RUGBY SITUATION SIZED UP.. SOCCER SATURDAY REFEREES..

ARGOS' CHANCES LOOK VERY GOOD

Three Remaining Games Should All Be Wins — Rugby Gossip.

Toronto looks to have a fair chance to land at least one Rugby title. Argonauts did the expected when they downed Montreal on Saturday, and have really only one more hard game to play. The scullers meet Ottawa at Rosedale on Saturday, and should win with something to spare, while a week later they go to the capital for the return game. This looks like two wins and then they meet Montreal at Rosedale to wind up the season. On their present form Argos should finish without another loss, the Montreal game being the only hard one. Now, let us look to Hamilton. The Jungle Kings have a hard nut to crack right off the reel. The well-conditioned Montreal outfit are their first opponents, and the Tigers will have to put their foot forward to win at home. Even conceding this one to the Jungle Terrors, they will hardly win in Montreal on the following Saturday. Tigers will surely beat Ottawa in Hamilton on Nov. 14. Taking it all in all, Argonauts' chances look much the best.

Varsity must win in Kingston on Saturday and then down McGill at the stadium on Nov. 7 to tie up the Intercollegiate Union. Queens report many injuries from Saturday's hard game with McGill, and Varsity will be two-to-one favorites on Saturday. U. of T should win. Can Varsity turn the trick on McGill? Close followers of the students will tell us so, and claim that the blue and white squad are a much improved team over their opening fixture, and that they will surprise Shag's outfit on Nov. 7. Let us hope so.

Hamilton Rowing Club have yet to lose a game in the Senior O.R.F.U. series. T.R. and A.A. must beat Ottawa twice and down the strong Hamilton team in Hamilton to tie it up. It is a big task, but the Toronto team are confident.

Argonauts surely have the best chance of the Queen City teams.

Capital Intermediates of the Boys' Union defeated Kew Beach on Saturday by a score of 17 to 0. Dye, Armour, Maxwell and Laurie were the stars of the gridiron on Saturday, but Jockey Forbes was not in as good condition as expected as the result of last Saturday's game against Beaches, but he will be out to practice this week, and is expected to be in good condition for next Saturday's game.

Glad Murphy away for an end run that gained 30 yards in the last quarter at Montreal on Saturday.

Mulock Cup Games Cut to Single Series

The authorities and Rugby men at Varsity have compromised over the Mulock games. Some of the former wanted them eliminated altogether. Managers of teams met yesterday, when it was decided that the schedule would be cut to a single series, and affairs wound up as early as Nov. 5. Lectures have also been cut to close at 4 p.m., in order to give the student body opportunity to drill. Even the senior and intermediate Rugby teams, who will complete their schedule, will take in the work and drill every Monday afternoon in the stadium prior to practice. Yesterday afternoon the men had their first taste of militarism, and about thirty stalwarts, clad in Rugby garb, were put thru their paces by Sergt. Williams.

The Mulock Cup series schedule is to be played as follows:

Winners of Trinity-Wycliffe game, to be played today, meet Senior Meds Nov. 2.

Victorias v. Junior Meds, Oct. 30, on Victoria grounds.

The final will be held at the stadium on Nov. 5.

Hon. Coach Joe Wright of the Argonaut Rowing Club has been decorated with a commemorative medal by King Gustave V. of Sweden.

RUGBY GOSSIP

Capital Junior City team defeated N. Toronto by the score of 46 to 1 on Saturday afternoon. Monk Elliott and Chick Ward were the stars for Capitals, with Elliott's eighty-yard run and Ward's sensational line-plunging. The quarter for North Toronto played an extra good game.

Jack Spalding and Dickson have signed up on the wing for the S.A.C. Rugby team.

McMaster defaulted to Varsity II. at the Varsity Stadium today in Intercollegiate Rugby, intermediate series.

The Don Rowing Club broke their jinx by beating Balmy Beach by a score of 7 to 3. The game was lightning fast, both teams being completely exhausted at the finish. The stars for the winners were: G. Charters, booting; Moran, running, Gould and O'Rourke, tackling; Toy, headwork, and Baker, line plunging.

A Kingston despatch says: Some of Queen's senior Rugby players are pretty well used up as a result of the game with McGill Saturday. McQuay, the quarterback, is crippled with bad knees; MacDonnell's shoulder is causing him trouble; Gilhooley injured his elbow. Box, the outside wing, who was hurt in the game, was able to be out Monday. His nose was injured by a heavy tackle, but he will be able to be in the game against Varsity on Saturday.

A dispute over the schedule for Saturday is the rock upon which harmony has split in the Ontario Football Union. St. Patricks and T.R. & A.A. were originally slated to play in Ottawa on that date, but the list was revised, and the order reversed, the Saints being ordered to go to Toronto. As there is no attraction at the capital next Saturday, and Ottawa play Argonauts at Rosedale in the Interprovincial, they requested the union to have T.R. & A.A. go there. A conference took place in Ottawa Saturday night, and the Toronto team declined. St. Patricks state that they will not go to Toronto, and that they will withdraw from the union rather than do so. The Ottawa Club has appealed to the Ontario Union executive, and expect a favorable reply. Next Saturday is the only open date they can get at Lansdowne Park until Nov. 21, when winter conditions will likely prevail hereabouts.

SOCCER NOTES.

The St. David players are asked to be at the meeting at Dufferin Street School on Tuesday night, at 7.30, when the team will be picked to play Overseas on Saturday.

Christies F.C. hold a meeting this evening in Occident Hall at 8 o'clock. All members are specially asked to attend, as important business is on the agenda.

THAT BOWLING RECORD.

Sporting Editor World: I noticed in Friday's World a writeup about the Brunswicks making a city record and breaking the Athenaeum previous record for three games, which total was 3034 pins, by two pins. If the records are looked up it will be found that the Royal Riverdales on April 14, 1910, rolled 3080, the scores of which were published in your paper at the time. The individual games were: R. Spence, 609; J. Murray, 556; G. Bick, 604; T. Logan, 701; J. Booth, 610; total, 3080. Also it was stated that the high single was 1104, the highest ever rolled in Toronto. The Riverdales rolled 1162 March 24, 1910. Scores: J. Logan, 225, J. Murray, 245; G. Bick, 244; T. Logan, 180; J. Booth, 268; total, 1162. These games were all rolled in the City League.
