Mechanics Institute.

THE Lecture Season of the above institution will commence on Monday, the 28th November instant, at 8 o'clock p. m., when the Rev. Mr. Portesier, of Halifax, will deliver the Introductory Address. The following Gentlemen have kindly consented to lecture on the executive Mondays during the Season viz. The Rev. Mr. Churchill, of Fredericton; M. H. Perley, Esq.; Rev. James Porter; William F. Dole, Esq.; Professor Jack, of Fredericton; Henry W. Frith, Esq.; Mr. John Boyd; Mr. R. Foulis; Dr. Robinson, and Mr. W. Tell, Jr.
The Directors are in correspondence with a number of other Literary and Scientific Gentlemen who will also lecture during the Season, the names of whom, with the subjects of the Lectures, will be published when the arrangements are completed.
The directors also contemplate having a course of lectures delivered on every alternate Friday during the Season for the benefit of Young persons—a number of talented Gentlemen having kindly consented to undertake this service, whose names will shortly be published.
The Institute now offers great inducements to persons to become Members. The Library contains 2500 Volumes of Literary and Scientific Works, in addition to which a large number of new books have lately been added which will be ready for distribution on the evening of the opening Lecture.
The Reading Room is open to Members every evening in the week (Saturdays and Sundays excepted). Gas burners are the rooms of the day a variety of British, American, and Colonial Newspapers, with the Quarterly, and Monthly Periodicals published in Great Britain, and the United States.
The Museum will be open at 7 o'clock on each Monday evening during the lecture season to members and their families. This collection of Curiosities and Specimens of Natural History is well worthy of inspection, and affords much gratification to its visitors.
Members and others wishing to obtain tickets, can procure them by applying at the Library of the Institute on the evenings of Mondays and Fridays or by application to the Secretary.
Ticket for the course of Lectures, 15s. Youths' and Ladies' tickets, 5s. each.

—We assert with Confidence that—

J. RUSSELL SPALDING'S

ROSE MARY

AND CASTOR OIL

IS decidedly the nicest and best toilet article in the world for the Hair. The ablest chemists who have examined it testify that as an agent for preserving the Hair and promoting its growth it surpasses any other article.
After a long series of experiments, Mr. SPALDING succeeded, by an intricate process, in freeing the Castor Oil used in this preparation from its *peculiar odor and all greasiness*, and in blending it with the ROSEMARY, &c., in such a manner as to form the cheapest and best *OIL OR WASH* Ever made, for which all who desire to preserve a good head of Hair until late in life, will be grateful.
The Sale of the Article has been Immense!

And its Success Astonishing—Use it if you wish.

1st. To beautify the hair.
2d. To curl the hair elegantly.
3d. To remove dandruff effectually.
4th. To restore the hair to bald heads.
5th. To give the whiskers a beautiful appearance.
6th. To prevent the hair from falling off.
7th. To cure all diseases of the scalp.
8th. To dress false hair richly.
9th. To cure the headache.
10th. To kill hair eaters.
11th. To keep the hair from turning
12th. To dress children's hair beautifully, and lay the foundation for a good head of hair.
13th. If you do not wish to grease and soil the bonnet, cap, hat, pillow, and everything coming in contact with the hair, use SPALDING'S ROSEMARY, and be sure to get the Genuine of the manufacturer and proprietor.

MILL RESERVES.

(499) CROWN LAND OFFICE, Nov. 10, 1853.

THE attention of those Mill Owners who have been allowed Mill Reserves by the Government, is pointed to the following extract from the third section of the Act 9 Vic. cap. 59:—

"And be it enacted, That all Logs, Timber, or other Lumber, which may be cut and carried away from such Reserve, except for the purpose of being manufactured in the Mill or Mills for which such Reserve shall have been made, shall be liable to be seized by the Crown, and upon lawful conviction shall be forfeited and sold to Her Majesty's use, and the proceeds of such sale paid over to the Receiver General of the Casual Revenue."

And they are hereby notified that in future the provisions of the said Act will be strictly enforced, and any Timber, Logs, or other Lumber cut on a Reserve, and carried past the Mill, without being manufactured therein, as the Law requires, will be seized and condemned, and the Reserve from which the same has been taken will be cancelled.

Desirable Investment

FOUR STEAMERS FOR SALE.

THE Proprietors of the UNION LINE of STEAMERS determining to close their present business offer for sale their several Steamers, which are at present plying between St. John and Fredericton.
To persons who may wish to make an investment of capital, this offers a favourable opportunity as it presents to them an established and actively operating business, which the increasing internal trade of this Province is yearly rendering more valuable.
The "FOREST QUEEN," of 150 feet keel, 24 feet Beam, has a Beam Engine, 36 inch Cylinder, 7½ feet stroke, with a Fine Boiler, 24 feet long, and 8 feet 3 inches diameter.
"ANNA AUGUSTA," of 165 feet keel, 24 feet 3 inches Beam, with a horizontal Engine, 36 inch Cylinder, 8 feet stroke, and a Fine Boiler, 22 feet long, and 8 feet 3 inches diameter.
The "UNION," of 162 feet Keel, 22 feet 6 inches Beam, has a Beam Engine, 31 inch Cylinder, 8 feet stroke, with a Tubular Boiler.
"SAINT JOHN," of 210 feet in length, with an Engine, 44 inch Cylinder, 10 feet stroke, and two entirely new Tubular Boilers, containing 202 3 inch tubes of 15 feet long.
The above steamers have all Low Pressure, condensing Engines; are fitted with Patent Cuts and Balance Valves, &c. &c., with all the modern improvements; are all in good working order, performing regularly and speedily, and their Boilers, which are calculated for either wood or coal, have been well constructed to secure economy in the use of fuel in driving them.
If the above are not disposed of by private contract before the 1st day of February next, they will then be sold at Public Auction on liberal terms—For further particulars enquire of
