Filling Letter Orders a Specialty.

JOHN MACDONALD & CO.,
Wellington and Front-Streets East, Toronto.

AT OSGOODE HALL.

What Was Done There Yesterday—Peremptory Lists for To-Day.

Mr. Justice Street has made an order continuing till Sept. 28 the injunction preventing John Mountford and James Carroll, former drivers for the Oriental Laundry Co., from soliciting work from that company's patrons.

The conviction of A. S. Gormally of the Catholic Mutual Benefit Association for acting as an insurance agent without registering has been quashed.

James and Patrick Carr and Bridget Greenwood have failed in their effort to rank as heirs to the $7000 estate of Bernard Sharkey of Wellington County.

The Whitchurch case of Todd v. Rusnell was continued in the Non-jury Court all day yesterday and will be taken up again this morning.

When W. E. Gillespie's general store at Penetang was burned down in February, 1894, he carried $13,000 insurance on it, and the Caledonia, Lancashire, Commercial Union, North British, Mercantile and Royal Insurance Companies compromised for $3000. Now they want this sum back. The case is on to-day's peremptory list.

The Crown is seeking to recover $3,000 left by the late Julia Lynch of North Vaughan to Dr. Bonar. It is claimed that deceased was not in a condition to make a will when she made such a disposition of her property.

To-Day's Peremptories.

Single Court—Re Roddrick v. Knights of the Maccabees, re Davis estate, Arnold v. Parkins.

Non-jury Court—Todd v. Rusnell (continued), Caledonia v. Gillespie, Queen v. Bonar, Stark v. McArthur, Wurtele v. Hogaboom, Hartnett v. Ellis, Landed Building and Loan Co. v. Clarkson.

TALKED OF PISTOLS FOR TWO.

A Nice Row Between Roosevelt and Fitch in the Mayor's Office, New York.

New York, May 5.—The Mayor's office was the scene of a violent row this afternoon between Police Commissioner Roosevelt and Comptroller Fitch. The officials threatened each other with personal violence, and talked of pistols. Mayor Strong threatened both gentlemen with immediate arrest unless they kept quiet. The cause of the row was the question before the Board of Estimates of the transfer of $11,000 from the police fund for the erection of houses to reimburse policemen and detectives for the money spent in obtaining evidence against disorderly houses.

More Railway Officials' Changes.

A change is announced in the representative of the West Shore Railway at Toronto. Mr. William A. Wilson, division freight agent here, is to be transferred to Buffalo to fill a vacancy there caused by the promotion of Mr. H. S. Burgesser, division freight agent at Buffalo, to assistant general freight agent of the road. Mr. Joseph Hickson, contracting agent for the West Shore at Buffalo, will succeed Mr. Wilson in Toronto.

Only those who have had experience can tell the torture corns cause. Pain with your boots on, pain with them off—pain night and day; but relief is sure to those who use Holloway's Corn Cure.

Welcomed Their New Pastor.

In Dovercourt-road Baptist Church last night a large meeting tendered a hearty welcome to the new pastor, Rev. Jesse Gibson, late of St. Catharines. Refreshments were served and addresses were delivered by Rev. Dr. Thomas, Rev. Chancellor Wallace and a number of others. Rev Mr. Gibson preached his introductory sermon last Sunday.

WATER FRONT NOTES.

Paragraphs Concerning the Harbor and Shipping—Corona's Launching.

Among yesterday's arrivals in the harbor were the stonehookers Hope, Enterprise, Reindeer and WhiteWings, from the lake shore, with stone.

Mr. Murray A. Kerr, president of the Hamilton Steamboat Company, came down on the Macassa yesterday. He was pleased with the condition of the company's office, warehouse and wharf, and expressed the belief that this season's business would be bigger than any in the company's history.

Launching of the Corona.

Bertram & Co. say the launching ways are in place under the new steamer now being completed for the Niagara Navigation Company. As the launch, which is expected to take place next week, will be sideways, it will be rather an interesting sight. The launch should have taken place over a month ago, but the delay in getting material from Scotland and Belgium, along with the great difficulty in getting a sufficient number of mechanics owing to the large amount of work in all the shipyards in the States this season, has made it impossible to complete this boat as soon as was expected.

The Empress is due to arrive from Picton next week, and on May 16 will probably make her first trip to Port Dalhousie. The first Saturday to Monday trip to Rochester will be made on June 13.

A board walk is being constructed around the park lot west of the city wharf.

The shelter on Yonge-street Wharf used last season by the Toronto Ferry Company has been torn down.

The steamer Gordon Jerry is refitting at the Northern dock. She will go to Grimsby to load stone.
