JUDSON'S
CHEMICAL EXTRACT OF

CHERRY AND LUNGWORT,

FOR THE CURE OF

Coughs, Colds, Hoarseness, Spitting of Blood, Night sweats, Asthma, Liver Complaints, and

CONSUMPTION.

DO NOT NEGLECT!

CONSUMPTION

Can be and has been cured in thousands of cases by this only certain remedy

JUDSON'S CHEMICAL EXTRACT OF CHERRY AND LUNGWORT,

and no remedy has ever before been discovered that will certainly

CURE CONSUMPTION.

The most strongly marked and developed cases of Pulmonary Consumption, where the lungs have become diseased and ulcerated and the case so utterly hopeless, as to have been pronounced by Physicians and friends, to be past all possibility of recovery, and at times thought to be dying have been cured by this wonderful remedy and are now as well and hearty as ever.—It is a compound of medications which are peculiarly adapted to and essentially necessary for the cure of

COUGHS AND CONSUMPTION.

Its operation is mild, yet efficacious; it loosens the phelm which creates so much difficulty, relieves the cough and assists nature to expel from the system all diseased matter by expectoration, producing a most delightful change in the breathing and cough and this, after the prescriptions of the very best medical men and the inventions of kind sorrowing friends and Nurses, have failed to give the smallest relief to the *Consumptive sufferer*.

THOUSANDS OF CONSUMPTIVE persons have been deceived in buying medicines which were said to be *infallible* cures, but which have proved only pleasanter, but this medicine is not only palliative but *a cure for ulcerated lungs*. It contains no deleterious Drugs and one trial will prove its astonishing efficacy better than any assertions or certificates in curing consumption and all diseases of the Lungs such as *Spitting of Blood, Coughs pains in the side and chest, night sweats &c. &c*

About 1000 certificates of almost *miraculous* cures, performed by this medicine from some of the first Doctors, Clergymen and Merchants, have been sent to us for this medicine, but our publication of them looks too much like Quackery, [we shew them to any person calling at our office.] This medicine will speak for itself and enough of its owed if your wherever it is tried.

Caution.—This medicine is put up in a large bottle and you must find the name of Comstock & Brother, Proprietors, New York, on the splendid Wrapper around the bottle. All orders must be addressed to Comstock & Brother, No. 9, John St. New York.

CARLTON'S FOUNDER OINTMENT

For the cure of Foulder, Split Blood, Hoof bound horses, and contracted and Parrish Feet, Wounds, Bruises in the flesh Galled Backs, Cracked Heels, Scratches Cuts, Kicks, &c. on horses.

CARLTON'S RING BONE CURE.

For the cure of Ring Bone, Bloed Spavin, Bone Spavin, Windgalls, and Splint—a certain remedy.

CARLTON'S CONDITION POWDER FOR HORSES AND CATTLE.

The changes of weather and season, with the change of use and feed, have a very great effect upon the blood and sinuous fluids of horses. It is at those change they require an assistant to nature to throw off any disorder of the fluids of the body that may have been imbibed, and which, if not attended to, will result in the Yellow Water, Heaves, Worms, Boots, &c. All of which will be prevented by giving one of these powders, and will at any time cure if when any symptoms of disease appears it used in time. They purify the blood, remove all inflammation and fever loosen the skin, cleanse the water, and invigorate the whole body, enabling them to do more work with the same feed. The action of these powders is direct upon all the secretive glands, and therefore have the same effect upon the Horse, the Ox, the Ass, and all Herbyerous animals—all diseases arising from or producing a bad state of the blood are speedily cured by them.
