**DR. HALSEY'S**
GUM-COATED
# FOREST PILLS,
*(A Sarsaparilla preparation of unexampled efficacy.)*

These Pills are prepared from the best Sarsaparilla, combined with other Vegetable properties of the highest Medical importance. They are warranted not to contain any Narcotic or Mineral whatever. They purge without griping, nauseating, or weakening; can be taken at any time without hinderance from business, change of diet or danger of taking cold. They produce twice the cure or amount of medicine, and are first, last and ever efficacious in the cure of Liver Complaint and Dyspepsia.

Stomach and Bowel Pills to suit.

But a short time has elapsed since these great and noted Pills were first made known to the Public, yet thousands have already experienced their good effects. Invalids given over by their Physicians as incurable, have found relief, and have restored to sound and vigorous health from their use.

**TO FATHERS OF FAMILIES.**

Bile and foul state of the stomach occasions more sickness and deaths in families than all other causes of disease put together. Sometimes which has lain in the bowels or stomach, produces Fever and Ague, and other dangerous disorders, all proceeding from a bilious and foul state of the stomach. No parent can be so ignorant as not to know the great danger resulting from biliousness—no parent would be guilty of causing the

**DEATH OF THEIR OWN CHILDREN!!!**

Of thousands of children and adults die every year through neglect of parents to attend to the early symptoms of bile and foul stomach.

Superfluity of bile may always be known by some unfavorable symptom which it produces, such as sick stomach, headache, loss of appetite, bitter taste in the mouth, yellow tint of the skin, languidness, costiveness, or other symptoms of a similar nature. Almost every person are at times bilious, the neglect of which is sure to bring on some dangerous disorder, frequently terminating in death. A single 25 cent box of *Dr Halsey's Gum-coated Forest Pills*, are sufficient to keep a whole family from bilious attacks and sickness, from six months to a year. A single dose, from 1 to 3 of these mild and excellent Pills for a child; from 3 to 4 for an adult, and from 5 to 6 for a grown person, will rid all bilious and morbid matter, and restore the stomach and bowels, curing and preventing all manner of bilious attacks, and many other disorders.

**SALTS AND CASTOR OIL.**

No reliance can be placed on Salts or Castor Oil. These, or any of all the common purgatives, pass off without touching the bile, leaving the bowels costive, and the stomach in as bad condition as before. Dr Halsey's Forest Pills act on the gall ducts, and carry off morbid bile or matter from the stomach and bowels, leaving the system strong and invigorated, and clear, producing northern and good health.

Dr. Halsey's Forest Pills are unlike all others. They act directly on these vital organs of the Stomach, Liver, Kidneys, &c., which secrete the fluids of the body, and separate the impurities from the blood. While they purge all bilious and morbid matter from the stomach and bowels, they purify the blood, strengthen and renew the blood, thereby destroy the seeds of disease. The Forest Pills do not weaken, but give strength and animation to both body and mind. They neither cause griping or any inconvenience whatever, and the patient is better able to attend to his business while under their influence than before taking them. They are mild in operation, yet powerful in restoring health.

The great amount of good these Pills have done for the sick and afflicted, have induced thousands to commend them to their friends and the public. Testimonials of worth to persons in almost every part of this country, have testified to the world in favor of their great efforts in curing disease.

Never has any remedy had more real life and stronger proofs of its good qualities than Dr. Halsey's Forest Pills.

Testimonial after testimonial, showing their great powers in curing in almost every class of disease, have been tendered to us by individuals of undubited character and respectability. The following testimony is from a respectable and wealthy farmer residing near Utica, New York.

UTICA, November 9, 1848.

DR. G. W. HALSEY,—

Every Fall, for several years back, I have had much sickness in my family of bilious disorders and Ague and Fever. In the Fall of 1848, two of my sons were taken at the same time with bilious fever. At the proper season, when sickness occurred in my family, I had always employed a physician; but at this time having two sons of your Forest Pills in the house, I concluded to try them. I gave to each of them six Pills, and four hours after I gave them three Pills more. They soon were well, bringing away much black and green matter. On the following day, the fever had left them, and they both recovered without any more medicine. Since this time, I have always kept your Pills at hand, and in all cases of sickness we have used them with the utmost happy success.

(Signed) LYKA S. GOODHOE.

**NOTICE TO THE PUBLIC.**

In 1845, Dr Halsey's Pills were first made known to the public, under the denomination of "Halsey's Sugar Coated Pills." Their excellent qualities soon gained for them a high reputation, and the annual sale of many thousand boxes. This great success excited the avarice of designing men, who commenced the manufacture of counterfeit Pills, which they coated with Sugar, to give them the outward appearance of Dr. Halsey's, in order to sell them under the good will Dr. Halsey's Pills had gained by curing thousands of disease.

The public are now most respectfully notified that Dr. Halsey's genuine Pills will henceforth be coated with

**GUM ARABIC,**

An article which, in every respect, supercedes Sugar both on account of its healing virtues, and its durability. The discovery of this improvement is the result of a succession of experiments during three years. For the invention of which, Dr. Halsey has been awarded the only patent ever granted on Pills by the Government of the United States of America.

The Gum-Coated Forest Pills present a handsome, glossy appearance. The well known wholesome qualities of pure Gum Arabic with which they are coated, renders them at all better than Dr. Halsey's Sugar-Coated Pills. The Gum-Coated Pills are never liable to injury from dampness, but remain the same, retaining all their virtues for an indefinite period of time, and are perfectly free from the disagreeable nauseating taste of Medicine. In order to avoid all imposition, and to obtain Dr. Halsey's true and genuine Pills, see that the label of each box bears the signature of G. W. HALSEY.

REMEMBER!!! If you wish to be sure of a Medicine which does not contain the lurking poison, Calomel or Mercury, purchase Halsey's Gum-Coated Forest Pills, and avoid all others.

If you desire a mild and gentle purgative, which neither nauseates or gives rise to griping, seek for Halsey's Pills.

If you would have the most concentrated, as well as the best compound SARSAPARILLA EXTRACT in the world for purifying the blood, obtain Dr. Halsey's Pills.

If you do not wish to fall a victim to dangerous illness, and be subject to a Physician's bill of 20 or 50 dollars, take a dose of Dr. Halsey's Pills as soon as unfavorable symptoms are experienced.

If you would have a Medicine which does not leave the bowels costive, but gives a cough instead of weakness, procure Halsey's Pills, and avoid Salts and Castor Oil, and all common purgatives.

Parents, if you wish your families to continue in good health, keep a box of Halsey's Pills in your houses.

Ladies, Dr Halsey's Pills are mild and perfectly harmless, and well adapted to the peculiar delicacy of your constitution. Procure them.

Travellers and Mariners, before undertaking long voyages, provide themselves with Dr. Halsey's Pills, as a safeguard against sickness.

**SAVED FROM DEATH!!**

*Testimony of* Mr. Nathan Mathews, *a highly respectable and wealthy citizen of Newark, N. J.*

Dr. G. W. Halsey:—I believe your Forest Wine and Pills have been the means of saving my life. When I commenced taking them, I laid at the point of death, with Dropsy, Piles, and Asthma. My Physicians had given me over as past cure, and my family had lost all hope of my recovery. While in this deadful situation, your Forest Wine and Pills were procured for me, and before I has finished the first bottle of the Wine, and box of Pills, I experienced great relief; my body and limbs, which were greatly swollen, became sensibly reduced. Hopes of my recovery began now to revive, and after continuing the use of your medicines for about a month, the Piles and Asthma were completely cured. The Dropsy, with which my life was placed in such great danger, was also nearly gone. I have continued the use of Your Medicines until the present time, and I now enjoy as perfect health as ever I did in my life, although I am more than sixty years of age.

I ascribe my recovery entirely to the use of your excellent medicines. Several of my neighbors have also used them with similar success in obstinate complaints, and I can cheerfully recommend them to the public.

Yours, respectfully, N. MATHEWS.

**GREAT CURE OF LIVER COMPLAINT OF TEN YEARS STANDING!**

NEW YORK, Jan. 9, 1848.

Dr. Halsey—Dear Sir:—Having taken your Forest Wine and Pills to remove a disease of the Liver, from which I have suffered severely for upwards of ten years, and having adhered closely to the directions which accompany the Medicines, I have recovered my health, notwithstanding all who knew me thought my case incurable. Previous to taking the Wine and Pills, I had recourse to the best medical treatment, but continued to grow worse to an alarming degree. Some of my friends spoke despairingly of my case, and tried to persuade me from making use of any advertised remedies; and, I doubt not, but what there are hundreds who are deaded from taking your excellent Medicines, in consequence o' the deception and inefficiency of many advertised remedies put forth by unprincipled men, in flaming advertisements. But, what a pity it is that the deception used by others should be the means of disuading many laboring under disease, from making trial and being cured by your excellent remedies. Humanly speaking, they have saved my life; when I commenced making use of them, I was in a wretched condition, but began to experience their good effects in less than three days; and, in six weeks from the time I purchased the Medicines, to the great surprise of all my friends, I was entirely cured, and had increased fifteen pounds in weight, having taken one box of the Pills and two bottles of the Wine. Would to God that every poor sufferer would avail himself of the same remedies!

Yours, &c., JAMES WILSON.

Dr. David Marvin, celebrated Practitioner of New York, declared publicly, that one bottle of Halsey's Forest Wine contained more virtues than fifty of the large bottles of Sarsaparilla. Messrs. S. S. Lampman & Co., the largest and most respectable Druggists in Syracuse, in a letter, says:—"From what they have heard and seen of Halsey's Forest Wine, it is an excellent and good Medicine, and will, undoubtedly, become the leading Medicine of the day." Dr. Mott, of New York, also subscribes to the virtues of Halsey's Forest Wine, by recommending it to many of his Patients.

☞ Seven hundred Certificates from Physicians, Clergymen, and individuals of known respectability, have been given, testifying to the great cures made by *Dr. Halsey's Forest Wine and Pills.*" Among them is the cure of Mr. John Syms, of 532½ Pearl Street, New York, cured of Affection of the Liver and bad Cough, after having been given over by his Physicians, who pronounced his case seated Consumption. # MOFFAT'S
## Life Pills and Phenix Bitters.

These Medicines have now been before the public for a period of **FIFTEEN YEARS**, and during that time have maintained a high character in almost every part of the globe for their extraordinary and immediate power of restoring perfect health to persons suffering under nearly every kind of disease to which the human frame is liable.

**IN MANY THOUSANDS**

of certificated instances, they have even rescued sufferers from the very verge of an untimely grave, after all the deceptive nostrums of the day had utterly failed; and to many thousands they have permanently secured that uniform enjoyment of health, without which life itself is but a partial blessing. So great, indeed, has their efficacy invariably and infallibly proved, that it has appeared scarcely less than miraculous to those who were acquainted with the beautifully philosophical principles upon which they are compounded, and upon which they consequently act. It was to their manifest and sensible action in purifying the springs and channels of life, and cleansing them with renewed tone and vigor, that they were indebted for their name.

Unlike the host of pernicious quackeries which boast of vegetable ingredients, the **LIFE MEDICINES** are purely and solely vegetable; and contain neither **Mercury**, nor **Antimony**, nor **Arsenic**, nor any other mineral, in any form whatever. They are entirely composed of extracts from rare and powerful plants, the virtues of which, though long known to several Indian tribes, and recently to some eminent pharmaceutical chemists, are altogether unknown to the ignorant pretenders to medical science; and were never before administered in so happily efficacious a combination.

The first operation is to loosen from the coats of the stomach and bowels the various impurities and crudities constantly settling round them; and to remove the hardened faeces which collect in the convolutions of the small intestines. Other medicines only partially cleanse these, and leave such collected masses behind to produce habitual Costiveness, with all its train of evils, or sudden Diarrhoea with its imminent dangers. This fact is well known to all regular anatomists who examine the human bowels after death; and hence the prejudice of these well-informed men against the quack medicines of the age. The second effect of the **VEGETABLE LIFE MEDICINES** is to cleanse the kidneys and the bladder; and, by this means, the liver and lungs, the healthful action of which entirely depends upon the regularity of the urinary organs. The blood, which takes its red color from the agency of the liver and lungs, before it passes into the heart, being thus purified by them, and nourished by food coming from a clean stomach, courses freely through the veins, renews every part of the system, and triumphantly mounts the banner of health in the blooming cheek.

The following are among the distressing variety of human disorders in which the **VEGETABLE LIFE MEDICINES** are well known to be infallible:

**DYSPEPSIA**, by thoroughly cleansing the first and second stomachs, and creating a flow of pure healthy bile, instead of the stale and acrid kind; **FLATULENCY**, *Loss of Appetite, Heartburn, Headache, Restlessness, Ill-temper, Anxiety, Languor, and Melancholy*, which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure.

**Costiveness**, by cleansing the whole length of the intestines with a solvent process, and without violence or all violent purges leave the bowels costive within two days.

**Diarrhoea and Cholera**, by removing the sharp acrid fluids by which these complaints are occasioned, and by promoting the lubricative secretion of the mucous membrane.

**Fevers of all kinds**, by restoring the blood to a regular circulation, through the process of perspiration in such cases, and the thorough solution of all intestinal obstruction in others.

The Proprietor may truly say he has been known to cure **RHEUMATISM** permanently in three weeks, and **GOUT** in half that time, by removing local inflammation from the muscles and ligaments of the joints.

**Dropsies** of all kinds, by freeing and strengthening the kidneys and bladder: they operate most delightfully on these important organs, and hence have ever been found a certain remedy for the worst cases of **GRAVEL**.

Also **Worms**, by dislodging from the turnings of the bowels the slimy matter to which these creatures adhere.

**Asthma and Consumption**, by relieving the air-vessels of the lungs from the mucous which even slight colds will occasion, and which, if not removed, becomes hardened, and produces these dreadful diseases.

**Scurvy, Ulcers, and Inveterate Sores**, by the perfect purity which these **LIFE MEDICINES** give to the blood, and all the humours.

**Scorbutic Eruptions and Bad Complexions**, by the alterative effect upon the fluids that feed the skin, and the morbid state of which occasions all eruptive complaints, sallow, cloudy, and other disagreeable complexions.

The use of these Pills for a very short time will effect an entire cure of **SALT RHEUM**, and a striking improvement in the clearness of the skin. **COMMON COLDS and INFLUENZA** will always be cured by one dose, or by two even in the worst cases.

**PILES.** As a remedy for this most distressing and obstinate malady, the **VEGETABLE LIFE MEDICINES** deserve a distinct and emphatic recommendation. It is well known to hundreds in this city, that the former proprietor of these valuable Medicines was himself afflicted with this complaint for upwards of THIRTY-FIVE YEARS; and that he tried in vain every remedy prescribed within the whole compass of the *Materia Medica*. He however at length tried the Medicines which now offered to the public, and he was cured in a very short time, after his recovery had been pronounced not only improbable, but absolutely impossible, by any human means.

# FEVER AND AGUE.

For this scourge of the western country these Medicines will be found a safe, speedy, and certain remedy. Other medicines leave the system subject to a return of the disease; but cures by these medicines is permanent. TRY THEM, BE SATISFIED, AND BE CURED.

**Bilious Fevers and Liver Complaints.**

**General Debility**, Loss of Appetite, and Diseases of Females—these medicines have been used with the most beneficial results in cases of this description:—King's Evil, and Scrofula, in its worst forms, yields to the mild yet powerful action of these remarkable Medicines. Nervous Spasms, Nervous Debility, Nervous Complaints of all kinds, Palpitation of the Heart, Painter's Colic, are speedily cured.

**MERCURIAL DISEASES.**

Persons whose constitutions have become impaired by the injudicious use of Mercury, will find these Medicines a perfect cure, as they never fail to eradicate from the system all the effects of Mercury infinitely sooner than the most powerful preparations of Sarsaparilla. A single trial will place them beyond the reach of competition, in the estimation of every patient.

**ANALYSIS OF THE ST. LEON WATER.**

I HAVE submitted to analysis the Water from the Source of St. Leon, and find it to be strongly saline. It contains chloride of sodium in large quantity, with magnesia and lime, partly as carbonates, dissolved by the excess of carbonic acid, and partly as chlorids. Like most of the other saline waters of the country, it contains bromine and iodine; in addition to which, I have detected, in small quantities, salts of barytes and strontia which had hitherto been met with only in the Waters of Varennes. In its general character, it is allied to the Sources of Caxton, Pannegenet, and the Intermittent of Caledonia.

The contents of one pound of 7000 grains, as calculated from my analysis, are as follows:—

**Latest from Toronto.**

The following opinion of the beneficial effect of the Plantagenet Water, is from the last number of the *British American Medical and Physical Journal*, edited by Dr. Hall. The Doctor recommends the employment of this water to the special attention of the Profession, both in Canada and the United States. Nothing further is required to ensure their general use by all classes of our citizens:—

Remedial nostra, or matters professing to be such, and depending for their employment upon the extensiveness of the circulation of laudatory advertisements, and the number of money consequently paid by their proprietors for these, have at no time, since we undertook the management of a Journal intended solely for the advancement of medical science, found favor in our eyes. *Nor shall they.* We have always adhered to the old maxim, "Ne sutor ultra crepidam." We have always thought, and are daily more convinced of the truthfulness and correctness of our opinion, that all the world was never intended to practice the medical art, inasmuch as all men—aye, and all women too—are unable to make themselves masters of the science of medicine; and it must be admitted, without a well, that without a foundation there can be no superstructure. Not that we would dare to question the qualifications of all to become, perhaps, even, scientific practitioners of the Medical Art—for there may, but seeing the different gifts have been assigned to different individuals, from the foundation of our world, and that one class is necessarily dependent upon another for its comfort and support—the rich and poor, the educated and illiterate, the professor of science and the simple mechanic—so we hold, that the public should be directed, under God, in the a single instance of preservation of health, by men who have given, and continue to give, the best energies of their mind to this particular study. It is under impressions of this kind that we direct the attention of our professional brethren to the advertisement of Mr. Larocque on the cover. We have, in common with our medical friends in this city, taken occasion, from time to time, to prescribe, in fitting cases, the Plantagenet Water, derived from a spring on the gentleman's property, in the Ottawa District. Commendatory certificates from medical men, perfectly well known to us, have been published in the daily newspapers of this city, of our own has appeared among the number. But we now hesitate not to recommend the employment of this Water to the special attention of the profession both in Canada and the United States. Mr. Berlin's analysis, as to its constituents, furnishes at once the key of its applicability and usefulness. We are informed that the proprietor has made arrangements for supplying, during the forthcoming season, the Plantagenet Water throughout our own Province and the United States, by the establishment of necessary depots and the appointment of proper agents.

The waters are to be had only from the Agent, A. Mann, at the Depot 4, *Place d'Armes*, also from Dr. Picault; Mr. Mercier, Quebec Hotel; Mr. Berlin, St. Paul Street; and at the principal Hotels in the City.

A fresh supply of the above Waters have just been received, and for sale by the above Agents.

URQUHART'S
*CONCENTRATED COMPOUND DECOCTION,*
OR FLUID EXTRACT OF
JAMAICA SARSAPARILLA,
PREPARED BY
ALEXANDER URQUHART,
AT THE
Medical Hall, 7, Great St. James' Street.

THIS Valuable Preparation has been before the public for many years, during which time it has been extensively used, and has proved eminently successful in all those diseases in which this medicine is prescribed. It is considered by Physicians of the present day the very best Medicine for re-establishing the constitution after it has undergone the effects of Mercury. In Chronic Rheumatism, the most marked effects have been produced by the use of Sarsaparilla; and its continued use is often attended with improvement of appetite and digestion, increase of strength, the production of a more healthy state of mind, and the palliation, or, in some cases, complete disappearance of various morbid symptoms, as Eruptions, Ulcerations, pains of a Rheumatic character, &c., &c.

Drs. McCulloch, Campbell, McDonell, and Fraser, who have extensively used it in their practice, have kindly favoured the Proprietor with the following Certificates:—

Alexander Urquhart, Esq.—Dear Sir, have much pleasure in bearing testimony to the faithful manner in which you prepare your Fluid Extract of the Compound Decoction of Sarsaparilla. This I am enabled to do, on account of several of my patients having derived the greatest benefit from its use.

For Constitutional Syphilis and Chronic Rheumatism, I have prescribed it with the most marked effects, I can, therefore, without the least hesitation, recommend your preparation as one possessing all the Medicinal qualities of the Compound Decoction of Sarsaparilla, while it is at the same time more palatable, and less apt to derange the Stomach.

Your most obedient servant,
W. Fraser, M. D.
Lecturer on Medical Jurisprudence, McGill College.

Montreal, 9th February, 1847.

Montreal, February 10th, 1847.

I beg to certify, that I have employed very extensively, the "Fluid Extract of Sarsaparilla" made by Mr. Urquhart, in all those diseases in which that Medicine is usually prescribed, and that I have found it a most valuable preparation. Iron, moreover, state, from personal investigation, that the proprietor employs none but the purest ingredients, and bestows the greatest care and attention upon the mode of preparing this remedy.

Robert MacDonell, M. D.
Lecturer Institutes of Medicine, McGill College.
Physician to the Montreal General Hospital.

Mr. Urquhart's Sarsaparilla is the only preparation of this valuable Medicine that I can, with entire confidence, recommend to my patients.

M. McCulloch, M. D.

Montreal, 10th February, 1847.

Dear Sir,—I have frequently prescribed your Fluid Extract of Sarsaparilla, and I have no hesitation in recommending it as a very elegant and convenient form for administering that Medicine.

Yours very truly,

**A BEAUTIFUL PICTURE.**

A NEW LABEL—STEEL ENGRAVING.

To protect the public against purchasing counterfeits of Radway's Chinese Medicated Soap, R. G. Radway, the celebrated Chemist of New York, has at a great expense engaged the services of one of the first artists of steel engraving in America, and will on the first of April, 1850, issue Radway's Medicated Soap in its new label. It is a beautiful *steel engraving*, it represents two female figures of *health* and *beauty*, reclining on a tablet and scroll work, on which are the words *RADWAY'S MEDICATED SOAP* in illuminated letters. On the opposite side of the tablet is the fac-simile signature of R. G. Radway. The design is neat, chaste, artistic, and elegantly executed.

THE VIRTUES OF THE SOAP

are also improved, the high popularity which this excellent soap has attained for its superiority over all others for Toilet, Medicinal, and Shaving purposes, has impelled us to strive and improve upon its merits, instead of resting satisfied on its already great popularity. We have now entered into arrangements for the importation direct from our correspondents in Constantinople in Turkey, and Canton in China, for our several oils, gums, balsams, and extracts of rare medicinal virtues, which we use in the manufacture of Radway's Soap, instead of receiving them from third parties, so that now we have the satisfaction of knowing that the highly medicinal and balsamic properties of our Soap are pure and unadulterated.

AS A BEAUTIFIER OF THE SKIN

It surpasses everything of the kind in the world, it removes Redness, Pimples, Blotches, Pustules, Tetters, Rash, Rash, Rash, Scurvy, Salt Rheum, Ring Worm, Sore Heads, Sores, Pustular Eruptions. It imparts health to the skin, and beauty to the complexion. As a Nursery and Toilet Soap, it is beyond the reach of rivalry, and for Shaving purposes it is the best in use. One cake of Radway's Soap will last longer than three cakes of the same size of any other Soap in use, therefore it is the cheapest and best Soap in the world. Price 25 cents, large cakes, in engraved wrappers, and the signature of R. G. Radway upon each wrapper.

Now through the Harem chambers many lights
Of bony beauties pass the toilet rights—
While some bring balm from Circassia's fair,
To dress and beautify their lovely hair,
Which makes the dull eye sparkle and fires
Within the breasts of kings pure love inspire.

TO DRESS AND BEAUTIFY THE HAIR,

Radway's Circassian Balm is becoming quite popular, in the course of time it will supercede all other preparations. It cures baldness, strengthens the hair, eradicates dandruff, and makes the hair soft, fine, and glossy. By using the Balm as per directions, it will make it curl beautifully; resembling nature. Price 50 cents in large bottles. See that Radway & Co. is upon each bottle.

PROFESSOR BARRY'S TRICOPHEROUS OR MEDICATED COMPOUND—Infallible for renewing, invigorating, and beautifying the Hair, removing Scurf, Dandruff, and all affections of the Scalp, and curing Baldness on the Corn, &c. Diseases of the Glands, Muscles and Integuments, and relieving Stings, Cuts, Bruises, Sprains, &c., &c. With this preparation "there is as much word as fail." The first journals in Europe, medical men of the highest eminence, prominent citizens of all professions, and ladies who have used it for years in their dressing-rooms and nurseries, admit, with one accord, that for imparting vigor, glossiness, luxuriance and curl to the hair, eradicating scurf and dandruff, healing wounds, curing contusions, sprains, stings, &c., and relieving diseases of the skin, the glands and the muscles, it has no equal among the multitude of compounds advertised in the public prints, or used in private practice. In cleanliness as well as efficacy, Barry's Tricopherous is unrivalled. The immense sale of this preparation has enabled the inventor to supply it at retail at twenty-five cents per bottle, which is from fifty to one hundred per cent. less than the price of any other preparation for the hair now in use. The scientific treatise on the Hair and the Skin, (embracing valuable directions for the culture and preservation of Nature's choicest ornament,) in which each bottle is sold, will be found to be worth the money.

The affinity between the membranes which constitute the skin, and the hair which draws its sustenance from this triple envelope, is very close. A healthy state of hair originates in a healthy state of the head. If the pores of the scalp are clogged, or if the blood and other fluids do not circulate freely through the small vessels which feed the roots with nutriment, and impart to the hair its life, the result is scurf, dandruff, shedding of the hair, grayness, dryness and harshness of the filaments, and entire baldness, as the case may be. Stimulate the skin, the glands of secretion with its pores, and the torpid vessels, recovering their activity, will annihilate the disease. In all affections of the skin and of the substrata of muscles and integuments, the process must commence with the skin, upon the skin, the muscular fibre and the glands, that the Tricopherous has its specific action, and in all affections and injuries of those organs it is a sovereign remedy.

Sold in large bottles, price twenty-five cents, at the Principal Office, 197, Broadway, New York; Dr. Deal, 771, Broadway; Dr. Smith, 394, Pearl Street; D. Van Zandt, 64, Maiden Lane; Dr. Ayer, 440, Grand Street; Dr. Mercer, Newark, N. J.; Hays, 128, Fulton Street, Brooklyn; R. & G. A. Wright & Co., Philadelphia; Wm. Brown, Boston; F. Brunswick, Baltimore; J. Wright & Co., New Orleans; and by the principal Merchants and Druggists throughout the United States and Canada, Cuba, Brazils, &c. Beware of the counterfeits. **BOGLE'S HYPERION FLUID,**
FOR RESTORING, PRESERVING, AND EMBELLISHING THE HAIR.

*The following Certificate, from Dr. Winslow Lewis, one of the most eminent Physicians of Boston, will show the estimation in which it is held by the scientific and learned, being one only of many similar ones.*

Boston, Feb. 15, 1847.

Mr. Wm. Bogle,—Sir,—The preparation invented by you for the hair, has been extensively used in my family, and they give it the decided preference over all other compositions of the kind. It invigorates and beautifies the hair, and clears the skin of
