POTATOES.—There are at present fully two thousand barrels of potatoes at Indiantown on the market and prices are low. Snowflakes were sold at $1 per barrel; early rose $1.75, and black kidneys $1 30 to $1 35.

A BIG BOOM.—Work around the booms is drawing to a close, and although there is considerable to do, they will have plenty of time to finish in. The season's business has been a good one for the company, more logs being rafted this season than in any previous year.

KEEN THIEF AT WORK.—Two or three henneries in the city have been visited by some persons, and are now minus of a few fowls. The thief is no hog, as at one place, Jas. McSweeney's, on York street, he deliberately chopped the heads off the few he wished to take, but left them behind.

HOLINESS CONVENTION.—Andrew Lottimer left on Thursday for Woodstock to attend the holiness convention. The reformed Baptist church of that place are the prime movers of the convention, and are assisted by Rev. Mr. McLaughlan, of Chicago. The services are largely attended and much interest manifested.

NARROW ESCAPE.—Lieutenant-governor Boyd had a very narrow escape from choking at the Queen hotel while dining on Wednesday afternoon. A small chicken bone became lodged in his throat, and Dr. McLearn was summoned, who skillfuly extracted the bone and the next day his honor was feeling all right.

THE ROAD WILL PASS.—The C. P. R. officials and the directors of the Tobique valley railway have returned from Andover. Mr. Rideout, government engineer, has inspected the road and it is understood has expressed himself as very much pleased with it. He will recommend to the government that it pass.

Dennison, of Marysville, who sues for divorce from his wife on the grounds of adultery with a man named Manzer. Manzer eloped with Mrs. Dennison some time ago. The court adjourned till a later date.

OBITUARY.—Scott Fairley, a retired lumber merchant, died on Sunday at his home in Blackville. Mr. Fairley had been ill for some time. His remains were interred at Boiestown on Wednesday, a special train running from Blackville for that purpose. It is reported that the deceased left Jas. S. Fairley $10,000, and the homestead to Justus Fairley, jr., in trust.

ARRIVED SAFELY.—During the week it was reported that Gus Estabrooks, who left for the world's fair last week, was a victim in the Battle Creek collision. Mrs. Estabrooks, who is in Boston, wired here regarding her husband, but we are glad to learn that he has safely arrived in Chicago. Jas. T. Sharkey and Jas. Carten, of this city, were on the next train one hour behind.

HIS 101 BIRTHDAY.—Wednesday captain Barker celebrated his 101st birthday, at his residence in Kingsclear. A large number of his friends from the city and the country were present who congratulated the old gentleman, gladdening his heart with their display of esteem and respect. The captain is enjoying very good health, and it is hoped may yet live to celebrate another birthday.

A NEW HOTEL.—Fred Nicholson, formerly behind the Queen desk, and late proprietor of the exchange hotel, Woodstock, has leased the Albion hotel in this city, and is now at work getting that building refitted and furnished in first-class order. Mr. Nicholson has gained a wide reputation in the hotel line, and no doubt will make it a success. He will be ready for guests in a few weeks.

FIRE BUG.—I. R. Golding, who lives on his farm on the old road above the city, made a fortunate discovery on Saturday night. He had returned from his business in the city, when he discovered a large pile of soft dry wood near his buildings, to be on fire, and the mystery is who had set it. Fortunately no wind was blowing, otherwise the buildings would have been burned. He has no clue to the fire bug as yet.

PARALYZED.—A. P. Miller, Brunswick street, one of Fredericton's oldest painters, was stricken with paralysis on Tuesday evening. He had two strokes that night and one since, but being of robust constitution, notwithstanding he is in his 86th year, is able to bear up under the critical condition very well. Mr. Miller's left side is paralyzed, and this added to the fact that his right leg is stiff, makes him almost helpless. There was no change in his condition this morning.

SMASH UP.—A young man from St. John named Beveridge drove up to the Indian Village Thursday to purchase baskets. He tied his horse hitched to a fence, and in removing the halter to put on the bridle the horse got away from him and started pell mell down the road leading to the city. It was stopped at Springhill, but not until the buggy had been all smashed up and the animal pretty badly cut, after having run about five miles.

COMIC OPERA.—The success attending the amateur opera troupe's performance, lately given in St. John by St. John people, has inspired some of our singers to try the experiment to a Fredericton audience. There is no reason why such a venture cannot be turned to success when this city is blessed with so many who are capable of pleasing an audience in the music line. The date is set down for Thanksgiving night, in the city hall, and the opera is called The Coming Woman or the Spirit of 1906.

HEAVY LOSS BY FIRE.—John William Johnson, a well-to-do farmer living near Canterbury station on the Eel river road, had his houses, barns, outbuildings, etc., with all their contents including furniture, hay, grain, potatoes, etc., completely destroyed by fire week before last. It was a pitable looking sight to see the hogs, cattle, horses, etc., going around the ruins with not a bite of anything to feed them. The fire originated, it is said, by Mr. Johnson's little girl lighting a match in the barn. No insurance.

IN BUSINESS.—The Sussex Record says: Mr. Parlee, of St. Marys, York county, has moved to Sussex and started the blacksmithing business in the shop owned by the late William Smith, with whom Mr. Parlee learned the trade some forty years ago. Mr. Parlee has lately had some strange freaks of ill luck. His buildings were consumed in the Gibson fire, after which he started business at St. Marys, when the fire again destroyed his property. Mr. Parlee now returns to the place where he spent the days of his boyhood.

A Timely Move.

In answer to the memorial which the Fredericton board of trade forwarded to Ottawa last winter, the dominion government has sent Mr. Shewen, C. E., of the board of works, to make an examination of the channel of the river between here and the Oromocto shoals in order to make the necessary improvements. He intends to locate the shoal places now, and when the ice makes in the river to make a particular survey of the bottom and have his report in during the next session of parliament so that the work can be done next year. He thinks the board of trade have the correct idea that when improvements are made they should be of a more permanent character than heretofore, and he is now taking note of the river currents in order to decide how best to meet this difficulty. He has gone to St. Francis to examine the river at several places between there and Grand Falls. At the falls he proposes to blow out split rock this winter, and also to cut the end off a bar below the falls, where the logs jam so often. It is estimated, he says, that split rock destroys each year from ten to fifteen millions of lumber. The rock can be drilled when the ice makes. Between here and Woodstock there are also several bars which he will examine in the next fortnight.

Whether anything comes out of the move thus taken or whether it is a "chum" of the Prince William railway scheme, yet remains to be seen. It certainly has been a long time assuming anything like business and is regarded by many as a bait for the coming contest. The board of trade should see to it that there may not be any time lost in this important and long wanted project.

Behind the Bars.

On Tuesday evening the members of Hiram lodge, F. & A. M., to the number of about twenty, marched to the jail to pay their respect to J. V. Ellis, their former grand master. A very pleasant time was spent in renewing acquaintances and light speech making, after which the brethren were sumptuously entertained by host Hawthorn.

On the afternoon of Tuesday the U. N. B. students marched in a body to the jail and forming in lines two deep in front, gave their college cry and heartily cheered for Mr. Ellis. That gentleman appeared and though deeply touched with such display of good will, made a very neat speech to the students. Mr. Ellis is daily receiving visits from influential persons, and it must be a source of comfort to him to know that though behind the bars of York County jail, he is so kindly remembered and respected by all, and that public opinion cannot be hidden in a bushel or bound down by fetters.

A Sad Affliction.

The citizens of Fredericton were shocked on Friday afternoon when the intelligence had reached them that Mrs. James Dever was dead. The deceased had not been well since Tuesday and few knew of her illness, but up to within a very short time of her death, nothing serious was anticipated. Mrs. Dever was a young woman, thirty-five years of age, of a strong and healthy constitution, and as no fears were entertained of danger, her end came almost before her family were aware of. Mrs. Dever. will be greatly missed from her church, in which she always took such an active interest. Her many pleasing and cheerful ways, her Christian qualities, won her way into the hearts of all who were favored with her acquaintance. The deceased was the daughter of the late Edward Seery, and sister of Dr. Seery, Wm. E. Seery, and Mrs. P. Dever, and also left two unmarried sisters. The bereaved husband is left with four children, one boy and three girls, the youngest, an infant only a few hours old.

The funeral, will take place to-morrow, leaving the house at 2 o'clock, proceed to the chapel where service will be held, and then conveyed to the Catholic cemetry. John G. Adams, will have charge of the ceremonies.

Resolution of Condolence.

At a late meeting of Court City Camp, No. 462, independent order of Foresters, at McAdam Junction the following resolution of condolence was passed:

"Whereas, It has pleased almighty God to remove from our midst our well beloved brother, Daniel Griffin, be it

"Resolved, That we the members of Court City Camp, 462, independent order of Foresters, do extend to the bereaved widow and children our heartfelt sympathy in this their sore affliction. We commend them to the care of our Heavenly Father, and may He in his mercy be their comforter and protector; and be it further

"Resolved, That we drape our charter for a period of thirty days in token of respect for our departed brother; and be it further

"Resolved, That a copy of these resolutions be sent to the bereaved family and to the Independent Forester and Fredericton HERALD for publication."

Thanksgiving Services.

On Sunday evening after the usual services at the cathedral were over, the annual thanksgiving services were held. The cathedral was filled to overflowing, and the church was very tastefully decorated, as the ladies of that congregation are not to be excelled in doing, with all kinds of fruit, vegetables and grain. The sermon for the evening was preached by the rev. C. W. McCully, and his theme, music a revelation, was very ably dealt with. Many having heard the rev. gentleman for the first time, were much impressed with his discourse, and drew the close attention of the large audience present. An organ recital followed, and the organ, that had undergone a complete overhauling, yielded up its sweetest tones to the skillful touch of Prof. Bristowe. Solos were given by Mr. and Mrs. John Black. The impressive services were closed by singing the doxology.

The Pulpit.

Rev. C. W. McCully, of this city, is to preach the sermon on the occasion of the anniversary services of the Church of England institute in Trinity church, St. John, on Wednesday.

Rev. Dr. Saunders, of Halifax, occupied the pulpit of the Baptist church in this city on Sunday, morning and evening. The doctor is to remain here until a successor to Mr. Crawley is appointed.

The Bishop of Fredericton held services in St. Marys and St. Paul's churches, Chatham, last Sabbath. At the eleven o'clock services he administered the right of confirmation to about thirty candidates. He left Chatham for Bay du Viu Monday morning last and is expected home on Thursday.

Rev. Mr. Payson assisted rev. Mr. Mullan at the Presbyterian communion service at Zionville, Sunday.

Queens County Court.

The county court of Queens county opened at Gagetown on Tuesday, Judge Steadman presiding. Among the barristers in attendance were L. A. Curry, George A. Hughes, J. R. Dunn, J. DeV. Neales. There were several cases entered for trial. The first case was that of John Gale against Charles Dykeman. George A. Hughes appeared for the plaintiff and Mr. Neales for defendant. The jury returned a verdict for plaintiff.

In Palmer vs Rethburn, Mr. Hughes was counsel for plaintiff and L. A. Curry for defendant; verdict for defendant.

In the replevin case a settlement was effected. J. R. Dunn for plaintiff, and Mr. Neales for defendant.

The court adjourned on Thursday.

Governor Boyd's Visit.

Lieutenant governor and Mrs. Boyd returned by steamer to St. John on Friday morning, after spending a few days in the city. He stopped at the Queen hotel and his visit was made a most pleasant one, as mine host Edwards is not excelled in doing. Besides attending to his official business he, with Mrs. Boyd, acompanied by Mrs Gordon, made many social visits to residents in this city and Marysville. His visit has made a lasting impression on all with whom he came in contact and his cheerful countenance will stamp him a very popular head for the province.

Lectures at the University.

The considerable success which attended the university lecture course last season has moved the college authorities to continue them the present year, and there is every probability that they will be even more successful than previously. An excellent feature of the proceedings is the discussion which is permitted to follow each lecture, and if the rule binding the speakers to ten minutes be rigidly enforced, these discussions will be of great interest to the public who patronize the lectures.

Notwithstanding the very unfavorable weather on Tuesday night last, the opening of the course, there was a fair attendance. His honor governor Boyd occupied the chair. S. D. Scott, editor of the St. John Sun, took for his subject Public Spirit and Electoral Purity.

The programme for the season 1893-4, as far as arranged—and it is almost complete—is as follows:

Those that Have Gone.

The sudden death of Wm. Fulton of Little River, Sunbury county, the well known lumber operator, on Sunday, has cast a gloom over that place. Mr. Fulton had been to St. John visiting his daughter, Mrs. S. J. Thorne, and arrived home by the steamer on Saturday in his usual health. Heart disease is supposed to have been the cause. He was fifty-nine years of age; and leaves a wife and three sons. Mrs. Aaron Smith of this city is a sister of Mr. Fulton. The funeral took place at Little River on Tuesday and was largely attended. The services were conducted by Rev. Mr. Lodge, of Marysville.

The death is announced of Miss Adelia Morris, third daughter of Thos. Morris, formerly of Keswick Ridge, but now of Marysville, the sad event having taken place Monday morning at the residence of her sister, Mrs. Thomas Pheeney, Brunswick street, in this city. The deceased was in her 24th year, and has been a sufferer since her seventh year. At that age she had whooping cough, which developed hemorrhage of the lungs, and more recently she had abscess of the head. She was a patient sufferer under her afflictions, and leaves to her mourning friends the memory of a Christian life. The funeral took place on Wednesday from St. Dunstan's church, rev. J. C. McDevitt officiating, and the remains were interred in the R. C. cemetery above the city.

Word has been received of the death of Benjamin Evans, jr., of Cardigan, on Thursday morning. Deceased had been ill with consumption for some time and his death was not unexpected. He was in his twenty-sixth year.

The lights will be suspended over the middle of the streets, and the erection of the necessary poles and procuring of machinery is now being pushed forward. Death of George Hatt, Sr.

George Hatt, sr., died Wednesday forenoon at the residence of his daughter, Mrs. John J. Weddall. Some weeks since Mr. Hatt was stricken with paralysis and did not recover from the shock. His mental faculties were active and he knew his family and friends to the last. He was nearly 81 years old, and was one of the best known and most highly respected residents of this city. He was a native of the north of Ireland and came to this country when quite young. Later he started a grocery business, which is now carried on under the name of Geo. Hatt & Sons. Deceased was a prominent member of the Methodist church and a consistent Christian. His wife died a few years ago. Three sons and five daughters survive him. His sons are George and David of this city, and Charles H. of Marysville; and his daughters, Mrs. John J. Weddall, Mrs. B. H. Torrens and Miss Hatt of this city, Mrs. F. S. Williams of Marysville and Mrs. Dr. Colter of Woodstock. Lieut. gov. Boyd called upon the deceased Thursday evening about 5 o'clock and was among the last of his friends, outside the members of his family, who saw him before his death.

His funeral will take place this afternoon at 2.30. The body will be taken to the Methodist church where a service will be held by rev. Mr. Weddall, after which the remains will be conveyed to the cemetery.

What Ails the Ancient Companies?

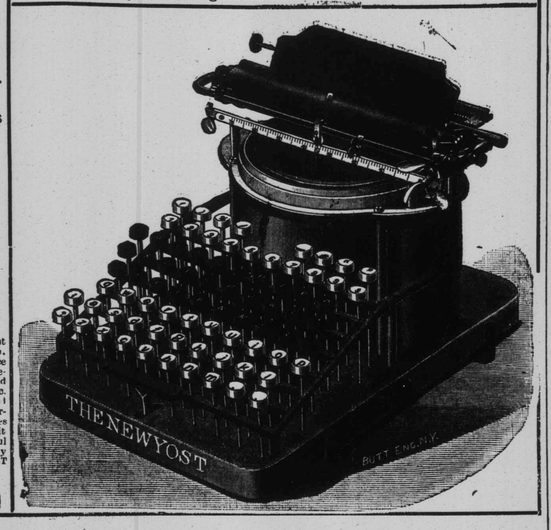
THIS is what ails them: The Fear of Change, which Milton says used to perplex monarchs when they saw a long tailed comet in the sky. The Change is Here; not heralded by a comet but by the New Yost, the perfect writing machine.

Unequalled in

Principle of Construction,
Operation and Alignment,
Speed and Noiselessness,
Beauty of Work and Manifolding.
Clearness of Letter Press Copies.

New Features:

No Ribbon,
No Shift Key,
No Double Scales,
No Dirty Type to Clean,
No Old-foggy Ideas.



THE history of the introduction of the Yost has been marvellous since its very inception. Never did a rival new comer so rapidly replace its established rivals. Its long awaited improvements, however, gave it a hearty welcome, and to-day its following is world-wide and enthusiastic. Thousands of operators have tried and preferred it, and thousands of others—who lack the courage of their convictions—stick to the old machines from force of habit only—already acknowledge it as THE typewriter. And all of this wonderful success of the past has been won with the early model of the Yost, upon which the NEW YOST is a vast step in advance.

The New Yost combines the life long experience of the inventor, G. W. N. Yost, who invented the "Remington" in 1878, the "Caligraph" in 1880 and the "Yost" in 1889; the latest and best improvements have been added during 1893, making the New Yost an ideal perfect typewriter. The New Yost prints direct from steel type; its work is never blurred but is clean cut and beautiful. The alignment is absolutely perfect and permanent. The paper feed is an ideal success, the best ever applied to a typewriter. The line spacing absolutely perfect.

At the Altar.

The marriage of Thos. McElroy and Miss Winifred, only daughter of P. McNamara, of Oromocto, was celebrated on Monday morning at the Catholic church at that place.

A particularly social event of a matrimonial nature took place on Tuesday afternoon at the Methodist parsonage, Sheffield, when John A. Humphreys, one of Kings county's enterprising young men, led Miss Alice H. Fawcett, of Sussex, to the altar. The rev. Mr. McCully, brother-in-law of the bride, performed the ceremony.

An interesting ceremony was celebrated in the Catholic church, St. Marys, Wednesday morning at 7 o'clock by the rev. Father Kiernan, when Miss Sadie Cox, daughter of the late Philip Cox of Maugerville, was united in marriage to James McCloskey of Lower St. Marys. The bride was attended by Miss Rosa McCloskey of Fredericton, while Will Cox, brother of the bride, supported the groom. After the ceremony the happy couple drove to the residence of the bride's mother, where the wedding breakfast was partaken of.

Oromocto was the scene of a very brilliant wedding on Wednesday morning, at the residence of Mrs. M. A. Miles, when her only daughter, Miss Ida, was wedded to Wm. A. Gibson, son of John Gibson, Marysville, rev. G. B. Payson, assisted by rev. A. C. Dennis, performed the ceremony. The bride was attended by Miss Whelpley, of this city, and the bridegroom was supported by his brother, Arthur Gibson. The bride was attired in shot silk with chiffon trimmings, and carried a white bouquet. For her wedding gift, the bride received a handsome set of gold jewelry, set with diamonds, besides numerous gifts from her friends, among whom she is so deservedly popular. After the event the bridal party left for Boston, and on their return will occupy the Limerickhouse on St. John street.

Time They Were Letting Up.

Notwithstanding the fact that hunting for and shooting game on the Lord's day is punishable by a very heavy fine, it does not appear in the least to dampen the ardor of some of our local sports for this particular kind of amusement. Last Sunday afternoon, in the woods in the vicinity of college hill, there was banging enough going on to almost lead one to believe that the city was being bombarded, or that an encœnia rehearsal was going on. In addition to this some of the Nimrods procured teams and drove out a few miles, and were about as well prepared to shoot game as they would have been on a week day. We have not yet learned the result of the days' operations.

It is about time these Sunday skirmishers were letting up on this kind of work. What few game birds there are still left in this vicinity have work enough keeping clear of pot-hunters throughout the week without having to do so on Sunday. There are several expeditions fitting out for to-morrow, and should the day prove fine, quite a heavy onslaught will no doubt be made. If some of these would-be sportsmen were brought up and the $50 fine imposed, they would probably confine their shooting to week days in the future.

Victoria Circuit Court.

Victoria circuit opened opened on Tuesday at Andover, pursuant to the adjournment from the 28th September last, Judge Tuck presiding. J H Barry, of this city, prosecuting attorney, called the case of the Queen vs Eugene Price, George Price, Wilfred Price and Harry Mockler, charged with raising a row and beating a number of persons at Baptiste Theriault's son's wedding. John L Carleton appeared for the prisoners. Two of them, Eugene Price and Harry Mockler, failed to appear when called. It is said that they have left the country. They were acquitted.

Frank Smith, who was charged with stabbing his brother Judson on the 18th of August last, came up for trial. The defence was that the prisoner was in constant fear of his brother and acted in self defence. A verdict of guilty, with a strong recommendation to mercy, was brought in, and he was sentenced to six months in the county jail.

The case of the Queen v Baptiste Theriault for murder is now before the court.

Seth H Berry, of this city, court stenographer, is in attendance.

Chloride of Gold Treatment.

A stock company is being formed in this province of the "Hargreaves Depsocura," commonly known as the "Double Chloride of Gold" treatment for inebriates. Already stock enough has been sold to warrant the establishment of a sanitorium at Sussex; and as soon as the balance of the stock is disposed of other similar institutions will be established in various parts of the maritime provinces. The institute at Sussex is now being fitted up for the accommodation of patients, and within a few days everything will be in readiness for their comfort. After it is in running order we shall have more to say in regard to the merits of this wonderful treatment.

E. H. McLeod, a Fredericton gentleman, brother of rev. Joseph McLeod, who has been in the western states a number of years, will have the management of the sanitorium. We understand in the near future a branch of the sanitorium may be established in this city.

ANOTHER OPERATION.—Ex-councillor E Everett, of Kingsclear, who underwent an operation a short time ago for hip disease, had to have a second one performed this week. Although he stood the tlie operation very well, his many friends will be grieved to learn that he now lies in a somewhat critical condition.

Gibson Tea Meeting and Social.

That tea meeting at the Baptist church, Gibson, was a decided success!

We had the privilege of being present and were surprised at the rapid advance made by the building committee of the church toward the completion.

Kind mention was made of the persons who had contributed towards the building fund, which has enabled the committee thus far to avoid personal obligations financially.

The supper tables were spread in the new vestry, and were so pleasantly arranged that the contemplation alone, of them, served but to increase the appetite. That it was enjoyed was abundantly proved by three hundred persons from Marysville, Fredericton, St. Marys, as well as those at Gibson. To mention the bill of fare would not conduce to the comfort of those who staid away. If such things as chickens, turkey, potatoes, corn, with brown bread as well as white, tea and coffee, served hot, constitutes an abundance of good things, then we had it and more too, viz.: Waited on by maids and matrons who done all they could to please everybody.

Lucy & Co's bankrupt sale commences on Wednesday next. It will pay to get one of their price list. We select a few of their bargains: Men's buff boots, $1; women's kid boots, $1; misses button boots, 75 cents; men's reefers, $4 50; men's diagonal overcoats, $5 50. Buy early and secure the plums.

KESWICK RIDGE.

OCT. 24.—The fine weather of last week enabled the farmers to finish digging potatoes, and begin pulling roots. The crop of tubers is very good but rotting badly since being put in the cellars, some large yields are reported, as high as twenty-nine barrels being dug from one barrel's planting. The root crop promises good.

Now that the threshing machines have got to work, some large yields of grain are reported, for instance Charles Key threshed one hundred bushels of barley from less than two bushels of seed sown.

The fine weather of October brought quite a number of visitors to this place Isaac Baxter, wife and daughter and Geo. Carpenter and wife and master George Carpenter, of Boston, spent a fortnight with Mr. and Mrs. John McKeen, returning home on the 19th ult.

Mrs. Gregg and Frank Barker and wife, of Boston and Miss Jennie Guiou of Fredericton, paid their uncle, N. P. Estey, a visit on the 16th inst.

Mrs. Thomas Key of St. John, is visiting friends on the Ridge. All are pleased to see her.

The annual school meeting was held according to law on the 12th inst. After hearing the usual reports, John Sheldon was elected trustee to fill the vacancy caused by the retirement of Thomas Jewett, whose term of office expired. Samuel Pickard was re-elected auditor. The sum of $450 was voted for school purposes.

Wilford Coburn, who has spent two years in the west, has returned home a short time since and intends spending the winter here.

Mrs. F. Long who has been confined to her room for some time is not improving any.
