Kidney, Bladder and Urinary Derangement invariably cured. One bottle will convince the most skeptical.

Worms expelled from the system without the least difficulty. Patients suffering from this prevalent disease will see a marked change for the better in their condition after taking one bottle. Worm difficulties are more prevalent than is generally supposed in the young, and they will find the Quaker Bitters a sure remedy.

Nervous Difficulties, Neuralgia, &c., speedily relieved.

Rheumatism, Swelled Joints and all Scrofular Afflictions removed or greatly relieved by this invaluable medicine.

Bronchitis, Catarrh, Convulsions, and Hysterics cured or much relieved.

Difficult Breathing, Pain in the Lungs, Side and Chest almost invariably cured by taking a few bottles of the Quaker Bitters.

All Difficult Female Derangements, (almost invariably caused by a violation of the organic laws,) so prevalent to the American ladies yield readily to this invaluable medicine—the Quaker Bitters.

All Impurities of the Blood and diseases incident to the same always cured by the Quaker Bitters, if taken according to the directions.

The Aged find in the Quaker Bitters just the article they stand in need of in their declining years. It quickens the blood and cheers the mind, and paves the passage down the plane inclined.

A NEW WORK:

ORIENTAL RELIGIONS

AND THEIR RELATIONS TO

Universal Religion—India.

BY SAMUEL JOHNSON.

The Springfield *Republican* says:—

SAMUEL JOHNSON'S remarkable work entitled "Oriental Religions," is devoted wholly to the religions and civilization of India; is the result of twenty years' study and reflection of one of the soundest scholars and most acute thinkers of New England, and must be treated with all respect, whether we consider its thoroughness, its logical reasoning, or the conclusion, unacceptable to the majority no doubt, at which it arrives. This conclusion, briefly stated in the introductory chapter, is this: "The mission of Christianity to the heathen is not only for the overthrow of many of their religious peculiarities, but quite as truly for the essential modification of its own."
