ONTARIO LADIES' COLLEGE.

Most Successful Institution and Highly Creditable Entertainment.

The most enjoyable and successful entertainment given for some time in the city was given Tuesday night in the theatre of the Normal School by the pupils of the Ontario Ladies' College, Whitby, under the patronage of His Honor Lieutenant-Governor Kirkpatrick and Mrs. Kirkpatrick. Seated on the platform were His Honor the Lieutenant-Governor, Rev. Dr. Hare, principal of the college; George A. Cox, president of the board; Chancellor Burwash of Victoria University, Rev. Dr. Dewart and Warring Kennedy. In the hall were noticed Messrs. H. A. Massey, W. D. Matthews, R. C. Hamilton, I. T. Barclay, H. B. Taylor, Ambrose Kent, Rev. Drs. John Burwash, Badgely and others. Several were unable to gain admittance to the hall owing to the large attendance.

The program opened with a part song by Misses F. Wilson, Fisher, Whitla, Massey, Taylor and Robbins, which was rendered in a very pleasing manner. Then followed a piano duet by Misses Wright and Barnes. Miss Ella Fisher gave a reading, entitled "Mary Alice Smith," in a highly artistic manner. She succeeded in perfectly representing the character of a little lover and delighted the audience. Miss Mason, quite a young girl, played a rather difficult violin solo and gave promise of great things in the future. Miss F. Wilson sang sweetly "Maritana, Gay Gitana." Miss Decker played the beautiful composition of Liszt, "Woodland Murmurs," with fine effect. Miss Ross sang "Angels' Serenade" with violin obligato by Miss W. Wilson. This young lady possesses a voice of good quality. A trio for piano, violin and violincello by Miss G. Taylor, Mr. J. Bayley and Miss Littlehales was a genuine treat. Miss Taylor is a brilliant executant and was well sustained by Mr. Bayley and Miss Littlehales. Miss B. Smith sang the "Jewel Song" from "Faust." Miss Smith has a voice of great compass under perfect control. Her trilling was done with more than ordinary smoothness and clearness. Miss L. Moore played most brilliantly Chopin's "Scherzo" B flat minor. This young lady wore a gold medal, and judging from her playing last night she was fully entitled to the honor. Miss Teskey gave Dalias' "Charity Grinder" most effectively. The old lady's misfortunes were vividly portrayed and greatly amused the house. Miss Dewart sang "O Mio Fernando." The young lady, though suffering slightly from a cold, compared favorably with the other vocalists of the evening. Misses Curtis and McPherson gave Act 1, scene II, from the "Merchant of Venice" in capital style. The musical part of the program was furnished by a piano concerto from Mendelssohn, by Miss Reid, with accompaniment of piano and string quartet, by Mr. J. W. F. Harrison, Mr. J. Bayley, Miss W. Wilson, Mr. Napolitano, and Miss Littlehales. Miss Reid's execution was very fine and the entire selection was given admirably by all concerned. His Honor the Lieutenant-Governor gave an admirable address, in which he complimented the Rev. Dr. Hare, principal, the pupils and faculty of the Ontario Ladies' College on the great success which had crowned their efforts in Whitby, and on the program which they had so ably rendered to the entire satisfaction and delight of all present. Votes of thanks were moved by Rev. Dr. Dewart and Chancellor Burwash to His Honor the Lieutenant-Governor, Hon. G. W. Ross and Rev. Dr. Hare, and seconded by George A. Cox and Warring Kennedy, and carried most enthusiastically. Then the platform was cleared and 10 young ladies dressed in white Grecian costume, Misses McPherson, Curtis, Smith, McDowell, Ross, Duncan, Teskey and Fisher, gave an exhibition of physical culture drill that is carried on every day at the college. The movements were exceedingly graceful and beautiful and thoroughly charmed all present. "God Save the Queen" brought to a close an exceedingly creditable program. Nearly every number was encored, but none was granted. It is generally known that the Ontario Ladies' College is an institution of which the people of Toronto and Ontario may feel justly proud, and we wish it continued and increasing prosperity.

PARKER WILL FIGHT.

Another Charge of False Pretences Preferred Against Him.

Alfred J. Parker appeared at the Police Court yesterday morning to answer to the charge of having obtained money under false pretences from Amos Parker, machinist, of Chatham, Ont. The details of the charge have already been published in The World, and Mr. Parker when arraigned pleaded not guilty. Mr. A. J. Parker's counsel, Mr. E. E. A. DuVernet, was anxious that the case be tried summarily by Magistrate Denison, but this the latter refused to do, and decided to take such evidence as would be sufficient to commit Mr. Parker for trial. Amos Parker, the complainant, stated that he replied to a missing letters' prize competition, in which the guesser was required to discover the name of a large Canadian place which began with "T." His answer was "Toronto," and he sent on three $1 subscriptions and 75c. for express charges on the prizes he was notified he had won. He had received neither prizes nor paper.

Miss Belle McCarten, who was cashier of The Queen from its inception until January last, gave evidence that all answers that were correct were prize-winners, and in the case of Amos Parker the correct answer was "Thorold."

James Brennan swore he was employed by Mr. Parker as manager, and that subscriptions were taken for months after the suspension of the publication, and that he was not engaged by Mr. Thomas Gillespie, but had been instructed by Mr. Parker to pay no attention to complaints.

The Magistrate then committed Mr. Parker for trial and took his own bail for $200.

Yesterday afternoon another summons was issued against A. J. Parker by A. C. Anderson & Co., jewelers, of 18 Wellington-street east. The charge is that Mr. Parker fraudulently obtained a promissory note for $300 from the firm's bookkeeper, Mr. Kirby.

Messrs. Anderson & Co. refuse to say anything of the matter beyond the fact that it has nothing whatever to do with the "Canadian Queen" matter.

Mr. Parker states that the note was received by him in part payment for $743 worth of silverware ordered by Anderson & Co. Subsequently Anderson disputed the matter and Mr. Parker offered to return the note if his goods were returned, but Anderson & Co. did not do this.

Mr. Parker states that, as he has already had so much newspaper notoriety, both cases will be fought out in the courts to the end.

Central Fire Hall Site.

Fourteen offers have been received for a central site on which to erect a large fire hall. Only five of the sites will at all meet the requirements, and they are located and valued as follows:

Richmond-street, west of York, 98 feet by 128 feet, price $27,750.

Adelaide-street, northeast corner of York, 128 by 105, $43,400.

Richmond-street, north side near Bay, 87 by 107, $20,400.

Richmond-street, north side, 110 by 114, $30,250.

Adelaide-street west, Nos. 146 to 152, 100 by 167, $20,000.

These the committee will visit on Tuesday afternoon.

Always on Hand.—Mr. Thomas H. Porter, Lower Ireland, P.Q., writes: "My son, 18 months old, had croup so bad that nothing gave him relief until a neighbor brought me some of Dr. Thomas' Eclectric Oil, which I gave him, and in six hours he was cured. It is the best medicine I ever used, and I would not be without a bottle of it in my house."

One Year for Highway Robbery.

William Beasley was convicted by Judge Macdougall yesterday of having been one of two parties who held up Richard Guthrie on Dundas-street bridge on March 25 last and relieved him of $34. This being his second conviction for the same offence, Beasley was sentenced to one year's imprisonment in the Central.

Mr. Sproule To Get His Commission.

Mr. Justice Rose yesterday delivered judgment in the action of R. K. Sproule against Frank S. Wilson, giving the plaintiff $200. The action was to recover $400 commission on a loan which the plaintiff procured for the defendant.

A COMPLICATED CASE.

Peculiar Circumstances Arising Out of an Insurance Policy.

Mr. Justice Ferguson handed out judgment in the special case regarding the disposal of the proceeds of an insurance policy on the life of John Eaton of Evansville, Algoma, who died in Jauary, 1893. He had insured his life in the Manufacturers' Life Insurance Company by a policy dated Sept. 8, 1890, for $1000. The policy was payable "to his wife, Sarah Eaton, her executors, administrators or assigns." John Eaton died without having assigned the policy or in any way altered the direction as to payment. The company paid into court the amount due under the policy. Sarah Eaton was the first wife of John Eaton and died during his lifetime, leaving a will by which she gave all her estate to her husband absolutely and appointed him sole executor "to devise, if necessary for the benefit of her children," and she left several children, who were children of herself and John Eaton. John Eaton never made any disposition of the estate of Sarah Eaton. After the death of Sarah John married again. His second wife, Mary Eaton, survived him and was appointed administratrix of his estate. The dispute was between the creditors of John Eaton's estate and the estate of Sarah, his first wife. His Lordship holds that the money belongs to the creditors of John's estate, the provision in the policy in favor of Mrs. Eaton becoming void on her death.

Mr. Farewell's Estate.

Chancellor Boyd yesterday made the final order in the administration of the estate of the late Abraham Farewell, M.D., A.D. for South Ontario. The $2000 to be divided among societies not named is disposed of as follows: The Dominion Alliance gets $1000, Sons of Temperance $400 and the Good Templars, the Royal Templars and the W.C.T. Union $300 each.

ON TRIAL.

That's a good way to *buy* a medicine, but it's a pretty hard condition under which to *sell* it. Perhaps you've noticed that the ordinary, hit or miss medicine doesn't attempt it.

The only remedy of its kind so remarkable in its effects that it can be sold on this plan is Dr. Pierce's Golden Medical Discovery. As a blood-cleanser, strength-restorer, and flesh-builder, there's nothing like it known to medical science. In every disease where the fault is in the liver or the blood, as Dyspepsia, Indigestion, Biliousness, and the most stubborn Skin, Scalp, and Scrofulous affections, it is *guaranteed* in every case to benefit or cure, or you have your money back.

To every sufferer from Catarrh, no matter how bad the case or of how long standing, the proprietors of Dr. Sage's Catarrh Remedy say this: "If we can't cure it, perfectly and permanently, we'll pay you $500 in cash." Sold by all druggists.

TIPS FROM WALL-STREET.

Monroe, Miller & Co. of New York send the following despatch over their private wire to their Toronto office:

NEW YORK, May 3.—The stock market opened feverish and weak at declines extending to 1½ per cent., W.U. and Reading being the only stocks that showed any resistance to the pressure to sell by the bear party. National Lead showed the greatest weakness of the low-priced Industrials, on the rumor that an opposition company, composed of capitalists engaged in the paint business, will soon be started to manufacture white lead, and cut the prices of the Trust.

Chicago, Burlington & Quincy was bought by the Cammack party on a scale down.

The Manhattan Special Committee on Extensions has promised to give the Rapid Transit Committee a definite answer next Friday on the amended plans suggested by the latter.

The market was extremely feverish throughout and at times it was panicky. This was especially so in the Industrial stocks. Cordage, Sugar, Rubber, Tobacco, Chicago Gas all showed declines extending from 3 to 16 per cent.

The fluctuations were violent and attended by considerable excitement. Forced liquidation, due to the calling of loans, exhausted margins, meeting of stop orders and the absence of support, all contributed to the most nervous condition that has been observed for a long time.

GOSSIP FROM CHICAGO.

R. Cochran received the following from Kennett, Hopkins & Co.:

CHICAGO, May 3.—Wheat—Outside of Government weather and crop bulletin for the past week, which is bullish, the news has been unimportant. Trade was light most of the day, and the strength has apparently been due rather to the absence of offerings than to any demand. Foreign markets are as dull as ours, and so long as foreigners can get here all the cheap wheat required there is evidently no occasion for them to advance their own markets. Weather in Northwest more favorable. Exports light and receipts liberal. Corn and oats have begun to feel the strength of the influence that has prevailed for some days, which the fear of tight money and heavy May deliveries held in check temporarily. The season here is getting late. Early plantings have rotted in the ground in some instances. The outlook abroad for seeding grain is quite as unsatisfactory as here. Indications warrant higher prices. Provisions steady and inactive, big holders supplying all demands, but holding the market reasonably firm.
