Ayer's Cherry Pectoral

For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

The reputation it has attained, in consequence of the marvellous cures it has produced during the last half century, is a sufficient assurance to the public that it will continue to realize the happiest results that can be desired. In almost every section of country there are persons, publicly known, who have been restored from alarming and even desperate diseases of the lungs, by its use. All who have tried it, acknowledge its superiority; and where its virtues are known, no one hesitates as to what medicine to employ to relieve the distress and suffering peculiar to pulmonary affections. CHERRY PECTORAL always affords instant relief, and performs many cures of the milder varieties of bronchial affection, as well as the more formidable diseases of the lungs.

As a safeguard to children, amid the distressing diseases which beset the Throat and Chest of Childhood, it is invaluable; for, by its timely use, multitudes are rescued and restored to health.

This medicine gains friends at every trial, as the cures it is constantly producing are too remarkable to be forgotten. No family should be without it, and those who have once used it never will.

Eminent Physicians throughout the country prescribe it, and Clergymen often recommend it from their knowledge of its effects.

Ayer's Sarsaparilla

For Scrofula, and all scrofulous diseases, Erysipelas, Rose, or St. Anthony's Fire, Eruptions and Eruptive diseases of the skin, Ulcerations of the Liver, Stomach, Kidneys, Lungs, Pimples, Pustules, Boils, Blotches, Tumors, Tetter, Salt Rheum, Scald Head, Ringworm, Ulcers, Sores, Rheumatism, Neuralgia, Pain in the Bones, Side and Head, Female Weakness, Sterility, Leucorrhœa, arising from internal ulceration, and Uterine disease, Syphilitic and Mercurial diseases, Dropsy, Dyspepsia, Emaciation, General Debility, and for Purifying the Blood.

This Sarsaparilla is a combination of vegetable alteratives—Stillingia, Mandrake, Yellow Dock—with the Iodides of Potassium and Iron, and is the most efficacious medicine yet known for the diseases it is intended to cure.

Its ingredients are so skilfully combined, that the full alterative effect of each is assured, and while it is so mild as to be harmless even to children, it is still so effectual as to purge out from the system those impurities and corruptions which develop into loathsome disease.

The reputation it enjoys is derived from its cures, and the confidence which prominent physicians all over the country repose in it, prove their experience of its usefulness.

Certificates attesting its virtues have accumulated, and are constantly being received, and as many of these cases are publicly known, they furnish convincing evidence of the superiority of this Sarsaparilla over every other alterative medicine. So generally is its superiority to any other medicine known, that we need do no more than to assure the public that the best quality is it has ever possessed are strictly maintained.

CATARRH.

Five Years' Sickness Cured by Four Bottles of Constitutional Catarrh Remedy.

Pain in Shoulders, Back and Lungs, an Droppings in Throat Disappear.

ST. ARMAND, P. Q., Sept. 12, 1876.

MR. T. J. B. HARDING

Dear Sir—Being desirous that others may know something of the merits of your CONSTITUTIONAL CATARRH REMEDY, I wish to inform you what it has done for me. I am twenty-nine years old; had been out of health for about five years. I had employed three or four different doctors, and tried various medicines, without receiving any permanent benefit, but continued rather to grow worse, until last fall, when I had become so bad as to be unable to do an hour's work at a time. Had severe soreness and pain under the shoulder blades and through the shoulders, with very lame back, and a feeling in my right lung as though there was a weight bearing it down, with continual dropping in the throat and down upon the lungs. Such was my condition when I commenced to take your Catarrh Remedy, one bottle of which eased my pains and gave me an improved appetite, and after taking four bottles I was restored to health so as to be able to endure hard and continued labor, such as chopping and clearing land, at which I have been engaged the past season. My recovery I attribute solely, with God's blessing, to the use of your Catarrh Remedy.

Yours truly HENRY SNIDER.

BY-LAW NO. 6 FOR 1876,

OF THE TOWN OF GODERICH, TO RAISE BY WAY OF LOAN UPON DEBENTURES THE SUM OF $6,000, FOR THE PURPOSE OF ACQUIRING CERTAIN LANDS HEREAFTER PARTICULARLY DESCRIBED FOR THE PURPOSES OF A PUBLIC PARK.

Whereas it is desirable, and the corporation of the Town of Goderich has resolved to acquire by purchase certain lands situate in the said Town of Goderich, for the purposes of a Public Park, which said lands are more particularly described in a survey made by Thomas Weatherald, Esq., P.LS., as follows:

Commencing at a point on the North limit of West street, said point being due west one hundred and fifteen and a half (115½) feet from the Southeast angle of lot five; thence Westerly along the Northern limit of Harbor street seven hundred and nineteen and a half (719½) feet more or less to the Southeast angle of Harbor Lot 1042; thence due north twelve degrees and a half east along the easterly limit of said lot 1042, ten hundred feet; thence northeasterly following the southerly side of railway property four hundred and seventy-two (472) feet; thence southeasterly parallel to the easterly boundary of the Widder property) one hundred and seventy-six (176) feet more or less to the centre of a Locust tree on the top of bank; thence due south four and a half degrees west one hundred and thirty-six (136) feet; thence due south sixty-seven degrees east two hundred and sixty (260) feet to the place of beginning.

The whole containing an area of three acres, two roods and twenty-eight perches (3a, 2r. 28p.) more or less.

And whereas to carry into effect the above recited object it is necessary for the said corporation of the Town of Goderich to raise the sum of six thousand dollars in the manner hereinafter mentioned.

And whereas the amount of the whole rateable property of the said Town of Goderich, irrespective of any future increase in the same, and irrespective of any income to be derived from the temporary investment of the Sinking Fund hereinafter mentioned or any part thereof according to the last revised assessment roll being for the year One Thousand Eight Hundred and Seventy-Six, was one million one hundred and four thousand four hundred and sixty dollars (1,104,460).

And whereas the amount of the existing debt of the said Town of Goderich is the sum of sixty-three thousand and five hundred dollars for principal and no principal or interest in arrear.

And whereas it will require the sum of three hundred and sixty dollars to be raised annually for the payment of the interest on the said sum of six thousand dollars at the rate of six per cent. per annum, and also the sum of three hundred dollars to be raised annually for the purpose of a sinking fund as also hereinafter mentioned, making a total amount of six hundred and sixty dollars to be raised annually in each year for the purpose of paying the said debt and interest.

And whereas for paying the interest and creating an equal annual sinking fund for paying the said sum of six thousand dollars and interest as hereinafter mentioned, it will require an equal annual rate of six-tenths of a mill in the dollar in addition to all other rates and taxes to be levied in each year.

Be it therefore enacted by the Corporation of the Town of Goderich, in the County of Huron as follows:

1st: That it shall and may be lawful for the said Corporation of the said Town of Goderich to acquire by purchase the lands herein before particularly described for the purpose of a public park pursuant to the statute in such case made and provided, for the sum of six thousand dollars.

3d. That it shall be lawful for the Mayor of the said Corporation to raise by way of loan, from any person or persons, body or bodies corporate, who may be willing to advance the sum upon the credit of the debentures hereinafter mentioned, a sum not exceeding in the whole of six thousand dollars, and upon the said sum being raised he shall cause the same to be paid into the hands of the Treasurer of the said Corporation for the purpose and with the object above recited.

4th. That it shall be lawful for the said Mayor to cause any number of debentures, not exceeding in the whole, six thousand dollars, to be made for such sums of money not less than one hundred dollars each and that the said debentures shall be sealed with the seal of the said Corporation and be signed by the said Mayor and countersigned by the Treasurer of the said Corporation.

5th That the said debentures shall be made payable in twenty years from the day hereinafter mentioned for this By-law to take effect at the office of the Treasurer of the said Corporation, and shall have attached to them coupons for the payment of the interest, annually signed by the said Mayor and Treasurer.

6th. That the debentures and coupons shall be made out in the currency of this Dominion, so that the whole amount shall not exceed the before mentioned sum of six thousand dollars, and they shall bear interest at the rate of six per cent. per annum, which interest shall be payable on the first day of February, in each and every year during the continuance of the said debentures, at the office of the Treasurer of the said Corporation.

7th. That for the purpose of forming a sinking fund and for the payment of the said debentures and the interest at the rate aforesaid to become due thereon an equal special rate of six-tenths of a mill in the dollar shall in addition to all other rates and taxes be raised, levied and collected in each year upon all the rateable property within the said Town of Goderich, during the continuance of the said debentures or any of them.

8th. That this By-law shall take effect and come into force upon the Eighth day of December, One Thousand Eight Hundred and Seventy-six.

And be it further enacted that the votes of the ratepayers entitled to vote on said By-law shall be taken on the said proposed By-law at the places at which the last Municipal Elections were held as follows: In subdivision number one, in a shop on lot 124, Kingston street, James Addison Returning Officer; in subdivision number two, in John Stewart's Auction room, on Kingston street, John Stewart Returning Officer; in subdivision number three, in the Firemans' Hall, East street, Stephen Yates Returning Officer; in sub-division number four in John Pasmore's waggon shop, Thos. TAKE NOTICE.
