BRANT.

No trace has been found of the woman who left the child on a Brantford doorstep a week ago.

The Grand Trunk car shops at Brantford have been placed on short time. Saturday is made a holiday.

Miss Hattie M. Baker, M.A., of Kingston, has been appointed science teacher of the Paris High School.

ELGIN.

D. E. Galbraith, classical master, St. Thomas Collegiate Institute, has been offered the position of classical master of the Collingwood Collegiate Institute at a salary of $900 per year. Mr. Galbraith will accept unless his salary is increased from what he is now receiving ($700) to $900 per year.

The 4-year-old son of James C. Wilkinson, son of J. Wilkinson, of the St. Thomas Times, who lives in Detroit, met with a horrible death Friday afternoon, the result of being burned. On Thursday afternoon the little fellow in some way obtained a number of matches, and they became ignited while he was fooling with them. His clothes caught on fire and he was fatally burned about the face and neck before his mother heard his screams and ran to his assistance.

BRUCE.

At the sixth annual W. C. T. U. Convention for the county of Bruce, held recently in Chesley, the following officers were re-elected: Honorary president, Mrs. McKay, Walkerton; president, Miss Fisher, Paisley; first vice-president, Mrs. Brown, Wiarton; corresponding secretary, Mrs. Scott, Paisley; recording secretary, Mrs. Butchart, Invermay; treasurer, Mrs. Keyes, Paisley. ESSEX.

R. J. Cleminson, of Windsor, for selling coal without having it weighed at the market scales, was fined $5 45 in the Police Court.

The father of young Long, who was drowned Saturday night at the ferry dock, Windsor, has offered a reward of $25 for the body.

J. C. Cameron, who has held the position of science master in the Windsor High School for two years, is going to take a course in the University of Chicago.

Arrangements have now been made with the Grand Trunk and the Canadian Pacific Railroads whereby an excursion of the French people in Essex county will take place to St. Anne de Beaupre Sept. 10.

MIDDLESEX.

A Pond Mills correspondent says: Fall wheat in the township of Westminster was not a first-class crop. The average yield would be about 18 bushels per acre. There was plenty of straw for an average of 25 bushels. The oats are a fair crop, the straw being short. The dry weather, accompanied by the large number of grasshoppers, has nearly destroyed the pasture completely. Owing to the failure of the cows in milk the Pond Mills cheese factory is only making half the number of cheese it did a month or two ago.

OXFORD.

With one exception all the Protestant clergymen of Woodstock are away on their holidays. Rev. Mr. Dadson is in Grimsby; Rev. Mr. Baldwin is at Niagara; Rev. Dr. McMullen is at Mackinac; Rev. Mr. Ross and Rev. Mr. Elliott are at the World's Fair; Rev. Mr. Farthing is at Port Dover, and Rev. Dr. Mackay is in Toronto.

There is complaint about the impurity of the Ingersoll town water.

The boiler at Baird's foundry, Woodstock, exploded Monday morning, but fortunately the damage was not serious. R. T. Crawford, jeweler, was present at the time, and had his right leg badly scalded, but the hands about the shop escaped entirely.

WELLINGTON.

Joseph Rydall, milkman, Guelph, had a valuable collie dog poisoned on Monday, for which he would not take $20. The animal picked a bone off the street and died at once. Reports of other dogs being poisoned are numerous.

WATERLOO.

The Berlin Record says: A certain clergyman from Waterloo county journeyed from Berlin to Chicago, and on nearing the exposition city he fell among thieves who attempted to rob him, but he was too much for them. This gentleman of the cloth and others were approached by a well-dressed stranger with a $10 bill in his hand, who asked if any of the party could change it for him. None of the others could, so he came to the clergyman, and the latter very obligingly drawing out his purse to see, the rascal snatched the purse and made a bolt for the door of the car, but before he could escape he was seized by the back of the neck by the clergyman in question and forced to hand back the stolen purse.

While tapping a gas main in Berlin Monday an employe of the gas company named Robinson was overcome by the rush of gas and was removed to his home in a faint. His body was as stiff as that of a corpse.

A Queen in Exile.

The ex-Queen of Naples, according to her annual custom, has just taken up her residence at the Hotel du Pavilion, Boulogne-sur-Mer, where she will spend a month or five weeks. Her Majesty, who was once a horsewoman as bold and dashing as her sister, the Empress of Austria, now finds her great delight in spending the whole day in an open boat upon the sea; and as she insists on going out regardless of the weather, her visits are a source of fearful joy to the Boulogne mariners, who are pleased enough to pick up a few twenty-franc pieces, but hardly share Queen Maria's contempt of life. It used to be no light task to pilot the Empress Elizabeth across a stiff hunting country, but the risks were trifling compared with those incurred by those who take part in her sister's aquatic recreations.—[St. James' Budget.

UNION PROHIBITION CONVENTION.

The following call, which explains itself, has been issued:

UNION PROHIBITION CONVENTION, PROVINCE OF ONTARIO, 1893.

In accordance with a suggestion made by the Grand Council R. T. of T., the undersigned have agreed to unite in a "call for a general Provincial representative convention of friends of temperance and prohibition.

It is firmly believed that there is to-day in the Province of Ontario an overwhelming public sentiment in favor of the total prohibition of the liquor traffic. This sentiment has made itself manifest in the many strong declarations made by church courts, temperance organizations, municipal councils, and many other representative bodies; in the many petitions laid before our Legislature and the Dominion Parliament, and in the eagerness with which our electors have taken hold of every legislative measure promising to suppress or limit the evil-working liquor-traffic.

Notwithstanding all that has been done the liquor traffic is still strong and aggressive. It burdens our country with a fearful load of suffering, poverty, disease, mortality and crime. It is increasing in wealth, and has a debauching and dangerous influence in our political affairs. It is manifest that to successfully meet this formidable enemy there must be a closer union of our forces, and a more determined and uncompromising demand for effective legislation and law enforcement. The imminent plebiscite on the question of prohibition is also a matter calling for special effort to secure the fullest possible demonstration of the people's desire for total prohibition.

In view of these facts every friend of right who may receive this "call" is earnestly urged to use his influence to make the coming convention a success. Officers of all societies are requested to bring the matter before their respective organizations; pastors are requested to lay it before their congregations; all these bodies are earnestly urged to appoint delegates to the convention on the basis hereinafter set out; newspaper editors are respectfully requested to give it as much publicity as possible.

The plan of representation is as follows: Every church and society to be entitled to two representatives, and each church or society having more than 50 members to be entitled to an additional delegate for each 50 or fractional part of 50 after the first full 50 members.

The following organizations are to be entitled to representation on the basis named:

Branches of the W. C. T. U., divisions of the Sons of Temperance, lodges of the I. O. G. T., councils of the R. T. of T., branches of the League of the Cross, Prohibition Clubs, any other prohibition or temperance organizations, church congregations, Young Men's Christian Associations, Salvation Army Corps, Societies of Christian Endeavor, Epworth Leagues, branches of St. Andrew's Brotherhood, Baptist Young People's Unions, any other young people's associations in connection with church work; the Provincial officers and executive committee of the Ontario Branch of the Dominion Alliance to be also members of the convention.

THE CONVENTION

will meet in the Temperance Hall, Temperance street, Toronto, on Tuesday, Oct. 3, at 10 a.m., and will probably last for two days.

REDUCED FARES

will be given by all railway lines. Each delegate will purchase, on starting, a regular single fare ticket to Toronto. He will also procure from the ticket agent at the same time a standard certificate, filled out, showing that he has purchased said ticket. This certificate he will present to the secretary of the convention, who will sign it. It will then entitle him to a return ticket free of cost, unless there should be fewer than 300 delegates holding such certificates (which is very improbable) in which case the return ticket will be issued at one-third the usual rate.

THE ONTARIO ALLIANCE.

The executive of the Ontario branch of the Dominion Alliance has requested the committee to state that it has been decided not to call the annual meeting of that body in September next, but suggests that the October convention resolve itself into such annual meeting, in which event the executive of the Alliance will request the convention to make any changes in the Alliance constitution and management that may be deemed necessary for the better carrying on of the united prohibition work of the Province of Ontario.

AN APPEAL.

It is anticipated that this meeting will be the largest, the most thoroughly representative and the most interesting gathering of moral reform workers ever held in this Province. All the organizations entitled to representation are earnestly urged to send delegates, and to do all in their power to make the convention a complete success. Our position is important. Our responsibilities are grave. Our opportunities are great. All over the land are signs of unrest. The temperance people are weary of evasion and delay. They are in earnest and will not be put off with anything short of a definite facing of this, the greatest political issue of this or any other age. Let us meet in earnest, unselfish, fraternal effort to plan definitely how best to secure a full recognition of the present urgency of our cause. "Let us go up and possess the land, for we are able." Sisters and brothers, Come!

Yours for God and home and country,

W. H. HOWLAND, president Ontario branch Dominion Alliance.

W. W. BUCHANAN, chairman Advanced Prohibitionists.

J. B. BROOKS, G. W. P. Sons of Temperance.

THOS. URQUHART, president Baptist Young People's Union of Ontario.

Safe, Sure and Painless.

What a world of meaning this statement embodies. Just what you are looking for, is it not? Putnam's Painless Corn Extractor—the great sure-pop corn cure—acts in this way. It makes no sore spots; safe, acts speedily and with certainty; sure and mildly, without inflaming the parts; painlessly. Do not be imposed upon by imitations or substitutes.
