WOODSTOCK FACES NOVEL SITUATION

Mayor Thorne is Ill, Three of the Aldermen Refuse to Serve and There is No Quorum

Woodstock, N. B., Feb. 14—Mayor Thorne, editor of the Sentinel, who has been confined to his home all last week from what was thought a bad cold and biliousness, but which has developed into typhoid fever, was removed to the hospital last evening. His many friends throughout the province will trust for an early and complete restoration to health.

The illness coming at this particular time is unfortunate as regards his personal and public duties. At the council board there is a bare quorum with Mayor Thorne in the chair. Ald. Gallagher refused to qualify and his seat was declared vacant. Ald. Fawcett and Dugan, after attending a few meetings, have expressed their intention of retiring. With the mayor sick, Ald. Fisher, Hagerman and Ketchum do not constitute a quorum. A new election in March will give one more member which will make a quorum if business does not call any of them away from town. But the court duties of Ald. Ketchum require his absence from town frequently.

EXPLAINED.

Button—Got a house in the country, eh, and going to buy an auto! Aren't you living a little beyond your station?

Snbbubbs—Yes; that's why I'm going to get an auto.

AT THE NICKEL

Holmes and Buchanan at the Nickel today will present for the first time on a St. John stage the enthralling mazes of The Merry Widow waltz, with singing accompaniment. This is an operatic work that has pleased the world with its lovely numbers and is yet being sung at protracted engagements in the large theatres. Mr. Buchanan will essay the role made famous by Donald Brian and Miss Holmes is to wear an exquisite black velvet gown. The music and stage settings of this novel number will, it is promised, be a revelation to Nickel goers.

The remainder of the programme will consist of the following pictures: Funny Silhouettes, An Anonymous Letter, Elephants as Servants, the Wax Figure's Adventure, etc. Mr. Courtnais will sing, Shine on Harvest Moon, and the orchestra will present late New York hits; Holmes and Buchanan at 3.30, 4.30 and four times in the evening.

THE CAMERAPHONE

In response to the request of many patrons, the cameraphone will today present their minstrel circle which was shown for one day only more than six weeks ago. This is an excellent musical and comedy number on the clearest set of records. The remainder of the programme, which will arrive on the noon train today, cannot be announced here, but a telegram from New York says: "The best programme ever shipped to St. John." The new lighting apparatus which arrived on Saturday is now in position and from now on the cameraphone will have a clear, steady picture; matinee every day at 2.30, evenings 7 o'clock.

AT THE STAR

Right up to the minute, with the best of films, and showing them on the curtain without a flicker, the new "Star" Theatre, in Union Hall, North End, commences the week with a picture most unusual merit, "The Forty-niner, a Tale of California in the Early Days of the Goldmining Rush." The other picture are "Waterproof Willie," "For the Motherland," two comedies and dramas. Miss Von Branders will sing the catchy song, "Oh, You Kid!" This clean theatre, so centrally located at the junction between North End, Fairville and Carleton, is creating a most favorable impression with its exclusive shows. The matinees are being particularly well patronized.

DEATH FROM HEART DISEASE

A Case of Neglecting a Weak Heart and Tired Nerves.

If your heart flutters, be careful.

An attack is liable to come on at any time. Excitement, over-exertion or emotion may cause it.

If blood rushes to the head, if palpitation and short breath are noticeable, there's cause for alarm.

If you want a good honest remedy try Ferrozone. We recommend Ferrozone because we know it's just right for heart trouble. It cured A. F. Beattie, who lives at Allen Hotel, Bay City, Mich. See if your symptoms resembles these:

SYMPTOMS OF WEAK HEART.

Nervousness,	Palpitation,
Trembling,	Dizziness,
Sinking Feeling,	Heart Pains,
Short Breath,	Weakness.

Mr. Beattie says:

"I was weak and miserable.

"I was subject to heart palpitation and dizziness.

"As I grew worse I began to have trembling and sinking sensations.

"Ferrozone strengthened my heart, gave vigor to my nerves, soon made me well. It's a great rebuilder."

By strengthening the muscles of the heart, giving proper circulation and causing a general rebuilding of the whole system, Ferrozone is bound to do grand work in heart trouble; try it, 50c. per box, or six for $2.50, at all dealers.

Hon. L. P. Farris, chief commissioner of the G. T. P. police, was in the city yesterday. He said that on Saturday he tried two liquor cases at Boiestown, both charges against Charles Label. Mr. Phinney appeared for the prosecution and F. A. Peters for the defence. Label was found guilty of both cases and was fined $100 and costs. Hon. Mr. Farris will leave for home this morning.

The carnival which was to have been given the children on Dr. H. B. Nase's open air rink on Saturday afternoon had to be postponed on account of the condition of the ice. It is hoped to have the carnival next Saturday.

A MONEY-SAVER.

Bronson—I've just given $100 for this diamond ring for my wife.

Woodson—It's a beauty! But isn't it rather—er—extravagant?

Bronson—Not a bit. Think what it will save in gloves!

A FLORIDA HOTEL IS BURNED; LOSS $200,000

Daytona, Fla., Feb. 14—The Hotel Carendon at Sea Breeze, one of the largest hotels on the east coast, with ten cottages adjoining the house, was totally destroyed by fire early today. The two hundred and fifteen guests who were asleep at the time were saved without injury and many were able to gather up most of their belongings.

When the blaze was first discovered the night clerk rushed the help to each room, notifying guests, who made their way hurriedly to the streets. At one time the flames appeared to be under control, but the wind shifted and they broke out anew and in less than three-quarters of an hour the entire building was burned.

The ten cottages, owned by H. R. Kochcreperger, caught fire from sparks and all were burning at the same time.

The hotel help was panic-stricken and the clerks could do nothing with them, one woman biting the clerk badly on the hand. The hotel was a wooden structure, valued at $200,000 and was insured for about 40 per cent.

The streets about the hotel are stacked with trunks, suit cases, bedding and furniture. The management is making every effort to take care of the guests.

SEAMAN'S INSTITUTE

Rev. Dr. O'Reilly will be the speaker in the Seamen's Institute this evening. Citizens and seamen are cordially invited.

Rev. A. B. Cohoe delivered a very interesting and helpful address to the seamen on Saturday evening. The ladies of the W. C. T. U. served refreshments. Mrs. J. W. Seymore presided. A. Rhodes, of the S. S. Canada Cape, sang a solo entitled Near the Cross.

On Sunday evening Rev. G. F. Scovil, rector of St. Jude's church, delivered a very helpful address, which was listened to with marked attention. At the song service many good voices were heard among the seamen.

AMBIGUOUS.

Sappley—I hope shortly to be able to pass an evening at your house.

Billyuns—That's right, my boy; pass it any time you happen to be in our neighborhood!

THE USUAL WAY.

Green—I hear, your country home was burned down last week. Did you save anything?

Wise—Yes; we succeeded in getting out some things we didn't want.
