Smoke of Herbs For Catarrh

A Simple, Pleasant, Reliable Way and It Costs Nothing to Try.

This preparation of herbs, flowers and seeds (containing no tobacco or habit-forming drugs) is smoked in an ordinary clean pipe or cigarette. Simply draw the medicated smoke into the mouth and inhale into the lungs or send it out through the nostrils in a perfectly natural way.

It is not unpleasant, is harmless and can be used by man, woman or child.

Just as catarrh is contracted by breathing cold and dust and germ-laden air, just so this balmy antiseptic smoking remedy goes to the affected air passages of the head, nose, throat and lungs. It can readily be seen why the usual treatments, such as sprays, ointments, salves, liquid or tablet medicines fail—they do not and cannot reach all the effected parts.

If you have catarrh of the nose, throat or lungs, choking, stopped-up feeling, colds, catarrhal headaches; if you are given to hawking or spitting, you should try this smoking remedy.

A free trial package, together with an illustrated booklet which goes thoroughly into the whole question of catarrh will be sent you by Dr. J. W. Blosser, 192 Spadina Ave., Toronto, Can. This trial will demonstrate to you that it is an exceptional remedy and as it only costs $1.00 for a full size box it is within the reach of every one. Send your name and address and the booklet and free trial package will be mailed you immediately.

ECZEMA
Also called Tetter, Salt Rheum, Pruritus, Milk-Crust, Weeping Skin, Etc.
ECZEMA CAN BE CURED TO STAY, and when I say cured, I mean just what I say—C-U-R-E-D, and not merely patched up for a while, to return worse than before. Remember, I make this broad statement after putting ten years of my time on this one disease and handling in the meantime a quarter of a million cases of this dreadful disease. Now, I do not care what all you have used, nor how many doctors have told you that you could not be cured—all I ask is just a chance to show you that I know what I am talking about. If you will write me TODAY, I will send you a FREE TRIAL of my mild soothing, guaranteed cure that will convince you more in a day than I or anyone else could in a month's time. If you are disgusted and discouraged, I dare you to give me a chance to prove my claims. By writing me today you will enjoy more real comfort than you had ever thought this world holds for you. Just try it and you will see. I am telling you the truth.

Gustavus Myers' History of Canada's Wealth
tells for the first time the true story of how a little clique of financiers have made themselves masters of the natural resources of Canada, so that they take the greater part of the wealth the workers produce. Facts! Facts! Facts!

Cotton's Compendium of Facts is a hundred and twenty-eight page booklet crammed full of facts of interest to Socialists. This little book tells you the rakeoff the railways get, the net profits of the Canadian banks, how much the manufacturers skin out of your labor power, and other like information.

This book is not for sale. It can be had by rustling twelve forty-week subs to Cotton's, or purchasing sub cards or bundles to that amount, or sending Battery funds, or a combination of all these.

You need not capture the subs all at once. For every dollar for subs or sub cards sent, we send you a receipt good for Facts. Save your receipts till you have three of them, and then send them in and Facts will come by return mail.

Why do we not sell Facts? We want Facts to go to the live workers. Be a live one and this book is yours.

Agitation Battery

The Agitation Battery is a very big factor in the success and advance of Cotton's. It enables us to do much of the pioneer work in introducing Socialism in new territory or making more Socialists in districts where there should be more. The Agitation Battery at Cotton's make it their business to be peering around all over Canada for a chance to place subs or sample copies. They will seize on a district, or an organization in a district, and plant well directed shots for Socialism therein. When the campaign is finished, they go on to other work, which is always waiting.

The Battery work is kept up by the friends of Cotton's and Socialism, particularly those who cannot help out in the open. Through the Battery they get in very effective work. The spare dimes, quarters, etc., sent in by hustlers to make even money on remittances, are dedicated to Battery use.

I HAVE WATCHED THEM.

By Robert J. Moore.

I have watched them silent, toiling—
These drear humans of the masses.
Shut in darkness and in sorrow.
While about them "God's bright sunshine
Gleams in mocking and derision.
Ah, for them what means tomorrow!
Naught but toil and slabs and hunger.
Weak bent backs and dull dumb eyes.
I have watched them silent, toiling—
These drear humans of the masses.

FLOGGING NO REMEDY.

The British Parliament has a bill before it for flogging those engaged in the white slave traffic.

Concerning this bill, Bernard Shaw says:

"Do not deceive yourself. Most of those who are living on the profits of prostitution will not be flogged; on the contrary they are already among the most indignant advocates of flogging. They are ladies and gentlemen, clergymen, bishops, judges, members of Parliament, highly connected peers and peeresses, and pillars of solid middle class Puritanism."

A FEW FIGURES.

Annual Expenditures in the United States:

For White Slavery	$3,000,000,000
For Church Work	250,000,000
Public Prostitutes	300,000
Clandestine Prostitutes	1,000,000

"More than 2½ per cent. of the adult women of America are engaged to a greater or less extent in the traffic."—Statement by Prof. Cady to the American Federation of Sex Hygiene Congress.

The RIDING LINE

From Nummela, Sask., come six.

From Hardisty, Alta., comes a list of six.

Eight subs from Riding Mountain sounds good.

Eleven from Comrade Mrs. M. A. Owen, Fernie, B.C.

Allan Lea, Man., demands six copies of the organ of the revolution.

"Please send the paper, and some sub cards."—London Junction, Ont.

Lundbreck, Alta., fires eight shots at plutedom and Beaumont, B. C., fires seven.

A subscriber of Alexandria, Ont., renews his sub and brings along six new ones.

"I wish to renew my paper, and am bringing three others with me."—Peterboro, Ont.

"The other three are new ones," says a comrade of St. Catharines, Ont., as he renews and sends in the price of four subs.

To White's Mills, N. B., go forward eight sub cards. This sounds like a new bunch of reds about to take up the campaign.

"Enclosed find $9, for which send Cotton's to the above names for 40 weeks. Please send samples and blanks."—Port Rowan, Ont.

"Pound some sense into these boneheads. Times are hard, farmers are all hard up, machine collectors around every day."—Starview, Sask.

Four renewals, two new subs, and an order for two sub cards is the latest whack the plute system of robbery has gotten from Hanover, Ont.

"Please send the paper to these thirteen. Am working hard for the cause. Please send Facts as they are all anxious to get a look at it."—Brantford, Ont.

"Here are a few to help keep up the good fight. More are on the way. The local here is just beginning to walk. We landed six new members last week."—Stratford, Ont.

From Port Arthur, Ont., comes an order for forty sub cards. They have gone forward and we will do our best to explain the science of Socialism to the new subscribers.

"I gave a copy of the paper to a friend. After reading it, he subscribed. Last night he gave me a dollar to have four more copies sent to his address for a year."—Truro, N.S.

Comrade Ole Skogen, of Hanson, Sask., sends in a list of forty-one. That is the kind of hustling that is liable to make large blotches of Socialist red on the map of Canada.

"Enclosed find $3 for subs, etc. Sorry to see the sub list going down, but things are very tight with the class who want your paper. Hope there will be a leap upwards in the spring.

"Find enclosed ten cents for the envelope, "How to Organize." With the information obtained from this literature we hope to form a local, and run a candidate at next elections."—From the Red Willow boys, Alta.

"Please send me eight sub cards, for which find $2. There are no subs to get near by, as they are all got. I have only two black sheep in my flock. Can anyone else say as much for their neighborhood?"—Mapes, B. C.

"Enclosed please find $7 for sub cards." Thus writes the Secretary on behalf of Local Number 12, S. D. P., Sask. This kind of assistance in maintaining and increasing the circulation will build strong locals, as the result of the strong Socialist sentiment created.

"I hope these four will be seed that will increase an hundredfold. I assure you it is easier to convince most people of the unfairness of the system, than to get them to realize that by studying the question, they might learn the whys and wherefores of its rottenness and be prepared to assist in changing it."—Niagara Falls, Ont.

"I send herewith five subs. The struggle is hard, but we are forging ahead. People are kicking about the hard times. Let us show them the only cure."—Gilbert Plains, Man.

A comrade of Milford Station, N. S., sends a dollar for a bundle of four copies for a year. This comrade will have extra copies to hand to people who object to the way they are being squeezed.

"Enclosed find nine renewals. It is pretty hard picking here now, and twenty-five cent pieces seem scarce. There are several others who would like to renew, but just cannot let go of the two bits."—Vancouver, B.C.

"I think this entitles me to Facts. Will try and get more when spring comes, but things are tied up here pretty well. Sir Dicks' gang is doing fine, sending I.W.W. men to Kamloops jail for nothing, while thieves run loose. Got to watch your wallet very close. Have to pay so much for grub you don't feel like eating a square meal, and if you do, you feel poor for several days after."—Revelstoke, B.C.

The following among others are the places where reds have rustled the price of four subs for the spread of Cotton's during the past week:—Kingston, Hamilton, Galt, St. Williams, Fort William, Norwich, Hollowa, North Cobalt, Toronto, Brantford, Port Arthur, Ayr, Ontario; Grey Creek, Nakusp, Bella Coola, Gitwangak, B.C.; Wayward, Carlyle, Rosduff, Richmond, Medstead, Ratner, Sask.; Montreal, P.Q.; Billtown, N.S.; Screech Creek, Y. T.; La Calmette, Edmonton, Wenham Valley, Strathcona, Alberta.

"Only a dollar this time, three renewals and one new one. Subs are hard to get. I called at the residence of an Italian and found the little house crowded with men. I asked the boss of the house how many boarders he had. He said he had twenty-one and he was the only man working. Twenty-two men and one woman in a little house with 4 small rooms. I have witnessed last season gangs of the fellows eating dry bread and raw prunes for their dinner. These are seventeen cents an hour men when working."—North Bay, Ont.

"Enclosed please find $4 and a list of seven. Kindly send me nine sub cards. It has been decided by our local, Finnish S.D.P., to put $3 at work for Cotton's Weekly, and I have been asked to attend to correspondence, handle sub cards, etc., also to try and sell a few incidentally. I am sending a receipt for $2 in addition, which entitles us to two Facts. We intend to pass these along to the comrades selling the greatest number of cards."—H. Asson, Pt. Moody, B.C. This is the kind of work that tells big. In this manner the activity in sub getting is organized and systematized.

"I am sending you a few names along with my own. I subscribed for your paper some time ago to please a friend, and not for the paper, and paid very little attention to it until lately. But I have found I was losing time, and now I watch for the paper to come. I think it the best paper printed."—Smith's Falls, Ont.

"I enclose $1 to cover the cost of four subs. Possibly I may be able to send in a few more. Though not an affiliated member of the party, I am of the opinion that things in Canada will not improve very noticeably till more of the people who foot the bills see "red," and consequently any little that I can do to spread the doctrine of Socialism will be cheerfully done."—Reaburn, Man.

"Enclosed find two bucks for sub cards. Am sorry to see the circulation going down. For my part I would not be without the little paper if it cost me five dollars a year. You don't want to be too hard on the Grain Growers' Guide. I think it is paving the way for Socialism. I would like to see more of the Socialist doings of the world, also more articles like Value, Price and Profit, and Parable of the Water Tank. I asked a few men from whom I got a sub what they thought of Cotton's. These are some of the answers: "Fine, the neighbors go crazy over it." "All right." "The most sensible paper I ever read." Another I am sorry to say, said, "All twaddle." He says you cannot change the system, and that you do not take human nature into consideration, also the workers could get better conditions if they took more interest in politics."—Golburn Valley, Sask.

HOW TO ORGANIZE

The Socialists of Canada have a party of their own, the Social-Democratic Party of Canada. It is composed of workingmen and women conscious of their slavery, knowing how they must act to overthrow the slave system of the present, and banded together to accomplish this aim by political methods.

If you wish to form a local of this party in your locality, send 10 cents to Cotton's for a How to Organize envelope. This makes the way plain.

CURED HIS RUPTURE

I was badly ruptured while lifting a trunk several years ago. Doctors said my only hope of cure was an operation. Trusses did me no good. Finally I got hold of something that quickly and completely cured me. Years have passed, and the rupture has never returned, although I am doing hard work as a carpenter. There was no operation, no lost time, no trouble. I have nothing to sell, but will give full information about how you may find a complete cure without operation, if you write to me. Eugene M. Pullen, Carpenter, 823 Marcellus Avenue, Manasquan, N.J. A Book You Want

Volume I of A History of Canadian Wealth, is being issued by Chas. H. Kerr & Company, 118 Kinzie St. West, Chicago. Price $1.50.

This book is written by a Socialist and from a Socialist standpoint. Gustavus Meyers, author of The History of the U. S. Supreme Court, two volumes, and The History a Great American Fortunes, three volumes, came to Canada a couple of years ago to collect material for the History of Canadian Wealth. He has ransacked the archives of Toronto, Ottawa and Montreal. Much information never before published is given to the world.

The history deals with the subject from the economic point of view. It shows how the fur trade was the means of fortunes in Canada at the first, how the Indians were demoralized and cheated by both English and French, how the Jesuits were as much if not more interested in beaver skins than in souls. It shows how the English supplanted the French, not because of superior fighting ability, but because of cheaper woolens.

It takes up the history of The Hudson Bay Company, how that company starved the Indians, cheated them, demoralized them with rum, and let them starve at the factory gates rather than dole them out a little food when no skins were forthcoming. It shows how the Hudson Bay Company provided the foundation of modern fortunes in Canada.

It takes up the railway era and shows how premiers, cabinet ministers and members of parliament voted themselves charters and huge bonuses from the government funds which they controlled as representatives of the people.

It takes up the land grants, and shows how huge tracts of land were granted to government favorites. It shows how the clergy scrambled and squabbled for land grants. It shows how Prince Edward Island was given away in one day.

When you read this book you will see the inner workings of how the rich have used the government to give them their riches. The book completely smashes the idea that our capitalists are capitalists through "superior ability."

This book can be obtained either from the publishers direct or from Cotton's Weekly for $1.50.

January Receipts

The following are the cash receipts for the month of January, 1914, as compared with the cash receipts for January, 1913.

January	1913	1914
Subs, etc.	$574.06	$473.30
Book Sales	41.23	22.72
Advertising	93.08	12.95
Job Printing	345.04	92.70
Shares sold	22.50	58.50
Total	1075.91	660.17

The receipts for the spread of Cotton's fell off over $100.

For the month of February 1913, the receipts from the subscriptions and sale of sub cards for Cotton's totalled $740.84. During the first five days of February, 1914, our receipts were $162.35 for the spread of Cotton's. This amount includes $100 contributed by a Prince Edward Island comrade to the Agitation Battery, leaving $62.25 for all the rest of the comrades throughout Canada, an average of $12.47 per day. If the comrades as a whole do not increase their activity, their record for February will stand at $340, as against $740 for February of last year.

Will you go forth valiantly, comrades, of your own initiative, and gather up a list of subs and send them in?

The paper is in your hands to make the most powerful organ in Canada.

GREATER EFFORTS NEEDED

The week of February 5th shows a loss of 31 in circulation. The week of February 12th will show a worse loss unless the next few days show an increase in revenues.

For the 31st of January receipts for the spread of Cotton's were $15.-50. Sunday and Monday, Feb. 1st and 2nd, receipts were $122.10 (including $100 from Prince Edward Island for Battery); February 3rd, 4th and 5th the receipts were $14.-50, $10 and $2.75 respectively.

Now, comrades, we do not want to see the circulation going down further. We know that you can do better. If we played on your emotions, if we preached a holy crusade, as it were, we might enthuse many of you to greater efforts.

But the Socialist battle is not won that way. Temporary excitement may be caused. The Socialist fight is to be won by steady, persistent activity and by solid education and organization.

We trust, comrades, that for the enlightenment of the working class, for your own freedom and for the sake of humanity, you will make greater efforts to maintain and increase the circulation of your paper.

English Beauty Tells Complexion Secrets

("Elise" in American Home).

Through a fortunate meeting with an English lady, noted for her dazzling complexion, I recently learned the full meaning of that old adage, "Beauty is but skin deep." She taught me how to remove my muddy old skin, revealing the young and beautiful skin underneath. The process is so simple, harmless and inexpensive. I'm sure you'll be glad to know about it. Just get an ounce of ordinary mercolized wax at any drugstore and apply nightly, like cold cream, for a week or so. Every morning in washing off the wax, tiny particles of worn-out cuticle come off, too. The action is so gentle and gradual, there's no discomfort. It's a wonderful treatment, as it not only peels off the faded or discolored skin, but all of its defects, as chaps, roughness, freckles, pimples, blotches, blackheads.

I am indebted to the same lady for a remarkable wrinkle-removing formula. One ounce powdered saxolite is dissolved in a half pint witch hazel. Used as a face bath, this is so effective that just one application causes the finer lines to disappear, and soon even the deepest ones go.
