AYER'S Cathartic Pills, (SUGAR COATED,) ARE MADE TO CURE THE BLOOD AND CURE THE SICK. Fathers, Mothers, Physicians, Philanthropists, read their Effects, judge of their Virtues. FOR THE CURE OF Sick Headache, Foul Stomach, Biliousness, Costiveness, Dyspepsia, Dysentery, Piles, Fever and Ague, Rheumatism, Neuralgia, and Gout. PITTSBURG, PA., May 1, 1856. Dr. Ayer: I have been repeatedly cured of headache any body can have by a dose or two of your pills. It seems to arise from a foul stomach, which they clear at once. If they will cure others as they do me it is worth knowing. With great respect, ED. W. PREBLE, Pastor of Seventh Presbyterian Church. Disorders and Liver Complaints. DEPARTMENT OF THE INTERIOR, WASHINGTON, D. C., 7 Feb., 1856. I have used your Pills in my family and among my friends ever since you made them, and cheerfully bear testimony to the best cathartic we employ. Their regular use on the liver is quick and decided, consequently an admirable remedy for derangements of that organ. I have seldom found a case of bilious dyspepsia that it did not speedily yield to them. ALONZO HALL, M. D., Physician of the Marine Hospital. Dyspepsy, Plethora, and Worms, Ingersoll, Canada West, Nov. 16, 1854. Dr. Ayer: Your Pills are the perfection of medicine. I have done my wife more good than I can tell you. She was sick and pining away for months. Went to the best of our city physicians and got no better. She commenced taking your Pills, which soon cured her of a large quantities of worms (dead) from her. Afterwards cured her and our two children of dysentery. One of our neighbors had tried all else, and recovered his health by the use of the Pills. We paid from five to twenty dollars doctors' bills for much less, without being cured entirely. Such a medicine as yours, which is actually honest, will be prized here. GEO. J. GRIFFIN, Postmaster. Scrofula and Impurity of the Blood. Rev. V. Himes, Pastor of Advent Church, Boston, writes: I have used your Pills with extraordinary benefit in my family and among those I am called to visit. To regulate the organs of digestion and purify the blood, are the very best remedy I have ever found. I can confidently recommend them to my friends. Yours, J. V. HIMES.
