MINERAL WATERS
OF
POINT DU JOUR, PARISH OF L'ASSOMPTION.

THESE truly valuable WATERS are distinguished for the large quantity of Bromine and Iodine they contain, and are acknowledged superior to all other Medicinal Waters. They are the most agreeable refreshment of the description that have yet appeared. They can be used cold to the greatest degree in the most oppressive heat of Summer, and that without altering or affecting injuriously the health of the person using them; upon the contrary, they are found to improve and strengthen. The large number of cures effected by the use of the above Waters, enable us to recommend them to the public as an excellent remedy in a very great number of cases. The names of a few only of the persons of celebrity, who have given their written recommendation of the Waters, are here given. These, however, show the happy results arising from their application:—

R. Evq de Kingston,	A. Nelson, M. D.,
Jos. M. Belanger, Ptr.,	J. B. Meilleur, M. D.,
P. C. A. Munro, M. D.,	A. E. Regnier, M. D.,
Amable Simard, M. D.,	A. Rollin, M. D.,
L. G. Cazeneuve, M. D.,	C. Sabourin, M. D.,
E. H. Trudel, M. D.,	F. L. Genand, M. D.,
W. Nelson, M. D.,	F. H. Latour, M. D.,
R. L. Macdonnell, M. D.,	T. Ed'Orsonnens, M.D.
G. B. Biband, M. D.,	Dr. Dorion.

Persons who have not received the little volume containing these certificates at length, can obtain it at the Depots, where the Waters are Sold; by reading it, they will feel convinced that they have effected wonderful cures in various cases, and that they have been found superior to all others.

RIVIERE DES PRAIRIES, March 1, 1850.

SIR,—Since you are desirous to ascertain the effect which the Waters of the Point du Jour Springs have produced on myself, I must inform you, that I have used them medicinally at their Source, and have found them highly salubrious. I was at the time so affected by the consequences of a severe disease of the Digestive Organs, that my Physician judged it right to suspend for a time all active remedies, even for the repression of Dyspepsia and an absolute Retention of the Bowels, under 15th of which I was suffering severely. He prescribed for my relief the Mineral Waters, and I made use of those of the Point du Jour, as being the nearest. I was at the time so weak, that it was with difficulty I kept my feet. However, at the expiration of three weeks, I was restored by using the Waters. These Waters are of a gaseous nature, containing a large quantity of saline particles, and agreeable in the taste—taken in a large dose they are strongly laxative, but their purgative properties are unattended with griping,—those even who have been using them have not been weakened or enervated in their constitution in consequence; upon the contrary, by using them they find their appetite increased, and their digestion rendered more regular. After a dose of 3 or 4 four glasses, I found that they had the effect of increasing the urinary secretions at first, and that these decreased in the same proportion that the alvine secretions increased. The action of the nervous and sanguinary systems were thereby moderately augmented, and, instead of finding myself morose and sad as I had been during some days before then, I perceived myself involuntarily disposed to pleasure and gaiety. Many who, in the same circumstances, made use of the Waters by the recommendation of Dr. Cazeneuve, experienced the same effects. To conclude, I am of opinion, in conformity with the Analysis made by T. S. Hunt, Esq., that Physicians might employ it successfully in the same disease for which the Plantagenet Waters are so judiciously recommended.

Yours, respectfully,
AMABLE SIMARD, M. D.

ST. JOSEPH'S CONVENT, May 14, 1850.

SIR,—I observe with pleasure that the Mineral Waters, at their sources at Point du Jour, Parish of the Assomption, (L'Assomption,) are acquiring the celebrity they deserve. For myself, who am, perhaps, one of the first that alluded to them in the newspapers, in the year 1826, I can testify, that since then I have had occasion to try various Mineral Waters, nevertheless I have never doubted that the preference must be given to those of Point du Jour—having myself had much experience.

Agents for Montreal:—Dr. Picault, 36, Notre Dame Street, corner of Bonsecours Street; Benjamin Workman, Apothecary, corner of St. Paul Street, Custom House Square; O. LaLiberte, corner of St. Catherine and Visitation Streets.

The Proprietors have their Depot established at No. 6, Jacques Cartier Place, next door to the Hotel of Serafino Giraldi, Esq. The distance for conveying the Waters to the Depot is so trifling, that we are enabled to have a constant supply fresh, and are consequently in possession of a better market than any other person. Prices, 7½d. per gallon, and 2s. the dozen, (in bottles.) Sick persons, unable to pay for it, can have some *gratis*, by producing a certificate from their Physician, since we are unwilling that any should be deprived of these healing and wonderful Waters, prepared by Providence for his creatures, which are apparently designed for the alleviation and cure of many protracted and dangerous diseases.

£100 REWARD.

WHEREAS some malicious person or persons have circulated a REPORT that SEVERAL HUNDRED CHESTS OF DAMAGED TEAS, *had in their quality*, and (from the effects of salt water) *poisonous in their nature*, lately sold in this City, were purchased by me. I hereby offer a REWARD OF £100 to any person who will bring to conviction the author or authors of such a slander, as such report is false, malicious, untradesmanlike, and intended to injure my reputation.

It is well known that I and I alone have been the regenerator of the Tea and Coffee Trade in Canada, that mine (the Canton House) is the only establishment for the exclusive sale of Tea and Coffee in either the Upper or Lower Province, and, by my untiring exertions, has been placed in the proud position which it now holds, notwithstanding the immense amount of malicious opposition I had to encounter. It is also well known that I have never interfered with others; that I have never exposed the known fact of the utter impossibility of keeping Teas in a proper condition where turpentine, codfish, oil, soap, molasses, candles, snuff, tobacco, &c., &c., are kept; but when my good name is so cruelly and wantonly assailed, as in this case, I cannot overlook it, and have only to say, that should this calumnious slander be persisted in, the Public may have a list of the names of the purchasers of the Damaged Teas, above referred to, which is now in my possession, as I again repeat, no man shall sport with my hard-earned reputation with impunity.

PLANTAGENET WATER.—We have been requested to publish the following:—

Montreal, March 29, 1849.

Mr. Charles Lavoque having submitted to me an analysis of the *Water of Plantagenet Springs*, made by T. S. Hunt, Esq., and requested my opinion thereon, I have to state that the proportion and combination of ingredients must admirably adapt them for use in gout, gravel, rheumatism, some forms of liver disease, dyspepsia and dropsy; and to all forms of scrofula, except consumption.

In regard to its use in cholera, of which he has some important and respectable certificates, it is to be remarked, that the same treatment of cholera is rising into high favour in Europe, numerical investigations seeming to prove its superiority. Should such be the case, we have an excellent combination from the hand of Nature in the Plantagenet Waters.

JOY TO THE BED-RIDDEN.
A VALUABLE DISCOVERY FOR
THE INSTANT CURE OF PAIN.

RADWAY'S READY RELIEF
Cures the worst diseases in Minutes and Hours, and stops the most cruel pangs of pain in Seconds.

SO quick and efficient is RADWAY'S READY RELIEF, in stopping pain and curing disease, that it has frequently raised the diseased and helpless invalid from a bed of sickness in a few hours. It has frequently cured the worst pains in

Rheumatism	In four hours,
Neuralgia	In twenty minutes,
Tic Doloreux	In ten minutes,
Toothache	In three seconds,
Nervous Headache	In fifteen minutes,
Sour Stomach	In five minutes,
Heart-Burn	In five minutes,
Bowel Complaints	In thirty-five minutes,
Cramps and Spasms	In twenty-five minutes,
Diarrhœa	In one hour.
Inflammation of the Bowels	In thirty minutes,
Local Inflammations	In ten minutes,
Influenza	In twelve hours,
Housecsuess	In ten hours,
Spinal Complaints, Swellings,	Bruises, Sores, Wounds,

&c., it will remove ten times quicker than any other remedy in use.

LET THOSE WHO SUFFER TRY IT!

It will prove itself in a few minutes. As soon as it is taken internally, or applied externally, its beneficial effects are seen. It is better than all other remedies.

HERE IS THE PROOF.

There is no other remedy that claims to subdue the cruel pangs of pain in seconds, minutes, or even hours. They require the patient to use dose after dose before a favorable change is promised. Not so with Radway's Ready Relief. Its effects are instantaneous; the first dose that is taken; or the first external application commences its great work of relief from pain.

BEAR IN MIND,

That Radway's Ready Relief will cure either of the above-mentioned Diseases in one-tenth the time it takes any other Remedy to give even Partial Relief.

TAKING COLD.

This sentence is constantly in the mouth of every person, in order to explain certain complaints. Those who use it often, we think, have but a faint idea of its precise meaning. We will offer an explanation, which we believe to be the opinion of a majority of the most learned physicians. A person, for instance, has been over exerting any particular set of muscles—of the throat, from violent speaking—of the loins, by too much stooping or bending, or these or any other part of the body: these parts or muscles are, consequently, weakened and relaxed, and become a fair prey for any disease. The person who has been thus acting, accidentally or otherwise, exposes himself to the cold air, the perspiration immediately ceases, and the blood, which had been but just now circulating rapidly throughout the surface of the body, is repelled inwardly, and is sure to settle in those parts which have been previously wearied and relaxed. Here, then, we have an accumulation of blood, a congestion, which gives rise to all the pain and stiffness attendant upon such complaint. When this takes place in the throat, we have what is called Sore Throat; when in the loins, Lumbago or Stiff Back; when in the chest, Pleurisy. We also have it in the shoulder-blade, side, and other parts.

RADWAY'S READY RELIEF,

Taken Internally and applied Externally.

Its first action, when freely applied, is to blunt the acute sensibilities of the nerves, and almost instantly relieves the pain; its secondary action is to excite perspiration, and redden the parts over which it is applied almost to a glow, thereby determining the blood from the injured parts to the surface. In these cases, the READY RELIEF should be applied freely, at the same time rubbing the parts with a piece of flannel, and it will be found in every case to give immediate and permanent relief.

N.B.—If convenient, a piece of flannel saturated with the RELIEF, and tied or pinned around the parts, does good service.

A BAD COUGH CURED IN TEN MINUTES.

Mr. Rigdon, of Brooklyn, the celebrated Church Singer and Organ-Player, on the night of the 10th of December was attacked with a severe fit of coughing—so that he coughed from 9 o'clock until 12 o'clock, P. M., without three minutes intermission. One of the Clerks of Radway & Co., who sleeps in the next room, got up and gave him a tea-spoonful of the Relief internally, and bathed his throat, neck, and chest; he also saturated a piece of flannel with the Relief, and laid it over his chest. In a few seconds the coughing ceased, he could expectorate freely, and raised with perfect ease a great quantity of phlegm. The Relief instantly soothed the irritation of the throat, and removed the inflammation from the lungs, and gave free action to them, produced a free and copious perspiration of the throat and chest; and in ten minutes he was entirely free from pain, and sunk into a sound and pleasant sleep. In the morning he was free from hoarseness and cough, and has not been troubled since. Let every individual who is troubled with a cough, sore throat, influenza, or hoarseness, pursue the same plan, and we will warrant them a speedy cure.

LAMENESS.

If you have a stiff joint, a wrenched limb, a swelled leg, a bruise, or any thing short of a broken bone, Radway's Ready Relief will cure you. The lame have been restored to the free use of their limbs by a few applications of the Relief. The cripple, who has limped from his crutch, has been relieved of his pain, and enabled to stand erect, as God designed that Man should stand, by a few times using the Relief.

THE RHEUMATIC,

Who has been bed-ridden for years, shut out from the busy world, and lingered with pain upon a couch of sickness, deprived of the society of friends, and of the pleasures of life, has been *raised from a lingering death* by the soothing, healing, and pain-relieving influences of Radway's Ready Relief. In all cases of Rheumatism, even the worst cases—one trial of Radway's Ready Relief will prove its superiority over all other remedies in use.

BLEEDING AND BLIND PILES.

Are instantly cured by using the Ready Relief, by means of say a tea-spoonful of the Relief, a pint of Castor Oil, Molasses, and a quart of Water. If the sores are very bad, take a quart of Molasses, dip it in warm water, then wet it with the Relief, and lay it on the sores, you will have immediate relief and a speedy cure.

AGE VERSUS YOUTH.

Radway's Ready Relief renews the vigor of youth in old age. The old man of seventy is invigorated by its strengthening and exhilarating influence; it increases the vital energies to life—the heavy, sluggish motion of the functions of the body is quickened to a healthy action—and the hitherto dull and mop'ish old man becomes active and vigorous in old age, and his life prolonged to the full number of his days.

FOR ALL PAINS,

Whether internal or external, take Radway's Relief, or apply it externally, it will relieve pain and cure disease quicker than any remedy in use.

RHEUMATISM CURED IN TWO HOURS.

Mr. Jones, of Clifton, Va., writes:—A lady in this place has been confined to her room for four months with Rheumatism; she purchased a bottle of Radway's Ready Relief—in two hours she was able to leave the room, and in the evening she danced.

THIS GALVANIC EMBROCATION is an unparalleled remedy for the Cure of Rheumatism, Acute or Chronic, seated in the Head, Joints or Limbs, Tic Doloureux and Gout, in its worst forms, Palsy, Fits, Scrofula or King's Evil, Spinal and Hip Complaints, Stiffness of the Joints, Lumbago, Neuralgia, Chilblains, Fever Sores, Salt Rheum, Ring Worms, White Swellings, Diseases of the Skin, Erysipelas, Goitre or Thick Neck. It is likewise highly recommended in the most confirmed cases of Scrofula and Scrofulous Affections, &c., &c., &c.

It is now generally admitted, by the learned and scientific, that the mysterious power of Galvanism with Magnetism is in fact the principle of Vitality or Life, and that disease in many of its most painful forms is entirely owing to the absence of this Galvanic or Magnetic power in its healthy proportions. If, then, we can really supply this wonderful power, which is in fact LIFE itself, we can successfully combat disease; and this has been fully and perfectly attained by this most wonderful scientific discovery, of combining Magnetism or Galvanism with a Fluid which has cost the inventor of this remedy years of study and labor.

There is not an intelligent Physician, who has kept pace with the progress of science, that does not cordially approve of the use of the Magnetic power in various diseases, and there is scarcely a Medical Journal, either in this country or Europe, which makes its appearance, without the statement of various cases, showing some new effects of these practical agents, or corroborating previous experiments of their medicinal use. The inventor of the Galvanic Embrocation has great pleasure in being able to state, that a majority of the most distinguished Physicians of New York generally recommend this Embrocation in their practice, and from many of them he has received the strongest testimonials of approval and commendation.

ST. LEON AND CAXTON SPRINGS.

For the past twelve months I have frequently recommended the Waters of the St. Leon and Caxton Springs, and have formed a favorable opinion of their efficacy as aperients in various derangements of the system, and I find both Waters well adapted, in the generality of cases, for accomplishing all the purposes of the ordinary saline aperient draught, over which they have the alternative ingredients give them, for constant use, a superiority.

GREAT ENGLISH REMEDY!!!—THE MOST VALUABLE SPRING AND SUMMER MEDICINE IN THE WORLD!

HALSEY'S FOREST WINE!

Patronized by the Nobility and Medical Faculty of England, and esteemed the most extraordinary Medicine of the Age.

MEDICINES containing Molasses or Liquorice, like the boasted Sarsaparillas, require many large bottles to produce the slightest change in health. The *Forest Wine* is altogether a different article. It contains no Syrups to give it consistency, but acquires the excellent flavor and powerful medicinal qualities from the vegetable plants of which it is composed. The *Forest Wine* combines the virtues of the

WILD CHERRY, DANDELION, YELLOW DOCK, and SARSAPARILLA

With other valuable Plants whose properties are still more powerful.

Its high concentration renders it one of the most efficient Medicines now in use. Less than a single bottle restores the lingering Patient from weakness, debility, and sickness, to strong and vigorous health. Every dose shows its good effects on the constitution, and improves the state of the health. The *Forest Wine* is recommended, in the strongest terms, for all complaints of the

STOMACH, LIVER, KIDNEYS, NERVOUS BOWELS, BILIOUS AFFECTIONS, DROPSY, DYSPEPSIA, LOSS OF APPETITE, JAUNDICE, FEMALE COMPLAINTS, SCROFULA, AND ALL DISORDERS ARISING FROM BAD BLOOD AND IMPURE HABIT OF THE SYSTEM.

SAVED FROM DEATH!!
