SMALL CROWDS AT MONCTON RACES

MONCTON, July —There was a very small crowd today at the opening of the two days' horse racing meet, a little over two hundred dollars being taken in while six hundred was distributed in purses. There was some fine racing with spirited finishes. The 2.17 class was captured by Ada Mac, Summerside mare in a five heat race. Estelle Boy and Ada Mac fought it out almost every heat and finishes were close and exciting. The best time was 2.18 1-4. The track was soft and the weather conditions with a stiff breeze on the back track, unfavorable to sport. Major Wilkes, Frank Boutiller's horse, captured the 2.30 in which four heats were required. In the first heat of this race the tire came off the sulky of Robert C., but Wilbur nevertheless drove him to the finish and saved the distance. Fleetfoot of Springhill stables had a knee hurt in the first heat and was withdrawn. The summaries:

ST. PETERS SHUT OUT F. M. A'S.

About 400 people witnessed the game between St. Peters and F. M. A. last evening, and saw the St. Peters shut out the tail enders in a fast game. Hodd pitched a fine game for the league leaders, and Bent did well for the F. M. A. team, except in the last inning, when three hits were made off his delivery, enabling St. Peters with the aid of a couple of errors by the F. M. A. boys to bring in three runs.

THE RING

"Billy" Delaney, who trained James J. Corbett and James J. Jeffries for all their championship prize ring battles, has been engaged to prepare "Bill" Squires, of Australia, for future boxing bouts. Delaney is now trying to match Squires against "Mike" Schreck for a twenty round bout. With Delaney as his trainer, Squires should show a much better performance the next time he fights.

James J. Jeffries says that so long as an American holds the heavyweight pugilistic championship he will not fight. Immediately a foreigner obtains the title he will re-enter the prize ring.

"Jack" Goldswain, the lightweight champion of England, will make his debut in an American ring at the boxing carnival of the National Athletic Club of Philadelphia, on July 17. Goldswain's opponent will be "Harry" Lewis, of Philadelphia.

"Twin" Sullivan has posted a forfeit of $1,000 and issued a challenge to fight "Tommy" Burns for a purse and side bet.

INFANTS WELCOMED AT THE PLAYGROUNDS

Vote of Thanks Passed to Caprice Performers.

A meeting of the playgrounds committee of the Woman's Council was held yesterday afternoon in the King's Daughters' Guild. Those present were Miss Mabel Peters in the chair, Mrs. Edward Sears, Mrs. D. P. Chisholm, Dr. Margaret Parks, Miss Leavitt, Miss Reed and A. M. Belding. The chairman was asked to send a letter of thanks to Mr. Bird and all who participated in the production of Caprice at the Opera House last evening for the benefit of the playground fund. The purchase of some additional supplies for the playground was authorized, and a number of bills considered. It was reported that the Centennial and Winter street playgrounds are very successful, with a large attendance. There is a fine feeling of friendly emulation between the teachers on the two grounds to produce the best results. It was stated that Miss Baskin had taken the place of Miss Scott for a few days, the latter being unavoidably absent, and members of the committee spoke in very high terms of Miss Baskin's work. Miss Peters told of one mother who with her infant visited the ground and said she had been told that no babies were allowed there. She had four other little ones playing there and had come in to see if they were all right. She was assured that she and the babe were welcome, and the committee desires to have it generally known that there is not the slightest objection to infants accompanied by their mothers or some one to take care of them, being present.

THE NICKEL'S BEST PROGRAMME

The new programme at the Nickel today, as shown in the regular advertisement, is one of extraordinary merit, not only in subject matter but in photographic quality. The management sincerely promises the very best films yet, sharp and clear, without flicker or spottings. They are what might be termed "originals" and of the highest class possible. The subjects are—Legless Runner, exceedingly humorous and unique; Jim's Apprenticeships, a sort of Handy Andy series of bungles; A Jealous Wife, with fun-making features galore, and Mother-in-Law at the White City, meaning the St. Louis Exposition. All are long pictures, and Mr. Austin will be heard to particularly good advantage in a new illustrated song of the popular Irish sentiment, entitled My Irish Lassie. A big clean summer entertainment.

WEDDINGS

Henderson-Stewart

A very pretty wedding took place at the home of W. H. Stewart, 101 Gilbert's Lane, last evening, when his daughter Christine was married to Thos. Henderson, a popular young railway man of this city, in the presence of about one hundred guests, some of whom came from Moncton and Salisbury. The bride was given away by her father and made a fine appearance in a dress of white silk. She carried a bouquet of white roses. The groom was supported by R. W. Henderson. The bridesmaid was Miss Lillian McGowan, daughter of Alderman McGowan. She was dressed in white muslin over blue silk and carried a bouquet of carnations and smilax. The ceremony was performed by Rev. J. W. Kierstead, of the Tabernacle church of which Miss Stewart is a member.

The presents received were numerous and costly. The groom's present to the bride was a gold braclet set with amethysts. His present to the bridesmaid with a maple leaf brooch set with pearls. After a short trip through the provinces Mr. and Mrs. Henderson will make their home at 39 Paddock street.

Stewart-Cougle

A very interesting event occurred on the West Side at 4 o'clock Tuesday afternoon, when Miss Gussie Wade Cougle, daughter of Mr. and Mrs. John P. Cougle, St. James street, was united in marriage to David Robertson Stewart of Wallasey, England. The groom is superintendent of the Fittings Department of the C. P. R. Atlantic steamship service, with headquarters at Montreal, and is the son of Captain William Stewart, commodore of the C. P. R. fleet, and locally popular as being commander of the steamship, the Lake Superior, that inaugurated the winter port service at St. John, and later commanded the Empress of Britain on her initial trip to this port. The bride, who is one of the most amiable, attractive and popular young ladies of the West Side, is the daughter of John P. Cougle, who is regarded as one of the best known and most efficient engineers of the Atlantic division of the Canadian Pacific Railway, with which he has been identified for upwards of thrty years, and is one of the most respected and reliable in that service. The ceremony was a quiet one, only immediate relatives being present, and took place at the home of the bride's parents. The young couple were unattended. After the ceremony, a recherche luncheon was served, and the happy pair left on the train for Quebec, and will later proceed to Montreal, where they will reside. The Rev. Mr. Reid was the officiating clergyman, and was assisted by Rev. G. F. Scovil, rector of St. Jude's Church. The bride, who wore a navy blue travelling dress, with hat to match, was the recipient of numerous elegant gifts in silver and cut glass, and other beautiful and handsome articles. The groom, before leaving Montreal for this city, was tendered an address and presented by the employes of his department with a gold watch and locket and a meerschaum pipe. An interesting feature of the occasion was the presence of Miss Stewart, of Wallasey, Eng., sister of the happy groom, who came over expressly to be present at her brother's wedding.
