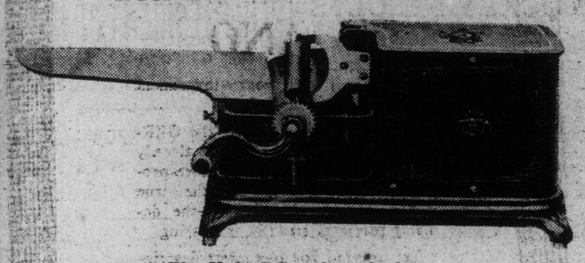
Who Seals Your Letters?

No. 1 *About an Envelope Sealer--* Which does it faster, better, cheaper



The United Envelope Sealer

THE *old way* is a bit depressing. You notice it when you have a rush of circular work. Perhaps it is *not done well.*

AND it is *expensive,* no matter *who does it.* The more people you have at it, the more expensive it is. Also it is *slow.*

THE United Envelope Sealer *is fast*—100 a minute—6000 an hour. You can do 3500 an hour at the first trial. And the envelopes are *sealed.*

$35 is the price. *Seven times* this price is charged for the only other envelope sealer that is equally efficient.

THIS sealer soon *saves* its *cost.* We would like to show you this economizer at work in your own office. Telephone us and say when. If you feel *then* that you can't afford *not* to have it, you may buy one.

GRENADIERS WIN TWO INDOOR BALL GAMES

Defeat Queen's Own 13 to 11 and the Ex-Officers 33 to 19 at the Armories.

In the Officers' Indoor Baseball League, the Grenadiers got off to a good start in the race for the Chadwick Cup, winning two games Saturday night at the armories, the victims being Queen's Own and Ex-Officers. The Grens presented a hard-hitting team, that took very kindly to the assortment of benders handed up, landing hard and often for safe drives, that were just out of reach of the fielders. The first game, with Queen's Own, was a close and interesting one, the Grens' more consistent hitting winning for them. McCormack and Scott of the Q. O. R. made grand stand plays of difficult chances in the outfield while Dr. McGillivray of the Grens still retains his ability to pick out the good ones, and Len Morrison is better than ever behind the bat. The second game looked like a close contest up to the fifth innings, when Richey weakened, and the Grens bombarded his pitching until he retired in the seventh in favor of Jack Meredith.

A Chalmers, similar in every essential particular to the stock "30" shown you in our garage, won the Glidden Tour Trophy for 1910, over a route most exacting in every way, without developing any vital weakness.

The Chalmers also secured the much coveted Minneapolis Tribune Trophy, under similar conditions.

These contests are not races in the ordinary sense, but are planned to give a working test under actual service conditions.

The beauty and comfort of the Chalmers we can demonstrate most easily to you in person.

For a Comfortable Trip to Montreal

Secure a berth in a Pullman sleeper on a Grand Trunk train. The smooth roadbed, and with 100-lb. steel rails, together with the only double-track line, makes this the desirable route. Four Grand Trunk trains leave Toronto daily, the 9 a.m. and 10.30 p.m. being particularly attractive, the former carrying dining car and parlor-library car to Montreal, also Pullman sleeper through to Boston, while the latter has five or more Pullman sleepers to Montreal daily (which may be occupied at 9 p.m.), and a through Ottawa sleeper. Remember, the Grand Trunk is the only double-track route. Tickets, berth reservations and full particulars may be obtained at Grand Trunk city ticket office, northwest corner King and Yonge-streets. Phone Main 4209.

BREAKING UP OF WESTERN CANADA BASEBALL LEAGUE.

CALGARY, Alberta, Jan. 21.—The meeting of the Western Canada Baseball League yesterday afternoon broke up in a racket, and the prospects are that there will be no more Western Canada League, as it previously existed. There will probably be a split-up, and an Alberta League, taking in Calgary, Edmonton, Lethbridge and Medicine Hat, will be formed. Other delegates are in favor of another league, comprising Winnipeg, Saskatoon, Brandon, Regina, Moose Jaw and Portage la Prairie. The Alberta branch is considering the taking in of Montana cities. Nothing definite can be announced as yet. The meeting lasted only fifteen minutes, but from the start there was a deadlock and no business could be done.
