DR. S. P. TOWNSEND'S COMPOUND EXTRACT OF SARSAPARILLA.

THE WONDER AND BLESSING OF THE AGE! THE MOST EXTRAORDINARY MEDICINE IN THE WORLD. This Extract is put up in Quart Bottles; it is six times cheaper, pleasanter, and warranted superior to any sold. It cures without vomiting, purging, sicken or debilitating the patient.

We have manufactured 1,500,000 Bottles of this Sarsaparilla during the past year, and are now putting up 5,000 Bottles per day, using more of the Sarsaparilla Root in one month than all the other manufactures of Sarsaparilla in one year.

This Extract has cured more of the following diseases than all the other advertised medicines together have done:—

Scrofula, or King's Evil,
Obstinate Cutaneous Eruptions,
Pimples or Pustules on the Face,
Blotches, Biles, Chronic Sore Eyes,
Ring Worm or Tetter,
Scald Head,
Enlargement and Pain of the Bones and Joints,
Stubborn Ulcers,
Syphilitic Disorders,
Lumbago,
Salt Rheum, and all Diseases arising from an injudicious use of Mercury,
Ascites, or Dropsy,
Incontinence, or Imprudence in Life,
Rheumatism,
Indigestion or Dyspepsia,
Neuralgia,
General and Nervous Debility,
Palpitation of the Heart,
Liver Complaint and Inflammation of the Kidneys.

Ladies of pale complexion and consumptive habits, and such as are debilitated by those obstructions which females are liable to, are restored by the use of a bottle or two to the original vigour.

The number of Diseases mentioned above, as cured by this preparation of Sarsaparilla, may seem large; but we are now enabled to prove by an extensive array of certificates, that such is the fact. A fraction of the evidence which we possess, could be produced, would be received in any judicial tribunal as complete demonstration. It must be remembered that all this testimony is not in a single case, though appearing in an endless variety of forms, are yet similar in their origin and causes, [illegible] directly or indirectly from a corrupt fountain. If the blood were in a pure, healthy and active state, it would drive all these complaints from the system, and chronic disease would be impossible.

TO INTENDING EMIGRANTS FROM NOVA SCOTIA. The Canada Company would submit to the serious consideration of parties who may contemplate leaving Nova Scotia whether the Western Section of Canada (formerly the Province of Upper Canada,) does not offer every inducement for them to settle there, rather than that they should proceed to the United States. In *Upper Canada* they will find a most healthy climate, the soil very fertile, and abundance of excellent Land to be obtained upon easy terms from the *Government* and *Canada Company*. The great success which has attended Settlers in Upper Canada is abundantly evidenced by the prosperous condition of the Farmers throughout the Country, and is also shown by the success of many Natives of New Brunswick and Nova Scotia who have settled in many Townships of the Country,—and the individual progress made by several thousands of people who have taken Lands from the Company, corroborates the success which has attended settlement in Upper Canada. The Canada Company's Lands are offered by way of Lease for Ten Years, or for Sale Cash down. *The plan of 1-5th Cash and Balance in Instalments, being done away with.*

The Rents, payable 1st February each Year, are about the Interest, at Six per Cent., upon the Cash Price of the Land. Upon most of the Lots, when Leased, no *Money is required down*; whilst upon the others, *according to locality, One, Two, or Three Years' Rent* must be paid in *advance*. But those payments will *free* the Settler from *further* Calls, until the Second, Third or Fourth year of his Term of Lease.

The Settler has secured to him the *right* of converting his *Lease* into a *Freehold*, and of course, *stopping payments of further Rents, before the expiration of the Term, upon* paying the purchase Money specified in the Lease.

The Lessee has thus *guaranteed to him the entire benefit* of his *Improvements* and *increased value* of the Land he occupies, should he wish to purchase. But he may, if he pleases, refuse to call for the Freehold; the *option* being *entirely* with the *Settler*.

A Discount, after the rate of Two per Cent., will be allowed for anticipated payment of the purchase Money for every unexpired year of Lease, before entering the Tenth Year. The Lessee has also secured to him the benefit of the Settler's Saving's Bank Account.

Printed Papers containing full and detailed particulars may be procured gratis from every Post Master in Nova Scotia, as likewise from the Rev. E. Evans, Halifax, of whose permission the Company avail themselves to refer inquiring parties to him, as a gentleman long resident in Western Canada, and who, possessing Maps, will afford information respecting the Company's Lands, and upon Canada generally.

The benefit of the mutual system in Life Assurance is very apparent, and is most favourable to all Policy holders in this Society, inasmuch as they receive a portion of each year's profits yearly, being deducted from the Premiums thereon paid, which are lower than any of the English Companies, and not subject to stamp duty—all the particulars of which are fully set forth in the Pamphlets which the Agent has for distribution, who furnishes all Blanks necessary, gives any information, together with the Medical Examiner's Certificate gratis. All persons intending to insure are requested to call on the Agent, who will give them every information.

ABDOMINAL SUPPORTERS, TRUSSES, INHALING TUBES, &C.

M. HERBERT is now manufacturing ABDOMINAL SUPPORTERS on the latest and most improved principles. It has been asserted by a Medical Gentleman of the [illegible] experience in Pulmonary Complaints, that one of the [illegible] of Pulmonary Consumption, with a host of other diseases, originate in the falling of the bowels caused by the relaxation of the Abdominal Muscles, such as—Weakness of Loins, Loss of Voice and Disease of the Air passages, Short Breath and Wheezing Breathing, palpitation of the Heart, Sinking Feelings, and All Gone at the Pit of the Stomach, Diseases of the Liver, Breaking away of the Bowels, Diarrhœa, Piles, Gravel, Pain and Weakness, Retaining Disease of the Spine, Swelling of the Lower Extremities, with various diseases peculiar to Ladies, &c. &c.

The greatest number of these diseases cannot be cured *without* some mechanical aid, and the above *supporters* are pronounced excellent for that purpose.

M. Herbert's Abdominal Supporters have been inspected by most of the Medical Gentlemen of Halifax, and were highly approved of by all who examined them. They weigh but a few ounces—allow the most unrestrained action of the body—whilst the only feeling produced by them is that of support and comfort.

N. B. Herbert is also manufacturing RUPTURE TRUSSES, which are constructed on principles the most modern and improved.

Inhaling Tubes and Vulcanized Inhaling Tubes. These are simple and valuable auxiliaries to the Brazes and Supporters, for all Contractions of the Chest—flat chest, stooping chest, pains in the chest; in cases of Cough; in all cases after Pleurisy or Inflammation of the Lungs; in all cases of Asthma; in all cases of Loss of Voice, Weak Voice, Hoarseness and Weak Throat; in all cases where the Breast bone or Ribs contract or fall down upon the Heart, and prevent its free action; in all cases of Shortness of Breath, and when the chest does not expand well; in the cases of all persons who are in any way predisposed to diseased Lungs by family taint, or long sickness or confinement in bed; in many cases of Dyspepsia, &c. &c. &c.

All the above with Herbert's Ladies', Gentlemen's and Children's Chest Expanding Braces, are for sale wholesale and retail at M. *Herbert's* Establishment, No. 6 *Argyle Street*.

HOLLOWAY'S PILLS.

CURE OF ASTHMA.

Extract of a letter from Mr. Benjamin Mackie, a respectable Quaker, dated Creenah, near Loughall, Ireland, Sept 11th, 1840.

Professor Holloway,

Respected Friend,—Thy excellent Pills have effectually cured me of an Asthma, which afflicted me for three years to such an extent that I was obliged to walk my room at night for air, afraid of being suffocated if I went to bed by cough and phlegm. Besides taking thy Pills I rubbed plenty of thy Ointment into my chest night and morning. (Signed) BENJAMIN MACKIE.

CURE OF TYPHUS FEVER, WHEN SUPPOSED TO BE AT THE POINT OF DEATH.

A respectable female in the neighbourhood of Loughall, was attacked with Typhus Fever. She lay for five days without having tasted any description of food. She was given over by the Surgeon, and preparations were made for her demise. Mr. Benjamin Mackie, the Quaker, whose case is referred to above, heard of the circumstance, and knowing the immense benefit that he himself had derived from Holloway's Pills, recommended their immediate trial, and eight were given to her, and the same number was continued night and morning for three days, and in a very short time she was completely cured.

N. B.—From advice just received, it appears that Colonel Dear, who is with his Regiment in India, the 21st Fusileers, cured himself of a very bad attack of Fever by these celebrated Pills. There is no doubt that any Fever, however malignant, may be cured by taking night and morning, copious doses of this fine medicine. The patient should be induced to drink plentifully of linseed tea, or barley water.

CURE OF DROPSY IN THE CHEST.

Extract of a Letter from J. S. Mundy, Esq., dated Kensington, near Oxford, December 2nd, 1848.

To Professor Holloway,

Sir,—My shepherd was for some time afflicted with water on the chest, when I heard of it I immediately advised him to try your Pills, which he did, and was perfectly cured, and is now as well as ever he was in his life. As I myself received an astonishing a cure last year from your Pills and Ointment, it has ever since been my most earnest endeavour to make known their excellent qualities.
(Signed) J. S. MUNDY.

THE EARL OF ALDBOROUGH CURED OF A LIVER AND STOMACH COMPLAINT.

Extract of a Letter from his Lordship, dated Villa Messina, Leghorn, 21st February, 1845.

To Professor Holloway,

Sir,—Various circumstances prevented the possibility of my thanking you before this time for your politeness in sending your Pills as you did. I now take this opportunity of sending you an order for the amount, and, at the same time, to add that your Pills have effected a cure of a disorder in my Liver and Stomach, which all the most eminent of the Faculty at home, and all over the Continent, had not been able to effect; nay! not even the waters of Carls, Bad and Harlenbad. I wish to have another box and a pot of the Ointment, in case any of my family should ever require either.

Your most obliged and obedient servant,
(Signed) ALDBOROUGH.

CURE OF A DEBILITATED STOMACH.

Mr. Mate, a storekeeper, of Gundagai, New South Wales, had been for some time in a most delicate state of health, his constitution was debilitated that his death was shortly looked upon by himself and friends as certain; but as a forlorn hope, he was induced to try Holloway's Pills, which had an immediate and surprising effect upon his system, and the result was to restore him in a few weeks to perfect health and strength, to the surprise of all who knew him. He considered his case extraordinary that he, in gratitude, sent it out for publication to the *Sydney Morning Herald*, in which paper it appeared on the 2nd January, 1848. A few doses of the Pills will quickly rally the energies of both body and mind, when other medicines have failed.

These celebrated Pills are wonderfully efficacious in the following complaints.

Ague	Female Irregularities	Sore throats
