6 FAVORITES SLAUGHTERED

Were Beaten on the O.J.C.'s Fourth Day at Woodbine Park.

ILLOWAHO WON PHEASANT PLATE

Sir Tom Tiddler, Handvice and Bonnie Burr Were the Outsiders to Score.

A large crowd turned out on Wednesday for the Ontario Jockey Club's fourth day at Woodbine Park. The weather was cloudy and after the heavy rain of the night before the track was heavy. Six races were on the card for decision, most of the fields being large. Not a single favorite finished in first place, and as a result the bookies made another haul. The feature event of the day, the Pheasant Plate, for three-year-olds, was captured by Illowaho, the second choice, Alfred Vargrave, the heavily-played favorite, finishing fifth. The talent picked King Top to win the steeplechase, but an unfortunate fall put Henderson's gelding out of the running. Higbie, who was sure-footed all the way, quit the stretch and was beaten by Handvice. Gormley was the winning jockey of the day, riding Illowaho and Bonnie Burr to victory.

In the first race, at three-quarters of a mile, Wellesley, the favorite, at 7 to 5, was beaten by Daly's Sir Tom Tiddler, amongst a poor field. Wellesley was unable to overtake Sir Tom Tiddler on the stretch and was lucky to hold second by a single length from Lamontagne, who, getting off to a bad start, at the three-quarter mile was second, but dropped back to third position.

The second race, for 2-year-old maidens, was Bonnie Burr's all the way, altho she was displaced on the stretch by June Collins. But well ridden by Gormley, by a brilliant dash of speed, won at 4 to 1 by a length from Burch's colt. Russell Garth, who was backed by the talent, altho she led for the first quarter, dropped to third place, which she maintained by two lengths at the finish.

Seagram's Gold Cure, with Minder up, was touted to win handily, but Turney's Glenwater and Basuto colds, heart out on the home stretch by a neck. Glenwater led at the start, but at the stretch was led by both Gold Cure and Wire Jr., who made a fine race, but by McInerney's vigorous drive, rushed ahead of the Seagram entry, who was two lengths ahead of Wire In.

It was all Springwell's in the fourth, Geo. Hendrie's gelding getting to a good start, with Basuto and Carrie I. close behind. Reaching the stretch Springwells drew away from the bunch, winning by three lengths from Arache, which Lovable, the latter making a game race in third place.

The fifth race on the card furnished much excitement, as at one time only two horses were in the going, the remaining half dozen King Top, the favorite, fell early in the race, when Higbie took the lead and led all the way, altho McManus gave Phelans' candidate a good run till the chirt-crush jump, when she also went down. From this on the contest was between Higbie and Handvice, the latter winning on the stretch in a drive by three lengths.

The last race on the card, the Pheasant Plate, was between Illowaho and Cook's Beckart, the former winning by three lengths, Beckart finishing strong. Handcuff raced in good form, replacing Khaki for third place by a length.

Finnegan was removed in the ambulance to the General Hospital at 6 p.m. His left collarbone was broken, and a bad hole near last night he was reported resting well.

The last race that was on to-day's card has been divided, making a good program of seven for the fifth day.

For Croquet Association.

Sporting Editor World: A few days ago several of the best croquet players of Toronto met on the grounds of the writer and enjoyed some very good games. The play of all was of a very high order, showing good knowledge of tactics and accuracy in play, the rules of the U.A.E.C. Association of England being strictly followed. At the close of the games an informal talk was indulged in as to the best means of making the game more generally known and popular. Some very good games will be played on the home stretch by Jack. Glenwater led at the start, but at the stretch was led by both Gold Cure and Wire Jr., who made a fine race, but by McInerney's vigorous drive, rushed ahead of the Seagram entry, who was two lengths ahead of Wire In.

RUGBY TEAMS AT PRACTICE.

Ottawa College and the Rough Riders Working Overtime.

Ottawa, Oct. 1.—The Varsity team had a light practice yesterday in preparation for the match with the Britannias Saturday, and all the men showed up well. A big practice will be held to-morrow. The team shows far better form than at the same time last year. Prospects are splendid for a championship team. Bob McCredie will play against the Brits., as he has not been able to practise on account of a sore knee.

Scrimmager Jack Cox will in all likelihood captain the collegians. The line-up for Saturday will likely be as follows: O'Brien, full-back; Uniacke, Callaghan and Beauline, halves; Cox, Harington and Donald, scrimmage; Ladeur, Austin, Cordwell, Martin, Filiatreault, Kennedy and Codd, wing.

Eddie Murphy and Jack Powers will commence practice with the Rough Riders tomorrow. Murphy has not been declared eligible to play by the Ontario Union. Of last year's team, there will be three back Telford, J. McGee, Sanderson, Ralph Bingham, Kennedy, Morley, Walters, Sandilly, Boucher, Hutton, out so far, along with Jack and Hal Walters of last year's Varsity fifteen.

O.R.F.U.'s Executive Meeting.

There will be a meeting of the O.R.F.U. Executive at the Rossin House to-night at 8 o'clock, when important business will be dealt with. A number of applications for permits to play in the junior series will also be taken into consideration. All the clubs taking part in the eight games scheduled in the O.R.F.U. series for Saturday have agreed upon referees. Harry Griffiths, the referee chosen by the Argonaut-Hamilton game on Saturday at Hamilton, has picked Jack McCallum as umpire. The scheduled game in the junior series between Galt and Guelph, on Oct. 18, at Galt, if played, will conflict with an Association football game. As a consequence, the Executive will rearrange the schedule, so that the game will be played probably on Thanksgiving Day at Galt.

Football Kicks.

The Intermediate Scots will practise on Bayside Park this evening at half past 5 o'clock. As this is the last practice before the match with Success Club on Saturday, all players are requested to turn out.

The Scots' football team will practise this evening at Bayside Park. A full ball will be on hand at 6. All are requested to be on hand, as the team for Saturday will be picked.

A meeting of All Saints intermediate football team will be held to-night at 7.30 in the school house. Electric light has been put in at Sunlight Park, and practices will be held in the evening on Monday, Wednesday and Friday, commencing at 7.30.

The junior players of the Toronto Rugby Club play the Wellesleys a game next Saturday afternoon, and the boys are going to be in good shape. All the junior players are requested to be at the Rosedale grounds to-night, when the seniors and juniors practise. The junior team will be selected after the practice.

Varsity Track Club.

The Executive of the Varsity Track Club met last night and completed some important details in connection with the annual games. The Central Organization Committee have taken charge of the monster demonstration, and parade, to be held just before the meet, and the parade will probably be the largest undertaken by the students for some years. The different colleges are already laying plans to outdo the others in their display, and some original ideas are likely to result. Last year medical School of Science succeeded in making the most noise, altho Pharmacy held the position of honor in the procession. The faculties and colleges are awarded their positions according to the percentage representation of their whole number registered. Last year Pharmacy turned out almost to a man, and are expected to repeat the trick again. They are likely, too, to have cause for enthusiasm, for they will send up a team that is bound to be a factor in the competition for the Toronto Cricket Club trophy. Preparations will be on hand for the sprints, and rumor has it that the O.C.P. has a number of dark horses for the weight events and distance runs. Taken altogether, that faculty trophy is going to cause a lot of trouble, and the college that wins it will need to hustle to do so.

Toronto Running Club.

The Toronto Running Club held a very successful organization meeting on Tuesday night, when the following active officers were elected: Captain, J. Reilly; vice-captain and secretary-treasurer, John N. Campbell, 302 West Bloor-street. The members will train for all the various athletic sports, including long distance running, and hope to carry the club colors, orange and black, to the front in athletic circles. Any young men wishing to join the club are cordially invited to correspond with the secretary-treasurer, whose address is given above.

Trouble for C.A.A.U.

Ottawa, Oct. 1.—While the Capitals' Executive may not be losing any sleep over the possibility of severing the club's connection with the C.A.A.U., yet the question is sure to arise if Brantford sends a challenge to the Shamrocks to play for the Minto Cup. This possibility is probably the reason that the matter is now becoming an active issue in Montreal. Should the Brantfords challenge, then the Shamrocks would be compelled to decide whether or not they would defy the C.A.A.U. The latter has practically placed the Brantfords under the ban, because they have played against the Tecumsehs, a rival lacrosse line-up included Griffiths. Griffiths was shelved by the C.A.A.U., and the union assert that any club playing a professionalized player or against one, will be cast out, and if the Shamrocks receive the challenge they will be compelled to either ignore the C.L.A.
