The apparatus used on this occasion belongs to Her Majesty's Naval Yard, Ireland Island and was obtained by Messrs. Gilbert and King, the Agents of the Exchange, on application to Joseph Ballingall, Esq. Naval Store Keeper.—We are told that Berthon's Patent has been for some time in use in England, and the one now employed was sent on to the Dock Yard here, upwards of two years since but has only been made available since Prattant joined the Naval Yard. Prattant, we are informed, was never down in one till he came to these Islands, about a twelve-month since, and was even quite ignorant of the nature of the machine; notwithstanding this, however, he volunteered to go down under Mr. Oakshott's superintendence, and he can now, without any difficulty, examine the bottoms of any of Her Majesty's ships, and point out their defects if any.

St. John, 20th August.

MESSRS. RATCHFORD & BROTHERS beg to offer their most grateful acknowledgements to those of their Fellow Citizens, and of their Military Friends, by whose persevering exertions so large a quantity of valuable Merchandize was saved from their Stores, during the recent conflagration.

St. John, Aug. 20.

RATCHFORD & BROTHERS have taken an Office and two Flats for Storage in their own premises on the South Market Wharf, hitherto occupied by Messrs. Owens & Duncan. 20th August.

THE subscriber begs to return his most sincere thanks to his friends, and particularly to the Members of the "Protection Fire Club," for their prompt and efficient assistance on Saturday night last, and begs to assure them that their kindness will not soon be forgotten.

20th August. JAMES ROBERTSON.

THE subscriber begs to intimate that he will for the present conduct his Business in one of Messrs. Kinnear's Stores, viz., No. 1, Peters' wharf. 20th August. JAMES ROBERTSON.

CHARLES McLAUCHLAN begs to tender his warmest acknowledgements to his friends and others who so kindly came to his assistance, to rescue his Goods from the fury of the awful conflagration of Saturday night last; and who, though successful in saving but a very small portion thereof, displayed an alacrity and willingness which will long be remembered with gratitude by him.

☞ He has taken an office over the store occupied by Messrs. Adam & Davidson, South Market wharf, where he will transact his business as usual.

August 20th 1839.

THE undersigned hereby tenders his sincere thanks to those who were instrumental in saving a portion of his Stock during the late Fire, and especially the Members of the Protection Fire Club, for their exertions in securing his Books and Papers, which must otherwise have been lost.

THOMAS E. MILLIDGE.

St. John, Aug. 20, 1839.—3t

REMOVAL!

THOMAS EDWARD MILLIDGE having been compelled by the late calamitous fire to remove from Nelson Street, will continue business as Commission Merchant, &c. in the Office adjoining that of Messrs. G. D. Robinson & Co. on Peters' Wharf. THOS. E. MILLIDGE,

St. John, Aug. 20.—4t (Courier)

ALEXANDERS, BARRY, & CO. desire their friends and the public to accept this, their public acknowledgement of thanks due, for the kind and effectual assistance granted them during the late calamitous Fire. For the good feeling of the community displayed towards them on the above unfortunate occasion, they will merely for the present express their gratitude. St. John, Aug. 20.

BARLOWS & KETCHUM beg to thank their friends, and the public generally, for the prompt assistance afforded them during the Fire on Saturday evening. St. John, Aug. 20.

JAMES LOCKWOODS & CO. return their warmest thanks to those friends who so kindly came forward on the night of the late conflagration to assist them in rescuing their property from the devouring element.—They would also beg to inform their friends and the public that their present place of business is in Sands' Brick Building, Water street, next door North of W. H. Street, Esq. There is also an entrance from Prince William street by the West door in he Arcade.

August 20th.

JAMES EDWARD CHIPMAN wishes to express his gratitude for the extremely kind attentions of his friends and the public in their readiness to assist, and kind wishes for his safety. His stock of Goods fortunately being recently disposed of, enables him to inform those anxious for his welfare, that his loss is of no great amount.

*** His place of Business is at present at J. & J. ALEXANDER'S, King street. August 20.

THE undersigned, in tendering his heartfelt and very sincere thanks to his Friends and the Public, for their able and persevering efforts to preserve his Goods and property from the devouring element, during the awful visitation of an Inscrutable Providence, on the night of the 17th inst. feels that any language of his would fall far short and be quite inadequate to express his gratitude for such noble exertions.

Having, very unfortunately, had no Insurance effected, he embraces this opportunity, most respectfully and urgently, to request those persons indebted to him, promptly to come forward and adjust their accounts, which is *now* the only way left him to discharge his liabilities and to resume his former business. To a community constituted as Saint John, this appeal, he trusts, will not have been made in vain by one whose chief pleasure and study has been, during a long residence in this city, to deserve the countenance and support of a discerning Public.

RICHARD CALVERT, Jun.

St. John, August 20 1839.

[Her. Chron. & Cou.]

20th August. J & R REED.
