrifice.

A memorial service was held yesterday afternoon in St. Matthew's Presbyterian Church, Douglas Avenue, and a beautiful memorial window was unveiled in commemoration of three young men of the congregation who made the supreme sacrifice during the war.

Officiating clergy were the Rector, Rev. H. L. Elsenor, assisted by the Rev. A. W. Thompson.

Special music marked the occasion, and the visiting clergyman, as did the pastor, made feeling reference to the event of the day, and the noble mission of the representative congregation.

After the opening of the exercises by the church choir and the invocation prayer of the Pastor, Rev. A. W. Thompson delivered the sermon of the day, taking his text from a passage in Isaiah 35th Chapter. In beginning the sermon, the reverend speaker reminded all of the mission on which the three deceased members of the congregation, whose names were inscribed on the memorial window, had accomplished, as had many other noble mothers' sons in the fight for justice, righteousness and liberty. Continuing, he pictured the Kaiser as the apostle of "Kultur," and the hidden voice, which whispered to his chosen followers to push onward at the hazard of all true and noble Christianity; of the havoc wrought against a peaceful world by the tyrant and his ill-advised followers; and lastly of the glorious victory of the Allies, which was simply the answer of a just and merciful God to his prayerful followers in this mortal journey below. Concluding, Mr. Thompson reminded his followers that they who had suffered the loss o' a dear one were the chosen ones of God, who, knowing their faith, called upon them for sacrifice. He then pictured a beautiful Canada for the future, when the one road would be a high road, on which would dwell peaceable and thrifty people, paving the road by their good deeds as an adamant road to "everlasting happiness."

Rev. Mr. Elsenor, pastor of the church, then followed, and touched sympathetically on the service. He reminded the congregation of the fact that St. Matthew's church had the noble honor of having sent forty-one men across to the sunny fields of France. Of this number three had made the supreme sacrifice, and one had died in England. The three who made the supreme sacrifice were Quarter-master Sergt. W. F. Mason, Private W. N. Belyea, and Private T. N. Parker. The former was killed at Ypres, while a member of the "Fighting Twenty-Sixth"; Pte. Belyea was a member of the 55th, and was killed in action on June 3rd, 1916; Private Parker was a member of the 115th, and was killed in action at Chilley Road, August 16th, 1918. The fourth member, Sergeant Kenneth Garnett, had died in Riton Hospital, England, on February 8th, 1919, but whose name was not on the memorial window, because at the time of his death, the window had about been completed, although the minister personally sought to have his name inscribed with the others. The late Sergt. Garnett won a military medal by taking a raiding party to the enemy's lines in open day, and routed the Huns. In concluding the service the pastor extended his congratulations to all for their aid in the service, and his sincerest thanks on behalf of the congregation, the trustees and himself, to the Enterprise and Progressive Clubs who had donated the memorial to the church. In consecrating the window the pastor said in part:

"May God grant that we may ever keep in mind the great sacrifice made by Christ our Living Head. "Greater love hath no man than this, that he lay down his life for his friends. This window is now set apart as a memorial to those names inscribed thereon, who have fought the good fight."

A feature of the service was the pleasing solo given by Mr. Stilwell of the congregation. The solo was rendered effectively, creating much favorable comment among those who had the pleasure of hearing it.

MILITARY MUST VACATE PREMISES

Building Being Used on Germain Street Becomes the Property of General Electric Company.

Military headquarters have been notified that the premises on Germain street now occupied by them in the building owned by Scovil Brothers and used as a pay office must be vacated on May 1st and it is understood other tenants in the building have received a similar notice.

It is understood this building is sold or is about to be sold to the Canadian General Electric Company and this is the reason for the notice to quit received by the tenants.

The military authorities just recently fitted up the lower floor of the building for use as a pay office and they are now on the lookout for other quarters, which is some job in St. John just at the present time.

ARMOUR AND COMPANY.

Messrs. Armour and Company have secured the premises 69 City Road and open up a large plant to care for their maritime business. It is understood the firm will within the next eighteen months erect a building of their own.

FOR NOVA SCOTIA.

The passengers who arrived on the Empress of Britain last night enroute for Nova Scotia, Military District .o. 6, are: Major James McGregor, and Hon. Captain G. B. Bingo, Halifax, Nursing sister Sarah E. Gender, of Milford, Hants county.

FAVORITES PLAYED BY MR. VENIOT

Answers to Opposition Enquiries Show Who Get the Gov't Plums.

In answer to enquiries propounded by the Opposition, Minister Veniot gave some answers, Friday, showing the favorites when it comes to supplying materials for road construction. Here they are for your own study:

March 28, 1919—No. 45.

Hon. Mr. Veniot in reply to Mr. Smith (Carleton):

1. Q. What amount was paid the Concrete Builders, Ltd. for pipe and other material last year?

Ans. $18,838.37 including freight prepaid.

2. Q. What price was paid for the different sizes?

Ans.

Size.	Thickness of wall.	Price per lineal ft.
8"		.15
10"		.60
12"	2"	.55 (1917)
12"	2"	.62 (1918)
15"	2"	.65 70c. and 75c
15"	2½"	.96
18"	2"	.88
18"	2½"	96 and 1.02
18"	3"	1.25
24"	2½"	1.36
24"	4"	1.80 and 2.22
36"		2.74

3. Q. What amount was paid to the Hartland Cement & Block Company for pipe and other material purchased last year from them?

Ans. Including freight prepaid $2,892.84.

4. Q. What price was paid to them for the different sizes?

Ans.

Size.	Price per lineal feet.
6"	.20 and .25
10"	.40 and .46

16"	.60 and .70
18"	1.00 and 1.15
24"	1.90
36"	2.50

5. Q. Was the price paid F.O.B. cars at point of shipment or delivered to the nearest railway point where needed?

Ans. Price is F.O.B. point of shipment.

6. Q. Does the Department allow Supervisors to use the concrete pipe purchased by the Province to make culverts leading to private property?

Ans. Department does not allow the use of pipe to make culverts leading to private property except for replacing where the Department finds it necessary to tear out good culverts for the purpose of properly grading and ditching road.

March 28, 1919—No. 48.

Hon. Mr. Veniot in reply to Mr. Smith (Albert):

1. Q. By whom was Mr. Cassidy engaged for road construction in the County of Albert?

Ans. By the Bridge Superintendent, Mr. R. C. Fletcher.

2. Q. What were his duties, his remuneration and the number of days he was employed?

Ans. Foreman, carrying on work under instruction from Mr. Fletcher. He was employed 48 days at $3.50 per day.

3. Q. Was Robert Fletcher of the City of Fredricton also engaged on the same work as Mr. Cassidy? If so, what was his remuneration per day and what number of days was he so engaged?

Ans. Mr. Fletcher, while superintending road and embankment work on approaches to New Petitcodiac Bridge, had general supervision of special work on Coverdale Road, under plans of road engineer. He received no remuneration for this work, as he combined it with his work at the bridge.

March 28, 1919—No. 47.

Hon. Mr. Veniot in reply to Mr. Smith (Albert):

1. Q. Why was the lowest tender for the building of the Salmon River Mouth Bridge at Alma not accepted by the Department of Public Works?

Ans. Owing to the fact that Mr. Smye and other contractors had on different occasions been unable to complete their contracts, the Minister decided that no tenders from such contractors would in future be considered. The Minister notified Mr. Smye and others to this effect. This decision will hold good on all future calls for tenders. This is why Mr. Smye's tender was not considered.

March 28, 1919—No. 49.

Hon. Mr. Veniot in reply to Mr. Smith (Albert):

1. Q. Who is A. R. Carter, who supplied 40 1-4 cords of wood to the Public Works Department, as shown on page 165 of the Comptroller General's Report, and where did this wood come from and of what variety was it?

Ans. A. R. Carter, who is accountant for the St. John & Quebec Railway Office, was instructed by the company to engage and purchase wood for use in the wood furnace in the offices of the Railway in the Fall and Winter of 1917-18, and by request of the Minister of Public Works transferred the above quantity of wood, most of which was large furnace wood, for the use of the Legislative Buildings.

March 28, 1919—No. 50.

Hon. Mr. Foster in reply to Mr. Smith, (Albert):

1. Q. What are the details of the item on page 213 of the Comptroller General's Report of the Office Staff, St. John & Quebec Railway for the year ending October 31, 1918, amounting to $2,348,37?

It has been decided by all railways in Canada in order to protect their international connections to advance all railway clocks and watches in Canada one hour at 2 a.m. on Sunday, March 30th, to be in accord with United States action in regard to daylight saving time.

The change is also made necessary in order to protect commuters' traffic into the larger Canadian cities that have signified their intention of adopting daylight saving time and avoid conflict between through trains and commuters' trains.

Effective on and after Monday, March 30th, all Canadian Pacific trains in New Brunswick will be moved on Eastern Standard Daylight Saving Time, which will mean that their arrivals and departures will be in each case one hour earlier than at present.

To demonstrate—The McAdam local train, No. 101, which now leaves St. John at 7.40 a.m. local time, will after Sunday next leave at 6.40 a.m. local time. Corresponding earlier arrival and departure will be made by all other trains with the exception of the early morning train from Fredericton which, for the convenience of commuters coming into St. John, will be run one hour late pending adoption of daylight saving time in St. John. This train will therefore reach St. John at 8.55 a.m. local time, the same as at present.

The commuters who will be unable to leave on the evening St. John-Fredericton train one hour earlier than at present will be accommodated on the St. John-Boston train, which will make local stops at South Bay, Ketepec, Grand Bay, Ononette, Hillandale, Westfield Beach and Sagwa.

The same change will apply to the Digby boat, which will leave at six instead of seven o'clock, returning at four instead of 5 p.m.
