A YOUNG MAN named James H. Burke son of Mr. William Burke, Bay Fortune met with an accident on the 7th of December at Fort Saskatchewan, N. W. T., which will very likely lay him up for quite a time. He slipped on the ice, fell and dislocated his left shoulder and broke the collar bone near the left shoulder.—*Examiner.*

A GEORGETOWN correspondent of the *Examiner* writes: "Mr. Donald Clarke had fresh herring for sale here on Friday. They were taken in Grand River by cutting holes and setting nets under the ice. Quite a lively business has been carried on this fall, as many as eighteen nets having been set and upwards of forty barrels taken in one night."

Now that our mails are likely to be irregular, the Post Office Hall should be open on Sunday at least during the hours of daylight. The time at which it is now accessible to the public, beside being too limited, is very inconvenient We trust that the Postmaster will immediately give orders to open the doors from 8 a. m. to 4 p. m. This will require no consumption of gas.

IN consideration of the fact that Queen Square is so efficiently cared for in summer by Mr. Arthur Newbery, we do not think it would be too much to ask that the City Council should keep the walks clear in winter; they are public thoroughfares used by every citizen and should be broken as the streets are. Mr. Newbery has neither horse nor snowplough; we feel certain that if he had, the walks would have been cleared ere this.

AMONG the names of the successful candidates at Ottawa for the Civil Service Qualifying Examination held last November, we observe with pleasure that of MR. James A. His many friends on the Island will be delighted to learn of his success and that he is at present holding a highly confidential and responsible position in the department presided over by Sir John MacDonald.

THE new fishery cruiser *Vigilant*, formerly the American schooner *Highland Light* arrived here yesterday from Halifax to fit out. The *Vigilant* is a vessel of 90 tons, and is one of the handsomest little vessels that ever entered this port. Her cabin is finished like that of a pleasure yacht, the woods being mahogany, satinwood and rosewood. She was built at Essex, Mass., about a year ago, and it is said cost in the vicinity of $10,000.—*St. John Sun.*

CAPT. BUCHANAN, of the wrecked brigt. *L. J. Westaway*, arrived home from Philadelphia yesterday. He contradicts the statement that the crew were taken off the wreck by the boats of the life-saving station. Although they burned tar barrels and gave other signals of distress, the life-boats did not attempt to put out. With a heavy sea on shore, Capt. Buchanan had his two boats launched, and all were safely landed without any assistance. Parts of the wreck arrived at the beach about as soon as the crew, and in a few hours the shore was strewn with wreckage. The captain and crew remained on the vessel three hours after she struck, leaving her at daybreak.—*Patriot* 12th.

SCROFULA

Humors,

I do not believe that Ayer's Sarsaparilla has an equal as a remedy for Scrofulous Humors. It is pleasant to take, gives strength and vigor to the body, and produces a more permanent, lasting, result than any medicine I ever used.—E. Haines, No. Lindale, O.

Eryisipelas,

I have used Ayer's Sarsaparilla, in my family, for Scrofula, and know, if it is taken faithfully, it will thoroughly eradicate this terrible disease.—W. F. Fowler, M. D., Greenville, Tenn.

For forty years I have suffered with Erysipelas. I have tried all sorts of remedies for my complaint, but found no relief until I commenced using Ayer's Sarsaparilla. After taking ten bottles of this medicine I am completely cured.—Mary C. Ainesbury, Rockport, Me.

Catarrh,

I have suffered, for years, from Catarrh, which was so severe that it destroyed my appetite and weakened my system. After trying other remedies, and getting no relief, I began to take Ayer's Sarsaparilla, and, in a few months, was cured.—Susan L. Cook, 909 Albany st., Boston Highlands, Mass.

Ayer's Sarsaparilla is superior to any blood purifier that I have ever tried. I have taken it for Scrofula, Canker, and Salt-Rheum, and received much benefit from it. It is good, also, for a weak stomach.—Millie Jane Peirce, South Bradford, Mass.

Porto Rico Sugar

THE good old West India Raw Sugar is now hard to get,—for the refined article is cheaper and has almost crowded it out of the market We often hear the remark made: "The sugar sold now-a-days is not as sweet as that we used to get years ago." Whether this is so or not we shall not attempt to say.—but we do know this, that those who taste our Porto Rico Sugar declare it to be 'the real article' and 'something like the thing.' It is sweet—and no mistake but it is dear—7 cents per lb. Can we sell it any cheaper than this? Not if we are to make any profit out of it. But we have promised to give some bargains this winter and we will begin with this Sugar and for a little we will offer it at 6 CENTS PER LB. Now this is a genuine bargain and much below the value of the Sugar,—and we expect those who want some of it to procure it without delay. It won't last long at this price.
