"Any old thing"

will do to clean with—some women think. Anything is good enough for them—if they can get a lot of it for little money. This is unwise, surely. Isn't it worth while to find out which will do the most work, and do it without harm to paint and woodwork and fine surfaces? Pearline is the best cleaner. Pearline saves rubbing—saves work and wear. Nothing is too good for it.

It will wash and clean everything that water doesn't hurt. 549

Ball Players Going on Strike.

Another Brotherhood Movement May Trouble Magnates.

Sarnia Baseball Club Fully Organized —Ingersoll's Athletes—Various Sporting Events.

BASEBALL.

SARNIA CLUB OFFICERS.

A baseball club has been formed at Sarnia, with the following officers: Honorary president, G. N. Matheson; president, J. S. Symington; vice-presidents, C. O. Stillman and A. D. McLean; secretary-treasurer, W. W. Smith; manager, G. B. Dawson; captain, Joseph Hynd; executive committee, G. B. Dawson, Joseph Hynd, W. W. Smith, W. J. Gilchrist and Wm. Ryder. The club starts out with bright prospects for the coming season, and should meet with the hearty support of every lover of outdoor sport.

ON STRIKE.

The discontent among ball players is again taking visible form. The holding-out Baltimore players are the chief agitators. It is stated that the men who are pushing the scheme along will spend the summer in sounding the various players, and, after the season closes in the fall, a meeting of delegates will be held in New York for the purpose of perfecting an organization. The players want increased pay, corresponding to the lengthened season of 154 games, compensation for the weeks spent in spring training, and the abolition of the compulsory farming system. The practice of forcing a man into a minor league club, or even into another major league club, at a reduced salary, is a particularly sore spot, and will be the principal point of assault. Even if the plan fails the players think they can lose little by ascertaining their strength, whether they show it or not.

THE PITCHERS' WORK.

The pitchers who give the greatest number of bases on balls strike out the largest number of batters, according to statistics. Seymour, of New York, gave 165 bases on balls in 32 games last year and struck out 157 men. McJames, of Baltimore, gave 136 bases in 42 games and secured 161 strikeouts. Corbett gave 106 bases in 35 games, and struck out 151 men. The Cleveland pitchers were the steadiest in the league. Young gave but 52 bases in 40 games; Cuppy 25 in 17 games; Powell 55 in 26 games, and Wilson 82 in 29 games.

FLYS.

Dan. Brouthers, of the old "Big Four" of the Detroit baseball team, has recently been elected a trustee of Wappinger Falls. Dan is said to be the wealthiest ball player in the country except Anson. But the "Big Four" were a provident lot, and all of them are well off.

Reid, of Toronto, and Cockman, of Guelph, have gone to Newark, N. J., where the Toronto team will play a series of exhibition games.

BILLIARDS.

SHAEFER BEATS IVES.

St. Louis, April 6.—Jacob Schaefer and Frank Ives began a 600-point, 18-inch balk-line game of billiards last night. The wizard won easily by a score of 300 to 165 for Ives.

THE TURF.

AT LITTLE ROCK.

Little Rock, Ark., April 6.—Weather clear; track fast: Winners: Prince McLury, Nover, Gay Paris, Bannockburn and Sedan.

AT NASHVILLE.

Nashville, Tenn., April 6.—Six races were run yesterday on a muddy track. The winners were Lieber, Anton, Mazeppa, W. Overton, Maggie, Mousquetaire and Sierra Gorda.

AT OAKLAND.

San Francisco, Cal., April 6.—Track fast. Winners: Pelxotto, Ellsmere, Go-to-Bed, Saintley, Bonita and Fonsayannah.

TIPS.

Senator A., 2:10, is the latest horse has been bought by Vienna men for export to that country. Since last November Countess Eve, 2:09¼, Que' Allen, 2:09½, Atlanio, 2.10, and Baron Rogers, 2:09¾, have all been exported, and some of the veteran horsemen seem to fear that the 2:10 class horses will soon all be in Europe. It is reported that the foreigners paid $5,000 for Senator A.

F. W. Ware, of the American Horse Exchange, says that trotting meets are unpopular because they are too slow. He proposed to get a track near New York and have five trotting races every day, ranging in distance from six furlongs to 2½ miles.

WHEEL.

SPOKES.

Mayor Maybury's application for membership in the Detroit Wheelmen was favorably acted upon by the directors.

The executive committee of the L. A. W. will meet on or about April 10.

ATHLETICS.

JEFFRIES WILL FIGHT TWO MEN.

San Francisco, April 6.—Jim Jeffries has signed to fight both Peter Maher and Gus Ruhlin, and will leave for New York immediately after his mill with "Mexican Pete" Everett at the Olympic on April 16. The fight between Jeffries and Maher will come off at Syracuse on May 20, under the management of Tom O'Rourke, and will be for the championship of the world. Jeffries and Ruhlin are to meet in Cincinnati on June 10. Delaney and Madden will manage this battle.

INGERSOLL ASSOCIATION.

At the annual meeting of the Ingersoll Amateur Athletic Association, the treasurer's report showed that after paying all current expenses, the liabilities had been reduced nearly $200. The following are the newly elected officers: S. King, president; C. W. Riley, first vice-president; Wm. Brett, second vice-president; C. W. Bowman, secretary; J. E. Gayfer, assistant secretary; D. G. Cuthbertson, treasurer; Thomas Wells, J. B. Jackson and T. H. Noxon, executive committee.

NOTES.

It is predicted that at the end of this year, short, unpaced races for wheelmen will have become obsolete. The public has become tired of seeing contestants loaf along until the last lap and then make up the race in about 150 yards. Paced events where the time will be fast are the demand.

It is probable that Northwestern University at Evanston, Ill., will have a new gymnasium that will cost between $75,000 and $100,000 by next fall.

George W. Orton, the Canadian distance runner, won the cross-country run of the Amateur Athletic Union at Morris Park Saturday. There were 95 starters and the distance was 6¼ miles. Orton's time was 35:41 2-5, and he was 300 yards in the lead at the finish.

THE WATER COMMISSIONERS.

The Quarterly Report—The Cost of Street Watering—A New Pavilion.

The water commissioners met yesterday afternoon, all the members being present.

The auditors' report showed that receipts for the last quarter were $24,204 81, and expenses $16,474 21. Mr. Little suggested handing over some of the cash balance to the city, but Mr. Jones objected.

Ald. Taylor and Engineer Graydon, representing No. 3 committee, appeared and complained that the price charged the city for street water was exorbitant. It had been increased from $2,000 to $2,500. The citizens should get the water for the cost of the labor.

Mr. Jones, who led the discussion, said that the board did not charge the city for water used in flushing the sewers whenever they were given a bill.

Mr. Little said the increase was made before he became a member of the board. It was a mere matter of bookkeeping.

The board will consider the request.

The managers of Mount Pleasant cemetery accepted the conditions under which they will be allowed to connect the cemetery with the city water service.

The fish-gates at the dam will be opened by the inspector's request.

TREE BRIDGE GRAFTING.

To the Editor of the Advertiser:

I notice an unusual number of trees destroyed by mice and rabbits this spring. Now, all those trees can be saved by bridge grafting, which is as easily done as rolling off a log, or falling off a wheel, but even either of these amusements requires practice in order to do it gracefully. Bridge grafting cannot be done until the sap moves and the bark will lift from the wood, but now is the time to secure the bridges. Parties who desire to save their trees should at once cut shoots of last year's growth, same as for ordinary grafting, only they must be long enough to more than reach over the injured part. Bury the twigs overhead in damp sawdust, damp sand, or black loam soil. Then drive over to Vanneck, and I will teach you free in ten minutes how to do the work. I know just how to do it, so as to insure success every time, or, if desired, I may give instructions how to do it in a future issue of your paper. Yours truly, A. C. ATTWOOD, Vanneck P. O., lot 20, con. 9, Lobo.

HEALTH AND ENERGY ASSURED. HAPPY MARRIAGE, GOOD TEMPER, LONG LIFE.

In all the world to-day—in all the history of the world—no doctor nor institution has treated and restored so many men as has the famed ERIE MEDICAL CO. of Buffalo, N. Y.

This is due to the fact that the company controls some inventions and discoveries which have no equal in the whole realm of medical science.

So much deception has been practiced in advertising that this grand old company now for the first time makes this startling offer:—

They will send their costly and magically effective appliance and a whole month's course of restorative remedies, positively on trial without expense to any honest and reliable man!

Not a dollar need be advanced—not a penny paid—till results are known to and acknowledged by the patient.

The Erie Medical Company's appliance and remedies have been talked about and written about all over the world, till every man has heard of them.

They restore or create strength, vigor, healthy tissue and new life.

They quickly stop drains on the system that sap the energy.

They cure nervousness, despondency and all the effects of evil habits, excesses, overwork, etc.

They give full strength, development and tone to every portion and organ of the body.

Failure is impossible and age is no barrier.

This "Trial without Expense" offer is limited by the company to a short time, and application must be made at once.

No C. O. D. scheme, no bogus philanthropy nor deception, no exposure—a clean business proposition by a company of high financial and professional standing.

Write to the ERIE MEDICAL COMPANY, BUFFALO, N.Y., and refer to seeing the account of their offer in this paper.

THE SHAWNEETOWN FLOOD.

Probably a Hundred Persons Perished —Gap in the Levee Growing Wider.

Ridgeway, Ill., April 6.—The gap is now over 100 feet wide in the levee at Shawneetown, and gradually widening. The water is from ten to fifteen feet deep all over the town, and the suffering is little abated. It is known that from 45 to 50 people have lost their lives. None of the bodies have been recovered. Provisions can be had only as they are sent from surrounding towns. Relief committees are doing all in their power to provide for the wants of the sufferers. Clothing and provisions are being sent in on trains, boats and skiffs, canoes and dugouts.

The levee is in a precarious condition, as it is being undermined in several places. It is thought by conservative people that the loss of life will reach 100. That number is missing. The property loss, to say nothing of the damage to the levee and crops, will reach over half a million dollars.

Every Time, Every Place, Every Where, Doan's Kidney Pills Triumph!

There's Proof of This in London.

Step by step onward!
Day by day confidence increases.

London people appreciate a good thing.
They praise it when they find it.
No praise too great for Doan's Kidney Pills—
The bad-back wonder worker.

It's just the same if they are lame—
The lameness goes because it cannot stay.
Bad backs are but bad kidneys.
That's why Doan's Kidney Pills cure them.
They reach the spot.
Easy to prove that this is so.

Mr. James Jackson, 646 Maitland street, London, Ont., has been a resident in London for some 23 years, and his words carry great weight. His statement is as follows:

"I had a severe attack of La Grippe four years ago. Since that time I have suffered severely from pain in my back, sometimes so much so that I could hardly walk across the room. At night I suffered so much that my sleep was fitful and uncertain, and gave me no rest. It was an effort for me to get out of bed in the morning. I had other pronounced and painful symptoms of kidney disease, and until I commenced taking Doan's Kidney Pills had almost despaired of a cure.

"It was a happy day for me when I got these pills, because they removed all my distressing kidney troubles, drove out the pain in my back, restored healthy, restful sleep, and have made me a strong, healthy man today.

"I can say that Doan's Kidney Pills are a quick-acting, sure cure for kidney and back troubles, and as such I recommend them to suffering humanity."
