PAGE METAL GATES are so low in price no one can afford to use wooden ones. Light, and yet strong enough to support a heavy man on the end while he swings round the circle with a child in the seat. They are neat in appearance and will last a lifetime. Will not sag nor get rickety. They are supplied with latches which allow them to be opened either way and are self acting. The only good metal gate that is low enough in price for General farm purposes. We also make Page and Ornamental Fence, Poultry Netting, Nails and Staples. Dr. J. Collis Browne's Chlorodyne.

IS THE GREAT SPECIFIC FOR

Diarrhœa, Dysentery, Cholera, Coughs, Colds Asthma, Bronchitis.

THE ILLUSTRATED LONDON NEWS, Sept. 28, 1895, says:

"If I were asked which single medicine I should prefer to take abroad with me, as likely to be most generally useful, to the exclusion of all others, I should say CHLORODYNE. I never travel without it, and its general applicability to the relief of a large number of simple ailments forms its best recommendation."

Dr. J. Collis Browne's Chlorodyne

—DR. J. COLLIS BROWNE (late Army Medical Staff) DISCOVERED a REMEDY, to denote which he coined the word CHLORODYNE. Dr. Browne is the SOLE INVENTOR, and as the composition of CHLORODYNE cannot possibly be discovered by analysis (organic substances defying elimination) and since his formula has never been published, it is evident that any statement to the effect that a compound is identical with Dr. Browne's Chlorodyne must be false. This caution is necessary, as many persons deceive purchasers by false representations.

Dr. J. Collis Browne's Chlorodyne

Is a liquid medicine which assuages PAIN of EVERY KIND, affords a calm, refreshing sleep, WITHOUT HEADACHE, and invigorates the nervous system when exhausted.

Dr. J. Collis Browne's Chlorodyne

—Vice Chancellor SIR W. PAGE WOOD, stated publicly in court that DR. J. COLLIS BROWNE was undoubtedly the INVENTOR of CHLORODYNE, that the whole story of the defendant Fretmau was deliberately untrue, and he regretted to say that it had been sworn to.—See The Times, July 13, 1894.

Dr. Collis Browne's Chlorodyne

Rapidly cuts short all attacks of Epilepsy Spasms, Colic, Palpitation, Hysteria.

Dr. J. Collis Browne's Chlorodyne

Is the TRUE PALLIATIVE in Neuralgia, Gout, Cancer, Toothache, Rheumatism.

IMPORTANT CAUTION — The IMMENSE SALE of this REMEDY has given rise to many UNSCRUPULOUS IMITATIONS. Be careful to observe trade mark. Of all Chemists, 1s., 1s. 1-2d., 2s. 9d. and 4s. 6d.
