Stanleys to Shoot Hamilton.

The first of the series of matches between the Stanleys and Hamilton Gun Clubs will be shot off this year on the grounds of the Stanley Gun Club at the foot of Sauliter-street, on Thursday afternoon. The Stanleys hope that the Hamilton Club will bring about twenty-five shooters, so that a good test of the shooting qualities of the two clubs may be obtained. The Hamilton Club has hitherto won most of these events, but this year the Stanleys have been strengthened by a number of new shooters, and expect to have a better chance of winning out. The members of the Stanley Club are requested to turn out in force and come early.

ROWE TRIED A WRIT.

Barrie Player Attempted to Prevent O.H.A. Suspension.

At a meeting of the sub-committee of the O.H.A. held yesterday afternoon, a meeting called to deal with the Barrie Club and the Rowe matter, a writ and injunction was served on behalf of R. P. Rowe, restraining the sub-committee from dealing with his case. No evidence was produced to refute the charges in regard to Rowe's playing with the Portage Lake, Mich., team.

At the last meeting of the executive, it was decided to suspend Rowe unless he made a sworn declaration that he had not played in certain games in Michigan.

Speaking last night in reference to Rowe's action, J. Ross Robertson, on behalf of the executive, said: "All the sub-committee was called upon to do was to receive the evidence and Rowe's representatives did not produce the evidence. Instead a writ and injunction was served. The sub-committee did not meet to suspend Rowe. They met to allow him to show cause why his suspension should not take effect after he had already been suspended by the executive. Instead Rowe's friends served notice of an injunction. The sub-committee has no power to interfere with the suspension of Rowe as directed by the full executive."

It is probable that President Darroch of the O.H.A. will take further action to-day, as Barrie plays a game with the Argonauts to-night.

Mr. Robertson stated last night that there was evidence before the executive alleging that Rowe had participated in a whole series of games with the Portage professional team.

The sub-committee yesterday suspended the Meaford Club on the protest of Collingwood Club, against the playing of Baker and Murray, who are alleged to be over age. Collingwood and Owen Sound were ordered to play off at Meaford.
