CAPITAL—ONE MILLION STERLING.

Empowered by Special Act of Parliament, 4 Vict., Chap. 9.

REDUCED RATES OF PREMIUM—HALF CREDIT RATES OF PREMIUM.

THE great and decided success which has attended this Institution, has induced the Directors to REDUCE the RATES originally required in British North America, to the ordinary European Rates. The result of such Reduction is to enable parties to avail themselves of the important benefits to Life Assurance at *much lower Rates of Premium than those of any other Assurance Company transacting business in Canada.*

The Directors have also resolved to extend to British North America the advantages afforded by the HALF CREDIT RATES of PREMIUM which have been so highly approved, and are so generally adopted by Policy Holders in the United Kingdom. The most liberal conditions are likewise offered to the Assured in the limits to which they may proceed by sea or land, to other parts of North America without affecting their Interest in their respective Policies.

TURKISH BLACK SALVE.

UNDER THE PATRONAGE OF THE HONORABLE THE EAST INDIA COMPANY.

THIS SALVE, prepared from the original Receipt, procured from a celebrated Turkish Hakim, (physician) of Smyrna, in Asia Minor, and which has obtained an unprecedented celebrity in Great Britain and the East Indies, from the astonishing Cures performed by it in both these countries, has lately been introduced into Montreal. As might be expected, its popularity has followed it, and its use is becoming general among all classes. The contracted limits of an advertisement necessarily precludes entering into any adequate detail of its merits, but, for the information of the public, it is intended to publish, from time to time, such statements of cures as have or may occur. It has been used for the following complaints with the most complete success:—Such as Swollen Glands, Broken Breasts, White Swellings, Whitlows, Scalds from Steamboat explosions, or other causes, Burns, Fever Sores, Scrofulous Sores, Sore Nipples, Carbuncles, Scald Head, Gun-shot Wounds, Bruises, Boils, Frostbites, Wens, Chilblains, Ulcerated and Common Sore Throats, and Bunions. If used in time, it will prevent or cure Cancers, also, Swellings arising from a blow on the Breast, Ring Worm, Pains in the Back, Rheumatism, Gout, Pains in the Chest, Palpitation of the Heart, Complaints in the Liver, Spine, Heart and Hip, Rushing of Blood to the Head, Swelled Face and Toothache. In fact, it is impossible to enumerate half the complaints that have been cured by the application of this Salve.

Sold in Montreal by S. J. LYMAN & Co, Place d'Armes; SAVAGE & Co., Notre Dame Street; URQUHART & Co., Great St. James Street; W. LYMAN & Co, St. Paul Street, and in all the principal Cities in Canada.

Truth for the Million.

The great number of parties, (including the most eminent physicians of the Province,) who have testified to the efficacy of these waters, whilst it has placed them high in the estimation of the public, has induced some other proprietors of so-called mineral springs, to try to put their waters on the same footing with the Plantagenet. Nothing can be more absurd than this. These other inferior Springs have been known to the public in some instances for fifty years, and in that time what have they done? Have they anything to show for the patronage they have received from the public? How have they stood since the Plantagenet came into the field? It is now only three or four years since the Plantagenet Waters were introduced to the Public, and in that short space of time what has become of other Springs, which were known before them? Can any amount of puffing make the public believe that they deserve to be mentioned in the same breath with the Plantagenet Spring? It may be safely said that no one who has once used the Plantagenet Water will ever use any other water. Their inferiority is so marked, and they are comparatively so worthless, that hundreds have declared that they would sooner pay twenty times the price for Plantagenet Spring Water, than for the best of them. Yet some of these Springs have a great advantage in locality over the Plantagenet, in as much as they are nearer Montreal, and are accessible, (if they are worth seeking,) to all classes without difficulty.

One great cause of this preference is the distinct character of the Plantagenet Water, and more especially its solidity of body, and the glutinous quality it possesses, which distinguishes it in a remarkable degree from all other waters, which appear poor and thin in comparison with it. It may be truly said to have done more for the public health in four years, than any other water has ever performed in fifty, and some of the cures it has effected are truly miraculous. Many of these facts are already before the public, and others can be ascertained at Plantagenet, where the public are invited to judge for themselves. In severe cases of rheumatism and other chronic disorders it is almost infallible, a number of cases having occurred where parties who had lost the use of their limbs have been restored to health and vigor by the use of it. The public are invited (in confirmation of this fact) to peruse the numerous testimonials of medical men and others, and particularly that of Dr. Nelson, who speaks of effects produced on members of his own family. Such being the case, it cannot be wondered at that the Plantagenet Water has driven all competitors from the field, and that its value should be placed so high above all other Springs ever discovered in the country.

As evidence of this, it is only necessary to refer to the names of the eminent Physicians, and public and private individuals, who have certified to the virtue of the Plantagenet Waters, and who regard it as a boon to the country.

In conclusion, let it be borne in mind, that it is not simply as a saline drink that these Waters are beneficial, but because they have an oily, fattening property, unknown to any Water besides. There is, in fact, but one Plantagenet spring, and the more that is known, the higher its reputation, and the more all others sink into insignificance beside it.

It is enough to read the names given below, of parties who have used the Plantagenet Waters, to be satisfied of their superior excellency over all others:—Doctors Crawford, W. Nelson, W. Fraser, Horatio Nelson, George W. Campbell, Archibald Hall, Alex. McCulloch, Robert L. McDonnell, J. G. Bibaud, E. H. Trudel, H. Mount, J. L. Leprohon, S. C. Sewell, W. Badgley, H. Peltier, J. E. Coderre, L. F. Tavernier, G. D. Gibb, P. Beaubien, Picault, James Grant, L. H. Masson, S. B. Schmidt, W. P. Smith, P. Munro, T. Leduc, W. Wright, L. Boyer, the Hon. A. N. Morin, the Hon. Louis Joseph Papineau; the Hon. Peter McGill; C. Wilson, Esq., Mayor of Montreal; [illegible] Ex-Mayor; [illegible] Belleau, Esq., Mayor of Quebec; [illegible] D. Bernard, Esq.; Louis Boyer, Esq.; [illegible]; Leprohon, Esq.; J. Belle, M. P.; [illegible]; Peltier; J. S. Cameron, Esq., and many others.
