Scribner's Monthly

FOR 1876.

The publishers invite attention to the following list of some of the attractive articles secured for Scribner's Monthly for the coming year. In the field of fiction, besides numerous novelettes and shorter stories, there will be

Two Remarkably Serial Stories

BY AMERICAN AUTHORS.

The first of these, now complete in our hands,

"Gabriel Conroy,"

By BRET. HARTE.

Begins in the November number.

and will run for twelve months. This is Mr. Harte's first extended work. The scenes and characters, which the author has chosen from his favorite field, California, are painted with characteristic vividness and power; and the work is without doubt the most graphic record of early California life that has yet appeared

We shall also begin in the January number,

"PHILIP NOLAN'S FRIENDS,

Or, Show Your Passports,"

By EDWARD EVERETT HALE.

The scene of this story is laid in the southwestern territory, now forming the States of Louisana and Texas, at the time of Aaron Burr's treason. The characters lived in a section which was now American, now French and now Spanish, and this record of their adventurous lives makes a story of intense and unflagging interest throughout.

A SECOND "FARMERS VACATION,"

By Col. GEO. E. WARING, Jr

Col. WARING is now in Europe, visiting, in a row boat ride of two hundred and fifty miles, one of the most fertile and interesting of the vine-growing valleys of Europe. This second series of papers promises to be even more interesting than that with which our readers are already familiar.

CENTENNIAL LETTERS,

Edited by John Vance Cheney.

A rare collection of Revolutionary Letters, mainly from stores in the hands of the descendants of Col. JOSEPH WARD. They are full of interest, and will be read with a rare relish in connection with the Centennial celebration of the year

Brilliantly illustrated Articles on

AMERICAN COLLEGES,

Written respectively by their friends, will appear during the year. The revived interest in college life makes these papers especially timely, and will secure for them unusual attention.

OLD NEW YORK,

Frequently illustrated articles on old New York, by JOHN F. MINES, will appear at once, and will attract the attention of all, in city or country, who mark with interest the development of the great metropolis, and affectionately remember the quaint peculiarities of its olden time.

Every number is profusely illustrated, thus enabling us to give to our descriptive and narrative articles an interest and permanent value never attained in a non illustrated periodical. Under its accustomed management the Magazine will in the future be devoted as it has been in the past to sound literature and Christian progress

The Editorial Departments,

occupy over twenty pages of each number and contain Dr Holland's vigorous and timely editorials, as well as Reviews of the latest works of Art, Literature, and Science.

TERMS:

$4.00 a Year, in advance, 35cts. a Number.

The 10 vols., complete, Nov. 1870, to Oct. 1875, bound in maroon cloth $20.00

"EVERY SATURDAY"

MERGED INTO

Littell's Living Age.

THE LIVING AGE has been published for more than thirty years, with the warmest support of the best men of the country. It has admittedly continued to stand "at the head of its class," and its success is now greater than ever before. It has absorbed its younger competitor, "EVERY SATURDAY," and is without a rival in its special field.

A weekly magazine, of sixty-four pages, THE LIVING AGE gives more than

THREE AND A QUARTER THOUSAND

double column octavo pages of reading-matter yearly, forming four large volumes. It presents in an inexpensive form, considering its great amount of matter, with freshness, owing to its weekly issue, and with a *satisfactory completeness* attempted by no other publication, the best Essays, Reviews, Criticisms, Tales, Poetry, Scientific, Biographical, Historical and Political Information, from the entire body of Foreign Periodical Literature.

During the coming year, the serial and short stories of the

LEADING FOREIGN AUTHORS

will be given, together with an amount unapproached by any other periodical in the world, of the best literary and scientific matter of the day, from the pens of the above named, and many other, *foremost living Essayists, Scientists, Critics, Discoverers and Editors*, representing in every department of knowledge and progress

The importance of THE LIVING AGE to every American reader, as the only satisfactorily fresh and COMPLETE compilation of an indispensable current of literature,—*indispensable* because it embraces the productions of

THE ABLEST LIVING WRITERS

in all branches of Literature, Science, Art and Politics,—is sufficiently indicated by the following recent

OPINIONS.

"Reproduces the best thoughts of the best minds of the civilized world, upon all topics of living interest."—*Philadelphia Inquirer*

"In no other single publication can there be found so much of sterling literary excellence."—*N.Y. Evening Post.*

"The best of all our eclectic publications."—*The Nation, New York.*

"And *the cheapest.* A monthly that *comes every week.*"—*The Advance, Chicago.*

"The able essays, the most entertaining stories the finest poetry of the English language, are here gathered together."—*Ill. State Journal.*

"With it alone a reader may fairly keep up with *all that is important in the literature*, history, politics, and science of the day."—*The Methodist, N.Y.*

"The best periodical in America."—*Rev. Dr. Cuyler.*

"The best periodical in the world."—*Alfred St. Street*

"It has no equal in any country."—*Philadelphia Press*

Office of the Joseph Hall Manufacturing Co., Oshawa, Ont., July 17, 1875.

GEORGE STOCK, Esq., Toronto.

DEAR SIR,—We have been using your oil on our machinery for some years, and have no hesitation in saying it is the only good oil of the kind we have ever had, and it is the very best machine oil we have ever used. We recommend it to all our farmer customers as the best oil they can possibly buy. We suggest that you put it up in 5 gallon cans for their use, and we feel sure it will sell freely. Any one who gives it a trial will continue to use it.

Yours truly, F. W. GLEN, President.

As foreman of the above works, I beg to say I would rather have Stock's Extra Oil than Lard Olive or any other oil I have ever used.
