Berlin, May 16.—Baron Von Kotze, formerly Court Chamberlain, was today sentenced to two years' imprisonment in a fortress for the killing of Baron Schrader, master of ceremonies of the Prussian Court. The duel, which grew out of the anonymous letter scandal, which some years ago convulsed Berlin society, took place near Potsdam on the morning of April 16. Baron Von Schrader was fatally shot in the abdomen.

A BIG LOSS TO SARNIA.

The King Milling Company's Plant Totally Destroyed, Also Loughead's Hub and Spoke Works—Loss $70,000.

Sarnia, Ont., May 17.—About 5 o'clock this morning a fire broke out in the elevator in connection with the King Milling Company's property here and before it could be gotten under control spread to all parts of the company's large flour and oatmeal mills, burning them to the ground, together with all the stock of grain and flour in the adjoining warehouses. A terrific wind was blowing from the southwest, carrying the fire into the large brick block immediately east of the mill on Front-street, the property of Mr. King of the Milling Company, but by the extraordinary efforts of the firemen they managed to keep it from consuming the block. The loss will be very heavy, as the mill was rebuilt and equipped with new machinery and a large stock of grain and flour was in the premises. Part of the stock was saved. The loss will amount to about $30,000, and is partly covered in the following companies: London, Liverpool and Globe, Northern, Manchester, Mercantile, Phoenix of Hartford, Norwich Union and London Assurance, and possibly one or two others.

Following closely upon the fire of the King Milling Company property, the immense pieces of burning material which were driven in all directions by the gale set fire to the large hub and spoke works of James S. Loughead & Co., to the north of the King mills on Front-street. The force of the wind and the nature of the material in and around the factory furnished food for the flames, which, in a few minutes, completely enveloped the entire works and rendered it impossible to check their progress. The main factory and adjoining warehouses were completely demolished, together with an immense amount of manufactured carriage material. Two of the warehouses, full of goods, were saved, as also the mill alongside, which was run by Sterling & Vizard. The loss to Mr. Loughead will be enormous, something in the neighborhood of $40,000, and there is only a small insurance, something like $3000. This is the most disastrous fire Sarnia has experienced and besides the pecuniary damage, loss to the property will throw a large number of men out of employment.

Will Tobacco Rise in Price?

Havana, May 16.—The Government has issued an order prohibiting the export of leaf tobacco. This action is taken at the request of local cigar factories, which desire to be protected from the effects of American competition.

A GANANOQUE VETERAN

TALKS OF HIS EXPERIENCE.

Mr. George E. Fales, for the past ten years with the Gananoque Spring and Axle Co., well-known as a veteran of the American War, having served four and a half years in a Maine regiment, and popular in Masonic circles, says:

"When I got Doan's Kidney Pills at Harrison's drug store I was in extremely bad shape, having had kidney disease for a great many years. Twenty years ago I was in the hospital with it for six weeks.

"When I first began taking Doan's Kidney Pills there was a great deal of sediment in the urine of a reddish color, and caused me extreme trouble in passing it. I had a very bad pain which seemed to be right in the kidneys themselves, and felt tired and weary all the time.

"Neuralgic pains in the head, together with dizziness, gave me great distress and my sleep was broken by continued pain. I have taken four boxes of Doan's Kidney Pills altogether.

"Ten days after taking them the pain and soreness were all gone, and I felt greatly improved and relieved. In other words they have cleansed my urine and restored it to its natural state.

"Not having any pain now, of course I sleep naturally and rest well. I have doctored off and on for more than twenty years, and have never received the relief from any treatment of medicine which these pills have given me.

"They are a wonderful remedy for all the ills caused by kidney disorders, and I am thankful that after twenty years I have at last found a speedy and sure cure for the chronic kidney disease which afflicted me."
