AN HOUR OF YOUR TIME SPENT IN our offices here, looking over what we have to offer in the way of Western farm lands, will convince you that you are losing a rare investment opportunity if you do not purchase some of the rich agricultural lands along the new Grand Trunk Pacific Railway, in the fertile valleys of Central British Columbia, which are now being offered at very low prices and on easy terms. Selected agricultural lands are selling today for double what they sold for one year ago, and we are now offering choice farms at prices which will double in a short time. The For George country (as the Central Fraser Valley is now commonly called) offers unequalled opportunities to the farmer and small investor. Sale of Furniture Begins on Monday

Never since the opening of this department have such rousing price reductions been made, and as this is not an annual or semi-annual event with us, customers will readily understand that the furniture offered is not furniture which has been manufactured by makers who run their plants almost entirely on inferior lines, finished up and sold expressly for such events. The reductions listed below are made in every case from furniture right on the floor. Not a single piece of inferior or cheaply-made sale furniture has been bought for this sale, as only the leading makers in Canada contribute to our stocks and some of those exclusively for London. Many pieces in the higher grades are Grand Rapids make, bearing the stamp of the highest grade manufactured—Berkey & Gay.

Furniture of the historic periods or character, ancient or antique designs, increases in value to the possessor with age. Not so with us. Furniture, the same as every other line of merchandise, must be kept moving, active and flowing all the time. No stagnation will be allowed. If the furniture is too good or for any other reason it does not move the same business rule applies as in all other departments. New stock must be shown each season, and if necessary sacrifices must be made to make room. Below we give a partial list of the lines to be cleared during this sale.
